

Kiwanis Club of Madison West

KIWANOGRAM

Guests:

Bob Anderson, guest of Bill Grabel and former employer of Ed Ornes.

Program:

Second grade students from Midvale School visited during the meeting and shared their art projects with members. Each student had developed an original paper art project with a written description. The projects appeared to have a Halloween theme.

In addition a description of the Kiwanis International Foundation Eliminate Project was presented by Chelsea Bolton and Linda Christiano. The project's goal is to eliminate maternal neo-natal tetanus among women in many under developed countries. The International Foundation's goal is to raise \$110 million by June, 2015. This project started about four years ago and has raised \$71 million. To date, Madison West Kiwanis has contributed \$7,835 to the project through Hixson awards and other contributions. They encouraged Madison West Kiwanis become a Model Club like 850 other Kiwanis Clubs.
