Bonnie has provided leadership with Midvale Elementary School, our adopted school. School activities include members volunteering for potluck dinners, book sale, rummage sale, lunch buddies, classroom visits, and book shelving. She arranges for Midvale students to visit our meetings four times a school year and weekly book donation where our program speaker signs a book which is given to the school library. She also arranges for club members volunteering at Second Harvest Food Pantry, several times a year. Bonnie was presented picture frame with the Hixson medal and a second medal for meetings.
