

STEP ONE: Place your personalized engraving below. Lettering will be in all CAPITALS and centered on the brick. Highlight the spaces where you want the symbol to be placed, and write the name of the symbol on the space provided. Although you have four lines and 21 spaces to work with, ***three lines and 18 spaces are recommended for easy reading***. All text is centered unless otherwise noted.

STEP TWO: Include a Special Symbol for an extra \$10! Special symbols take up space on your brick. Allow for 2 lines high and 3 spaces across. Look at the pamphlet for a list of special symbol options.
