

# Kiwaniis®

Guidelines for the  
**The Kiwanis Club of Grand Junction  
Allocation Grant Process**

Online from  
**May 15, 2018 – July 15, 2018**

Our grant application is modeled after the Colorado Common Grant Application and is entirely online. It will be available on our website [www.kiwaniis-gj.org](http://www.kiwaniis-gj.org) from May 15<sup>th</sup> until July 15<sup>th</sup> only.

The allocation process will be the same as last year. With the success of our Pancake Day, we hope to grant eight \$5,000 awards again this year. The amount we give away is contingent on the proceeds of Pancake Day.

**Supported and Not Supported Program Aspects:**

As a way of clarification, the programs supported by Kiwanis include the following: improves the lives of children, early childhood development, programs for at risk population (youth), and children with special needs.

Allocation grants are not awarded for the following: public awareness campaigns, general operating expenses, and capital improvements (exception, playground equipment).

**We look forward to working with you to support our kids!**
