WHO ARE KIWANIS?

KIWANIS is a worldwide service organization of men and women dedicated to changing the world one child and one community at a time. Together, these men and women achieve what individuals cannot do alone. Voluntarily, Kiwanins share the challenge of responsibility for humanitarian and civic projects that our government agencies are financially unable to perform. These projects are predominantly local in nature .

KIWANIS is a service organization – not a social club – although enduring friendships are created through the Kiwanis spirit of fellowship that comes from mutual effort devoted to useful ends.

KIWANIS is often a public forum – but never a political circle. Meeting programs frequently provide platforms for the balanced and impartial presentation of public issues of interest to the members and the community.

KIWANIS makes its activities known. It is not a secret society. There are no private rituals. Public awareness of Kiwanis is sought because it increases support for Kiwanis service.

KIWANIS fosters principles of good citizenship and human values. It does not prescribe a way of life for others.
