

2018 Avenue of the Flags

The Kiwanis Club of Adrian

The Adrian Kiwanis Club has a patriotic fundraising project called the **Avenue of the Flags**. **All Adrian area residents and businesses are invited to participate in 2018.**

The **Avenue of the Flags** is a community service project where the Adrian Kiwanis Club will place the United States flag in front of your home or business on 6 significant days annually. Those days are Memorial Day, Flag Day, Independence Day, Labor Day, 9-11, and Veteran's Day. The flags are delivered and set up for you on those days.

We believe the appearance of the Avenues of the Flags in our community creates a national awareness and pride. They are an impressive sight lining our city streets. Even if you already fly the flag on these holidays, you will want to be included in this public display.

The flags are fixed onto posts a full 9' above the ground. The flags go into a pre-set plastic sleeve in the ground between the curb and the sidewalk, normally about 2' inside the curb at a visible location. The receptacle sleeve is placed flush at ground level so not to impede walking or lawn care.

Your participation in the flag service is voluntary and the cost will be billed on an annual basis.

The donation for the 6 holidays in 2018 is only \$40 per year. For 3 or more flags at one location it is \$30 per each flag a year.

This project is a fundraising project for the Kiwanis Club of Adrian and the proceeds from this project will go toward the many community programs and improvements that we do every year.

If you would like to subscribe to this service, please complete and send the bottom part of this letter back with your donation check. Please return your request promptly so we will have time to make the flags and set the anchors. For more information, you may eMail us at adriankiwanisflags@gmail.com.

Yes, I want to participate in the **Kiwanis Avenue of the Flags**. Please fly the American Flag at my address in **2018**.

Name _____ eMail address _____

Address where the anchor(s) will be installed: _____

Phone: _____
