

Dear AU Football Fan;

It's time to renew your Auburn Bank parking pass for the 2018 Auburn Football season!

Auburn will host seven home games in 2018. Season passes are available at \$40.00 per game for a total of \$280.00 for the season. Our goal is to double our season pass holders this year and we'd like your help! To motivate early sales and social pressure we will offer the following incentives:

- Free A-Day Game parking for last year's season pass holders! Please notify us at our email.
- One free game if you sign up before 31 May. In this case a season pass will be \$240.00
- One free game for a new season pass referral. Every new referral decreases season pass price by \$40.00!*

Terms and Conditions:

- Standard parking access: \$280.00
- Your space will be held 1 hour prior to kickoff, then will be surrendered. You will be able to contact us via email/text/phone if you encounter gameday issues and we will hold your spot up to kickoff.
- Please provide the information in the attached reservation request
- Your check will be deposited upon receipt. We will send you a receipt via email and postal mail if email is not used or provided.
- We prefer to hold passes for pick up at the first game but will also mail passes or make passes available for local Auburn pick up as we did last season.

You may sign up online at <http://auburnkiwanis.org/2018footballparking>.
