OCTOBER 21ST PROGRAM

ISU Record Enrollment - Katharine Suski, Director of Admissions.

We learned that the dramatic increases in total enrollment at ISU result primarily from increases in retention rates. The retention rate for incoming freshmen at ISU equals 87.8%! The ISU Admissions Office pursues three goals: 1) healthy rates of student enrollment increases, 2) best possible experience for students, and 3) best and brightest employees in the Office of Admissions.

Most students by the time they are juniors in high school have made up their mind about which college they want to attend. Therefore, recruitment of new students begins with contacts in 8th grade. Representatives of ISU visit every high school possible, middle schools, and community colleges. They visit with potential students in Iowa, Minnesota, Illinois, Nebraska, and Texas. Also, representatives visit approximately 15 different countries seeking the best students to attend ISU.

The outcome of this hard work and commitment to excellence: 36,600 students!
