MARCH 24TH PROGRAM

Threshold Learning Center in Zearing – Gretta Reischauer

Threshold Learning Center (TLC) is a non-profit organization established by a family of educators with a combined 75 years of experience in the classroom and outdoor education facilities. Providing science, recreation, and nature education at separate locations for several years, the family decided to work together to provide quality science programs in an informal setting. For fifteen years, the family successfully developed and revitalized outdoor education facilities and camps for other non-profit organizations in Southern California and Iowa. However, the goals of these organizations often fell short of the family's personal educational goals. So, in November of 2001, they officially incorporated their different strengths and created Threshold Learning Center, an organization that would always place student experience first.

Educational programs were delivered in classrooms until the organization was able in 2002 to obtain 26 acres near Zearing. In May of 2006, the center renovated a barn as an overnight dormitory for both students and visitors to Zearing began.

TLC's primary objective is to provide quality science programs for schools from across the state. TLC offers after-school programs for students grades 4-8, birthday and slumber parties for any age., team building and challenge course activities for schools, sport teams, and corporations, several seasonal festivals and programs open to the public as a means to foster membership appreciation, membership development, and public outreach, various fundraisers throughout the year, and weekend and summer retreats for families, artists, writers, youth groups, etc. in our barn dormitory that include "Bed & Breakfast" hospitality and educational programs upon request. The barn may also be rented for parties or overnight accommodations.

GUESTS

- Sharron Slinger, guest of our speaker, Gretta Reischauer.

TWO MINUTES ON THE HOTSEAT

Paul Domoto is in Ames because in the mid-1970's then Governor of California Ronald Regan placed a freeze on all new job hiring, leading Paul to accept an offer from ISU. Paul perhaps was not as familiar with Iowa as he might have been, wondering when he first arrived if our Capitol in Des Moines was the famous Corn Palace!

PROJECT REPORTS

- **Miracle League.** In collaboration with Ames Parks and Recreation Department and Story County Arc, Kiwanis clubs in Story County are planning to build a Miracle League playground and ball park in Ames, in Innis Grove Park. The estimated cost is \$1.5 million. We hope to have the facility completed in July, 2018. Once completed, the facility would be staffed and maintained by members of Kiwanis clubs in Story County.
- **Teen Maze.** Plans are underway for the 2017 Teen Maze, to be conducted April 3-7 at the Boone County Fairgrounds.
 - Volunteers are needed for setup, the event, and tear-down.
 - Sign-up sheets will be available soon. We will serve lunch on one of the days (perhaps either Monday or Tuesday when students from Ames will be participating).

COMMITTEES

- **AKtion Club.** The next meeting of CCAC will be Tuesday, April 4th at the First United Methodist Church.
 - Ed Gillott reports that we are considering options to partner with ARC of Story County to better serve the club.
 - We need more volunteers from our club to help out at CCAC.
 - AKtion Club is planning an **all club food drive** at the Lincoln Center HyVee on Wednesday, April 29. Stay tuned for more.
- **Circle K Club.** The next event is the C5K fundraiser for Project Eliminate, scheduled for Saturday, April 15th. The 5K run/walk begins at Ada Hayden Heritage Park at 9:00am.

CONTACT INFORMATION

- **Web Site:** Club Webmaster Bud Everett, in coordination with our Board of Directors, has built a new club web site, using a new internet service. The page looks great and will serve us well as an updated version of our old system. Type into the browser address bar: www.amesnoonkiwanis.org.
- **Facebook.** www.facebook.com/KiwanisClubsOfAmes.
- **Roster:** Go to "Member Login" on our web site. Login with your email address & your password. Click on "Members" in the left-side navigation column.
