

Kiwanis Club of Madison West

KIWANOGRAM

Guests: Gene Sturdevant, Larry Ryan and Bill Allen from Madison East Kiwanis; Jerry Schwock, Downtown Kiwanis; and Kathy Nieber-Lathrop, Tom Vandervest, Carol Jensen and Gurdip Brar, Middleton Kiwanis.

Program: Mary Mennes described the need for serving safe food and steps for insuring we take the proper steps. Annually, food borne illnesses have affected one of six Americans, and has caused 128,000 hospitalizations and 3000 deaths.

Safe food is about controlling what touches food, who touches food and temperature. Temperature danger zone occurs when cold food reached 41 degrees F and hot foods reaches 135 degree F. Some personal hygiene steps include washing hands periodically, no eating or drinking in food area, wear clean clothes, remove jewelry, cover cuts with band aid, no chewing gum while volunteering, wear plastic-disposable gloves, and treat gloves as a utensil. Gloves should be changed every time gloves become soiled, when changing jobs and every 30 minutes.

Hand washing station will be available but hand sanitizers are NOT a substitute for hand washing. Open toed shoes are not permitted, Hats will be provided and people with beards must beard covers.

Announcements:

Carrol Spencer introduced **Jillian Meissner** who has been approved for membership in Madison West Kiwanis. Since Jillian is still a member of the Denver Tech Center Kiwanis Club, she will officially become a member on October 1, the start of the new Kiwanis year, 2015-16. She is serving as Division 15 Lt. Governor in the Rocky Mountain Kiwanis District. She has several relatives active in Kiwanis. She moved to Madison in January.

A thank you was received from John Thomas's family for contributions in his memory and for the support provided by our members during the past year.

The September 4 program will be at the West Madison Little League field at 701 Forward Drive. Food will be provided by the little league. We will see the progress on the new playground supported by Madison West Kiwanis.

Eliminate Project Update

On August 12, Kiwanis International reported the Eliminate Project for Maternal Neo-natal Tetanus has reached \$99 million including pledges. At the International Kiwanis Convention in late June, the fund was at \$91 million. The Kiwanis goal for the fund is \$115 million which is expected to eliminate this terrible problem.
