I want to say a big "Thank You" to all of you who have sent cards, called, visited, prayed and wished me well while I have been recovering from my surgery. Your kindness and thoughtfulness has been so appreciated.

TADSAW-Train a Dog Save a Warrior

At our last meeting we heard information about the Texas District Convention. Tory told us about a presentation given on an organization called TADSAW-Train a Dog Save a Warrior. We were all very moved by what we heard and hopeful that we will be able to participate with helping this worthy cause in the future.

I had intended to attach some information about TADSAW to this newsletter but due to copyrights I am unable to do so. However, I would highly recommend that you visit their website. It has all of the information about this program and it is well worth the read.
