PROGRAM:

Dick Johnson introduced Barbara Berti from the Sand Lake Center for the Arts. Barbara Announced that effective January 1st she will be the new President of SLCA. The Center will also have a new Manager – Brian who has valuable experience. Barbara explained that she has had experience back-stage at the center and is looking forward to her new position. She stated that the Center needs to do a better job at letting everyone know what we represent and that the center needs to partner more with other

community organizations. She would like to get more publicity using face-book & other Social Media. She asked that we periodically refer to the Website for upcoming events and to participate as often as possible.

Some great things coming! The Gallery changes periodically – interesting material to see there. One of her goals is to have the youth in the area get more involved. Another new venture is presenting one act plays, in which anyone who lives within 50 miles of the center may be involved. Barbara thanked members who attended the “Taste of Sand Lake” fundraiser.

Barbara also mentioned that the TV Show – “Twin Peaks” based their show on the 1908 mystery death-murder of Hazel Drew – a local resident. Twin Peaks is currently making another episode that may feature this story-line again.

Kevin Sarsfield presented Barbara with a Certificate of Appreciation for her presentation.
