Announcing the Marietta Kiwanis Art & Music Showcase

The community is invited to The Annual Marietta Kiwanis Art and Music Showcase on March 9th at the Earl and Rachel Smith Strand Theater from 6pm until 9pm. Admission is free! Please join us in promoting the arts.

Commented [SM1]:

For over 38 years the Georgia District of Kiwanis has provided students with the opportunity to demonstrate their talents in competition. This year there will be a juried art on display from 6 – 7 with live musical performances beginning at 7pm.

The Marietta Kiwanis Club has selected great talent in both art & music to perform for cash prizes. In addition, the winners will be entered into the Kiwanis District-wide Art and Music Showcase on April 28, 2018.

In 2017, the Georgia District Kiwanis Foundation provided a total of \$15,000 for winners - \$7,500 each to both the art and music competitions. The Art and Music and Showcase project is designed to provide selected high school level instrumentalists and vocalists & middle/high school level visual artists with the opportunity to showcase their talents before a public audience and to compete for collegiate scholarship awards.
