Dear Ankeny Community Schools Senior,

The Ankeny Alumni Association works to foster ongoing connections between graduates of Ankeny Schools and the community; when you graduate, you will become a member of the Association. You will be eligible, then, to participate in the Association's events, including its annual golf tournament and alumni banquet held during Summer Fest (July 13, 2018).

A way the Ankeny Alumni Association serves Ankeny students is to offer scholarships to graduating seniors. An application form for 2018 scholarships will be available on the Alumni Association website and via the Ankeny High School and Ankeny Centennial High School guidance websites. The deadline for the completed form with essays is Sunday April 1, 2018. Scholarships provided include:

Alumni Scholarship

Open to any Ankeny High School or Ankeny Centennial High School graduate continuing their education at an institute of higher learning. Scholarship is for \$500.

Legacy Scholarship

Open to any Ankeny High School graduate who is a descendant of an Ankeny High School graduate and continuing their education at an institute of higher learning. Scholarship is for \$700.

In addition, the Ankeny Alumni Association funds a scholarship provided through Ankeny Dollars for Scholars; please review that group's information as well.

Your Ankeny Alumni Association extends our best wishes to you for a wonderful senior year!

Warmest regards,
Ankeny Alumni Association, Inc.
