CLUB OF LINCOLN, NEBRASKA - LINCOLN CENTER

Lincoln Center Kiwanis has a long history of community service in Lincoln and offers a wide range of activities to improve the world, "one child, one community" at a time.

Lincoln Center Kiwanis serves to improve the lives of children in Lincoln. We stay involved with current, relevant needs of kids with many projects small and large involving our members in volunteer efforts to fit their interests and schedules. Our members benefit from their service and keep informed with excellent programs at our weekly meetings on Friday noon at the top of the downtown US Bank building.

We fund our projects from this annual Golf Outing, a Pancake Festival, football parking, and grill rentals.

Lincoln Center Kiwanis is vibrant, active, diverse, and enthusiastic in meeting community needs. We are well organized with a hundred members working within an active committee structure. We welcome visitors and prospective members to our weekly meetings or projects. It is a great time to join us.

Thank you for supporting our community efforts with your golf participation
