Hiatus Week One Update

As reported in the last bulletin, the Club has canceled our breakfast meetings through April 1 and the Friday Night Evening Edition scheduled for April 3. March service projects (i.e., Pot O’ Gold Soccer Tournament and CRPD Therapeutic Recreation Division’s Spring Prom for special needs individuals) have also been canceled by the organizers.

The national, state and local responses to the COVID-19 situation are very dynamic, and the Board will meet via videoconference before the end of the month to discuss further cancellation of meetings and service projects that may be necessary. Kiwanis International has advised cancellation of meetings and projects through April. On March 19, Governor Newsom issued an Executive Order ordering all individuals to stay at home, with limited exceptions, and except as needed to maintain continuity of certain critical services. This order is in effect until further notice. See the website covid19.ca.gov for more information.

In order to maintain a flow of general Club information and keep us connected, we will periodically publish a bulletin. Here is the first edition.

Baba-Laba-Guma-La

Don’t you miss that opening song? Kween Sherrill says she misses her Wednesday morning choir! She tried to engage “Junior” to pay attention to “Baba-Laba-Guma-La,” but it is not quite the same. “Stay positive, stay connected. I’ll trade a roll of toilet paper for a bottle of green olives for my martini,” says the Kween.

St. Patrick’s Day

This Wednesday would have been our opportunity to celebrate St. Patrick’s Day with much frivolity, if not green beer. President Steve avoided the fine he surely would have attracted with the get-up pictured.
In years gone by, our St. Paddy’s day celebration was always led by Irish John Gore. Julia Senzig paused at the Irishman’s grave site this March 17 to remember and pay tribute. Randy sent along a picture of the Irishman’s headstone.

Scholarship Application Deadline Extended

The application deadline for all scholarships sponsored by the Thousand Oaks Kiwanis Charitable Foundation is extended to April 24, 2020. Students will now also be able to submit their application via email to gossitt@gmail.com. For letters of recommendations, which are usually in a sealed envelope, students may ask their teachers or counselors to send their recommendation via email to the same address - gossitt@gmail.com.

Because of school closures, students may be unable to provide a transcript. In this case, a copy of a recent report card with a cumulative GPA or a letter or statement from a counselor with a GPA will be acceptable, with no penalty to the student.

The Thousand Oaks Kiwanis raise funds every year to make these scholarships available - this year over $15,000 will go to deserving students! Please encourage students to apply!! The scholarships are available online at www.tokiwanis.org

Speaker Referral Needed

Jack Talbot is asking for suggestions for a first responder speaker to add to the queue when our regular meetings resume. He’d be glad to follow up on whomever the members would like to see/hear. If you have a

Kiwani citizens of the Year — Many Division 42 clubs have announced Kiwanians of the Year for the year ended September, 1991. **Memory Lane**

Gloria Dyok submitted shots of a few newspaper and bulletin clippings she has. The first is a shot of Kiwanians celebrating after the 2004 Conejo Valley Days. It’s from The Acorn and if you’ll notice, Chuck Rogers took the picture. The location – Dale Rickards’ ranch up off Mulholland Highway. Dale was a long-time member who passed away in 2009, and the ranch itself burned in the Woolsey fire.

The second clipping shows Arnie Rudman presenting the Kiwanian of the Year trophy to Don Hegarty in 1991. Don was our long-time Treasurer and later served a term as President. Arnie – well, we all know Arnie.

The third clipping as from a Special Edition of the Club Bulletin featuring news and photos from the 1988 Kiwanis International Convention in Seattle. Don and Tony are still in the Club; Irish John passed away in 2018; Larry Klone is a Past President and Past Secretary who left the Club when he moved out of the area.

**Cal-Nev-Ha Foundation News**

Past President and current Cal-Nev-Ha Foundation Board member Tony Antonelli has passed along the Foundation’s latest “News You Can Use.” It’s attached to this issue.

MATCHING DUNLAPS AVAILABLE!

Have you heard the news? The Cal-Nev-Ha Children’s Fund is offering matching Dunlaps benefiting our Pediatric Trauma Program. Thanks to the hard work and generosity of our Circle K, KIWIN’S and Key Club members, as individual or Kiwanis club may be recognized with a new Dunlap or upgraded to the next level with a $500 contribution. The remaining $500 will be "matched" by funds raised from our Service Leadership Programs members for our Pediatric Trauma Program. Recognize someone today with the William A. Dunlap Fellowship!

SCHOLARSHIPS

This year, the Cal-Nev-Ha Children’s Fund will award 74 student leaders with more than $112,000 in scholarships. While these numbers are significant, they pale in comparison to the actual need. With the cost of a higher education increasing each year, students find themselves being priced out of college. Your continued support of the Cal-Nev-Ha Children’s Fund can help provide students like Tyler Seng Ma with the financial help they need as they pursue their college degree.

DOUBLE YOUR GIFT TO YES!

Many employers offer matching gift programs and will match your donation to the Cal-Nev-Ha Children’s Fund – and it won’t cost you a dime! Other employers will recognize your Kiwanis volunteer hours with a donation to the Cal-Nev-Ha Children’s Fund – all you have to do is ask! Most matching gift programs are dollar-for-dollar; however, some companies will triple the original donation! Contact your employer directly and ask about a matching gift program or search online for "Matching Gift Programs" and double your gift to the YES Initiative.

YOUTH SERVICE AWARD

Every club has a member who dedicates their time fulfilling the Kiwanis mission by working with and mentoring youth within their community. The Youth Service Award (YSA) is the perfect opportunity to recognize such a member. In addition to recognizing a club member with the YSA, other recipients might include teachers, coaches or employees of organizations dedicated to children, such as the Boys & Girls Club. Order a Youth Service Award today!

BUILDING BRICKS

Did you know you can support the Cal-Nev-Ha Children’s Fund by purchasing building bricks which are placed at the Kiwanis Professional Center? These building bricks enable the Cal-Nev-Ha Children’s Fund to direct more revenue to building better futures for our children through our leadership training and scholarship programs. Mark an important milestone or recognize an individual with a building brick at the Kiwanis Professional Center.
