THE KIWANIS CLUB OF AURORA WOULD LIKE TO  
THANKS ITS PARTNERING AGENCIES:

Fox Metro Water Reclamation District  
City of Aurora  
Fox Valley Park District  
Aurora Township

## Team Leader Information Sheet In case of emergency: call 911

Base camp contact: XXXX (630) XXX-XXXX

### Safety is first!

Do not enter the Fox River for any item. For large items needing to be picked up, please note the location on your map, then turn in to an event leader.

Any container filled with a suspicious liquid should be noted for pickup at a later time.

If "sharps" are identified, do not pick up. Make a note on your map as to the location and then inform an event leader for pickup.

### Team Recommendations:

Keep a close eye on younger children, especially near roads and/or river banks.

The river can be dangerous. Please use caution and good judgement when working near river banks.

Please pick up trash on all trails, river banks, park areas and tree lines.

Groups 1, 2 & 4: No bus service will be available.  
Groups 3 and 5-10: If you do not see a bus to pick up your group by 11:30, please call contact person at the number above.

Leave full bags along the trail or near the river bank for pickup. Do not risk injury by carrying heavy/full bags.

Bus drivers: For more efficient pickups, please remain near your designated "BUS STOP WAITING" areas.
