

CLUB MATCHING GRANT PROGRAM

MULTIPLY YOUR IMPACT

The Alabama Kiwanis Foundation's Club Matching Grant Program was established to multiply the impact that clubs have in their local communities by matching funds raised for worthwhile projects that serve to improve the lives of children.

~ Individual and Club Support of the Foundation Makes This Program Possible ~

- ◆ The Foundation awards matching grants of up to \$2,000 primarily to assist smaller clubs in providing service that positively impacts children of Alabama.
- ◆ These grants shall be awarded on an annual basis, upon Board approval.
- ◆ Club Matching Grants are considered by the Board at the Alabama District of Kiwanis' Midwinter Conference in February.
- ◆ **Submission Deadline: January 30th**
- ◆ Clubs can submit their Grant Request by visiting:
alabama.kiwanis.org/matchinggrants
- ◆ At the time of application, local clubs must submit a check in the amount of the matching request (not to exceed \$2,000) to the Alabama Kiwanis Foundation. If approved, this check will be deposited into the Foundation Account and a check for that amount plus any matching funds approved will be sent to the requesting club's Secretary or disbursed at the District Midwinter Conference.
