

Madison West Kiwanis Foundation, Inc. Ethel Allen Ski Scholarship Program 2016-2017

Program/Application Details

If you are awarded an Adaptive Skier Scholarship, you will be traveling to the Durango Mountain Resort in the San Juan Mountains of southwest Colorado. A mountain atmosphere, friendly people, and an exciting, life-changing experience will be part of a six-day, all-expense paid trip. The scholarship provides an opportunity for adults with physical disabilities to rediscover their potential, successfully meet and overcome challenges, learn and enjoy a new sport, travel and make new friends.

The Madison West Kiwanis Club Foundation received a generous gift from the Ethel Allen Trust that provides scholarship funds for as many as four people from the greater Madison area to learn to ski under the careful direction of the Adaptive Sports Association (ASA) ski instructors at Durango. The ASA is one of the country's best ski schools for people with disabilities.

Although all applicants will be considered, ideal candidates are local adults over age 18 with a physical disability who want to or already participate regularly in athletic activities, are able to travel by air to Durango, CO, are new to disabled skiing or snowboarding, and who can help "spread the word" about the program within their communities and support organizations.

The only cost to scholarship individuals will be any out-of-pocket expenses in Durango.

If you require an attendant, he/she may accompany you on this trip, but you will be responsible for the attendant's expenses.
