### OCTOBER 21ST PROGRAM

#### ISU Record Enrollment - Katharine Suski, Director of Admissions.

We will learn the advantages and disadvantages of enrollment that now exceeds 36,000.

### ANNOUNCEMENTS

- **Interclubs.** This Kiwanis year, we hope to attend all clubs in Division 11.
- **Vice-President Needed.** Incoming President, Bill Bossenberger, reminds us of a desperate need for a Vice-President to serve in the upcoming Kiwanis year.
- **Programming Committee.** In the absence of an incoming Vice-President, Geri Derner will head an Executive Program Committee (all of us). If you have ideas for a presentation, please inform Geri.
- **Festival of Trees.** This year's event is scheduled for November 11 to Thanksgiving weekend. Set up takes place November 7-9. Contact Geri Derner if you are interested in participating in this annual event.
- **Spook Wanted** For Halloween, distribute treats (not candy or other food items) to children from the trunk of your vehicle. Contact Geri Derner.
- **Raising Readers.** Volunteer needed to deliver signed books to area locations.
- **Food at First.** October has a fifth Monday, on Halloween! Dress up and volunteer. Contact Neal Dietz.

### MAKEUP ATTENDANCE

Kiwanis International has expanded their definition of a make up for missing a regular meeting: Contact Geri Derner for details.

### KIWANIS FOUNDATION

The Kiwanis Foundation serves the children of Ames by providing college scholarships to high school seniors who excel in serving our community and who require financial assistance to further their education. Please return your pledge card with a generous donation (see attached). Contact Mike Miller or John Core for details.

## PROJECT REPORTS

- **Apple Sales.** Club member Paul Domoto set us in motion for our annual apple project. Wholesale prices will be the same as this past year.
  - Unfortunately, some apples will show some scars from hail damage.
  - We no longer sell Red Delicious, but sell a new apple called the Enterprise.
  - Sales began on September 30th and conclude on October 28th.
  - We will distribute apples at the ISU Horticulture Research Station on November 11th.
  - Forms are attached to the bulletin.
- **Food at First.** October 31st is a fifth Monday. Sign up for shifts now. Contact Neal Dietz.
- **Food Shelf.** Thank you to Carl and Ginny Anderson, Cynthia Gaunt, Ken Larson, Doug and Kris Meinhard, Gary and Sue Osweiler, Gary Wade, and Don and Mary Ellen Wishart for helping Bernie collect food each week.
- **Project Eliminate.** Kiwanis International has joined with USAID and UNICEF to Eliminate Maternal-Neonatal Tetanus. We need \$11k to reach our goal of becoming a model club.
  - The Board of Directors is offering a \$250 incentive for those persons wishing to become a Zeller Award Winner.
- **Miracle League.** In collaboration with Ames Parks and Recreation Department and Story County Arc, Kiwanis clubs in Story County are planning to build a Miracle League playground and ball park in Ames, in Innis Grove Park. The estimated cost is \$1.5 million. We hope to have the facility completed in July, 2018. Once completed, the facility would be staffed and maintained by members of Kiwanis clubs in Story County.

## COMMITTEES

- **AKtion Club.** The next meeting is planned for 4:00 p.m. in Tuesday, November 8th at the Collegiate United Methodist Church.
  - The Hy-Vee food drive collected a large amount of food and about \$250 in cash.

## OCTOBER 14TH PROGRAM

### **Kent Sovern: The Challenge of Social Security: Past, Present, and Future**

We learned that to avoid running short of funds by the year 2033, the social security program must be adjusted. Doing nothing is not an option. We must "Take a Stand" to ensure that the system is adjusted to increase revenues, decrease expenditures, or some combination of these approaches. Several options are feasible plans for adjusting the system. Benefits could be delayed for a few years, benefits could be reduced, social security payments from employees, employers, or both could be increased, the retirement age could be raised, begin "longevity indexing" (decreasing benefits as overall life spans increase), increase the payroll tax cap (the amount after which earnings are not subject to social security taxes), recalculate COLA (cost of living adjustments), or other similar measures. Social security is not doomed. But it must be adjusted and soon to keep providing senior citizens the benefits they have earned through a lifetime of work.
