

2018-2019 Texas District Anchor Board

[Meet the New District Officers]

Jakelin Silva: President

My name is Jakelin Silva and I am from the Anchor Club of Quitman. My favorite subject is math and I participate in many other organizations at my school including, Student Council, NHS, Yearbook, and Spanish Club. I play lead Alto Saxophone in marching band as well and our school's Quitman Jazz Experience. Being one year away from graduation, I plan to study architecture. My father and uncles had a big impact on my love for building and designing. I am blessed with the opportunity to be the 2018-2019 Texas District State President. I look forward to working side by side with three intelligent young ladies this coming year and share ideas to make this organization the best it can be.

Arial Pinion: Vice President

Greetings Anchors! My name is Arial Pinion, and I'm a sophomore at Barbers Hill High School. My hobbies include listening to Indie Rock, sketching, and protecting the environment with Club Green. I have played percussion for 5 years and perform in the front ensemble for the marching band. I own more animals than I can count from snakes to scorpions to snapping turtles. If I could travel anywhere in the world, I would go back to New York City because it has outstanding food. In the future, I hope to pursue a career in architecture, practicing sustainable development and green design. As the new District Vice-President, I am most looking forward to traveling to Nashville for Pilot International where I can meet other clubs from all over the world, gain new ideas to take home to my own club, and hang out with the fantastic officer team.

Marissa Mendoza: Treasurer

I'm Marissa Mendoza from the Anchor Club of Wharton. At my school I am a part of the following programs: JROTC, Yearbook, Theatre, AVID, ROAR and Anchor Club. I'm graduating with the class of 2019. At the past convention I had the opportunity to take on the role as your treasurer and took it. Now I am excited to be the 2018-2019 Texas District Anchor Treasurer. I am looking forward to planning the next convention with the other officers and attending international in Tennessee! Our goal is to make it as best that we possibly can. It will be held in Nacogdoches in 2019. Can't wait for you all to see what we will have in store for you!

Sarah Simon: Secretary

Hello fellow Anchors, I am Sarah Simon. I am a junior at Cuero High School, and have been a member of our Anchor Club since I was a freshman. I'm also a member of the National Honor Society, the Arneckeville 4H Club, the DeWitt County Council 4H Officer Team, the 2017 Miss Cuero Royal Court, and my church's vocal and chime choir. I have been a member of my school's Varsity Choir since my freshman year and was also selected as the soprano section leader. Being involved in all these activities has shaped me into the person I am today, and the reason I joined Anchor Club was because I've always had a love for service and giving back. With participating in all the service projects, Anchor Club has also offered me many friendships along the way as well. That is why I am so blessed to have been selected as the 2018-2019 Texas District Anchor Secretary, and I look forward to seeing all of you at the 2019 Anchor Convention in Nacogdoches! See y'all soon!
