

Kiwani's Club of Madison West

KIWANOGRAM

Guests: Wilma Rohweder, pianist and spouse of Boomer, Dianne Stumpf, spouse of Chuck; Ruth Lutze, spouse of Fritz.

Program: Mitch Henck, Madison area radio personality and standup comedian, provided information on his background and his all New Mitch Henck Show. Mitch grew up in Indiana and attended Butler University. He had long interest, starting at age seven, in radio broadcasting.

Recently Mitch became unemployed from a local radio station which was part of a large radio system throughout the U.S. Thousands of employees of the system were terminated.

Since that time, Mitch has established the All New Mitch Henck Show which takes place between 8:00 am and 11:00 am, Monday through Friday at his web site www.mitchhenck.com. He discusses politics, culture, history, media education, religion, standup comedy, professional golf and college basketball. He has guests during his show. His previous shows are archived at his web site. Sometime in March, Mitch plans to have his show broadcast on a Madison radio station.
