

## The Objects of Kiwanis

*Kiwanians strive to live their lives  
based on the following precepts:*

---

**TO PROMOTE** the human and spiritual  
rather than the material value of life.

**TO ENCOURAGE** the daily living of  
the Golden Rule in all human relation-  
ships.

**TO PROMOTE** the adoption and the  
application of higher social, business  
and professional standards.

**To DEVELOP** by precept and example,  
a more intelligent, aggressive and  
serviceable citizenship.

**TO PROVIDE** a practical means to  
form enduring friendships, to render  
altruistic service and to build better  
communities.

**TO COOPERATE** in creating and  
maintaining sound public opinion and  
high idealism which make possible the  
increase of righteousness, justice, pa-  
triotism and good will.

*If you are of like mind, our  
club is the place for you!*

## About the Kiwanis Club of Denville

The Kiwanis Club of Denville is part of Kiwanis International and one of about 8,600 clubs in 80 countries around the world.

Our membership is comprised of men and women involved in business or professional fields who share a common desire...to serve their local and worldwide community. Membership is open to all who are interested in committing time and other resources to community service.

We believe that together, we can accomplish much more than any one of us can as an individual.

Membership in Kiwanis affords everyone the opportunity to provide meaningful service, to network with others of similar interests and to pursue positions of leadership within the Kiwanis world.

### Our Meetings

Club members meet for dinner every Monday evening at 6:30 PM. Meetings are designed to discuss and coordinate club activities, build friendships and enjoy a variety of programs of community and personal interest. Meetings last for approximately an hour and a half, While there is no mandatory attendance requirement, members are encouraged to attend as many meetings as possible

### Club Structure

The club meetings are presided over by the club President. The club President-elect is the next in line of succession. The remainder of the slate of officers is made complete by a Vice President, Secretary and Treasurer. Supporting the officers is a Board of Directors and a team of Committee Chairpersons to coordinate the specific activities of the club.

The Board of Directors determines the business of the club and meets monthly to make sure that all required club management issues are discussed and resolved. The Board also approves all expenditures.

All officers are elected annually and the club President appoints all Board members at the outset of the term. The Kiwanis Administrative year begins on October 1 and ends on September 30 each year.

**Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time**
