KIWANOGRAM

Guests: Bob Cole, guest of Bob Richardson; Gary Smith, guest of Randy Hansen; and Dennis Dorflkosen, Monroe Kiwanis and deliverer of the Monroe Kiwanis candy.

Program: Today, about fifty second graders from the Midvale Elementary School joined us. They were accompanied by four teachers. The students are studying the states of matter in their science class and came armed with numerous questions on the states of matter which are solids, liquids and gases. They sang a song about the states of matter and the Kiwanians joined in the singing. We sang the welcome song for them which they enjoyed.

The board accepted and approved these recommendations. Leaves of absence were received from Dave Wendricks and Carrol Spencer. A change was decided for the meeting raffle drawing where fifty percent of the drawing funds will go toward the Kiwanis International Eliminate Project and the other fifty percent will go toward a club project of the raffle winner's choice.
