

KIWANOGRAM

Guest: None.

Program: Katie Gaynor, from Red Cross Dane County, described the role of Red Cross in disaster. Katie was a Key Club member in Fridley, Minnesota. Katie is responsible for disaster relief. Disasters include house and apartment fires, house explosions, flooding, tornadoes, forest fires, building collapses, and extreme snow storms. Red Cross has 80 responses per year in Dane County and have volunteers available 24/7. Red Cross collaborates with government agencies such as FEMA. Five priorities for Red Cross responses are sheltering, feeding sites, government emergency operations, assess impact and conduct public affairs and fundraising as appropriate. Red Cross still has a need for volunteers.

Ed Reisch, responsible for Lunch Buddies at Midvale School, announced opportunity to participate with second graders on Wednesday, October 30, 11:45 am. If interested contact Ed at mlreisch@chorus.net

A reminder, members volunteering at Midvale must complete a disclosure form regarding a background check is required when working with youth. Forms were available at the meeting. Blank forms will be available at future meetings.

Ed Reisch, membership chair, reported on a recent meeting attended by the International Kiwanis President. Membership is a major concern of Kiwanis International, a 10,000 members loss.
