Decorating Rules

Kiwanis Decoration Rules

1. All volunteers **MUST** be 13 years old or older to be allowed in the rose float decoration site.
2. All volunteers **MUST** be assigned and acknowledged by the Kiwanis' Rose float volunteer and site coordinator.
3. Requests will be granted on a first come, first served basis through registration on the kiwanisrosefloat.com website. The schedule is based upon the overall manpower needs required by the Float Company.
4. Every K-family club will be asked to specify the number of volunteers being committed. The Float Company and the volunteer coordinator reserves the right to refuse entrance to any volunteers significantly in excess of this number. Please notify us in the event the number of volunteers is significantly short or in excess of the number submitted. This will allow us the time necessary to take corrective action for any manpower shortages or find work for additional volunteers.
5. In order to insure that all clubs have the opportunity to volunteer, no request for groups larger than 45 volunteers, nor **DIVISION ONLY** requests will be honored. For clubs within a division that will be traveling in excess of 50 miles, requests to work together will be honored if requests for each club are submitted together with a note indicating your need to work together because of the distance you are required to travel. This will allow such groups to share in the cost of travel. Such requests should be submitted as early as possible to insure adequate space for entire group. Every attempt is made to honor these types of requests.
6. Any club failing to arrive at their appointed time is subject to being replaced by the volunteer coordinator or the Float Company. Further any club failing to report at their appointed time may jeopardize their clubs right to work on future dates.
7. Manpower needs are determined by the float decorating company, and may need modification as work either falls behind or ahead of schedule. A confirmation does not guarantee that you will be able to decorate. We will do our best

to notify you prior to your scheduled time in the event such a change becomes necessary. Contact names and phone numbers are critical should it become necessary to notify you of a schedule change. Without a contact name and phone number your request will not be honored.

8. The list of rules and regulations from the Float Company are displayed below. It is imperative that these rules be followed. In the event a volunteer fails to follow these rules, the volunteer coordinator and float company reserve the right to take corrective action, including refusal of entrance into the rose float site, and expulsion from the work site. These rules will be strictly enforced In order to insure the safety of all volunteers and the completion of the floats.
