Dear K-Family Team of the Carolinas!

I hope you have been having as much fun as I have during this first month of the new Kiwanis year. Tom and I are having a great time traveling around the District visiting clubs and meeting Kiwanians, and my hope is that we will have just as much fun a year from now!

As many of you know, there are three ways in which we want to grow Kiwanis in the Carolinas District, and here’s how we’re doing so far!

First, Growth for Service by building and mentoring new Kiwanis clubs. In the area of new club building, we are off to a great start and have the honor of building the very first club in the Kiwanis world for 2009-2010. Congratulations to New Club Builder Tom Dimmock and Lt. Governor David Jerose who organized the Kiwanis Club of Youngsville, NC October 1st.

Second, Growth for Service by growing and strengthening existing Kiwanis clubs. Our Regional meetings began on October 9th in Camden, SC and will be held throughout October and November, ending on December 5th in Gastonia, NC. Our purpose for these Regional meetings is to provide relevant information that will assist clubs in their growth goals, including a session on leadership as well as a workshop on Achieving Club Excellence.

And third, Growth for Service by fulfilling our responsibilities to our K-Family clubs and programs. October has been full of activity for our Service Leadership Programs, and as I have traveled to those events, I have witnessed the outstanding dedication the Kiwanians of our District have to the members of our Service Leadership Programs.

The Carolinas District of Key Club and Circle K had their Fall Rally at Carowinds on October 4th and over 1,600 gathered to celebrate service, hear from an outstanding motivational speaker, and enjoy lots of fun and fellowship. The Key Club and Circle K committee members, along with their Administrators Scott Johnson and Tom Currier, deserve our thanks for committing an enormous amount of time and effort to ensure that our District fulfills its responsibilities to these young leaders.

Thanks also to Administrator Jack Hatfield and his wonderful team of volunteers who put on an excellent convention for the Aktion Club. During this fifth annual convention, Aktion Clubbers from around the District heard from an inspirational speaker, learned about club management, shared their talents, participated in speech contest and, of course, had a dance. These young (and not so young!) adults with developmental disabilities gathered to discuss the service they perform in their communities and they share the same dedication to changing the world, one child at a time, as the rest of the K-Family!

And this past weekend over 200 members of the K-Family from all over North America gathered for the 30th annual Kiwanis Family Conference in Black Mountain, NC. This has become one of my very favorite Kiwanis events as it includes Kiwanians, Key Clubbers, Circle K’s and even a Builders’ Clubber or two! All three K-Family International Presidents were there: Paul Palazzolo for Kiwanis, Abigail McKamey for Key Club, and Jason Stewart for Circle K. If you have never attended K-Family Conference, I highly recommend that you reserve the weekend of November 5th–7th, 2010 for next year’s conference!

As we finish the first month of the Kiwanis year, I am thankful for many things. First and foremost, I am thankful to all of the Governors who have gone before me and made such a positive impact on the Carolinas District, especially Past Governor David Vaughan who truly made me not only part of his team, but his family. And to each and every Kiwanian in the Carolinas, thank you for choosing to be a Kiwanian. As I travel around the District, I am awed by the work you do every day in your communities. You make a profound difference to the children of your communities and, together with all of the K-Family, we can change the world.

In Kiwanis Service,

Elizabeth

Carolina Kiwanian 3
Come together for Kiwanis Family Month

More than half a million adult and youth volunteers in the Kiwanis family come together during November to celebrate and participate in community service projects in honor of Kiwanis Family Month.

Adult and youth members of Kiwanis promote the ideals of voluntary service as a means to improve lives, with an emphasis on children, and to give something back to the community.

“When I was a Key Club member in the early 1980s, some very dedicated Kiwanians made time for me and the other members of my club,” says 2009-10 Kiwanis International President Paul Palazzolo. “They helped us learn the values of service and leadership, and they made a positive impact on our lives. I knew then that Key Club and Kiwanis had a relationship that would mean a lot for a very long time. I felt that sense of family almost immediately, and I still feel it today.”

Kiwanis members are asked to reach out to other Kiwanis-family members during Kiwanis Family Month as a time to renew their commitment to service.

“Reach out to our youth members,” Palazzolo urges, “and invite them to a service project. Work alongside them. Mentor them. Laugh with them. Learn from them. These memories you’re making will last a lifetime.”

Paul Palazzolo
International President

SC Kiwanis License Plate Available

The South Carolina Department of Motor Vehicles (www.scdmvonline.com) has the SC Kiwanis License plate. The fee for the plate is $30 every two years in addition to the regular vehicle registration fee. The plate is available to the general public and there are no special requirements for acquiring it. A portion of the fees collected for the plate will go to the Carolinas District Kiwanis Foundation.

COMFORT KIT COLLECTION

Did you realize that the Coastal SC Chapter of The American Red Cross responded to the needs of 700 residents that lost their homes to fire last year? If you had to leave your home quickly due to a fire or disaster you probably wouldn’t think to grab your toothbrush, soap or shampoo, would you? That is why The American Red Cross provides “comfort kits” to all of the people they help and the K-Kids of North Myrtle Beach Elementary and their fellow students wanted to help The American Red Cross. The NMBE K-Kids began a school wide collection and when Nanci Conley, Director of Public Support for the Coastal SC Chapter of The American Red Cross, came to speak at the October 7th K-Kids meeting, she was overwhelmed with the amount of items the students had collected. The children collected enough soap, toothpaste, toothbrushes, shampoo and other incidentals for many comfort kits. As the K-Kids say before the beginning of each meeting, “As a K-Kid, I promise to serve my neighborhood and my school; I will show respect toward my environment; and I will try to make the world a better place in which to live.”

NMBE K-Kids is sponsored by Chick-Fil-A and the Kiwanis Club of North Myrtle Beach.

Statesville Dictionary Project

The Statesville club is busy delivering dictionaries to third graders in Iredell County. This is the fourth year they have done this project. They go into the classrooms and tell the children about Kiwanis and hand out their dictionaries.
DOUG DAY DECLARES HIS CANDIDACY FOR GOVERNOR-ELECT 2010-2011

For the past several years I have been seriously thinking about what I could really do, as governor of the Carolina district, for the children of the world, and especially for the children in the communities of our two great states. For the past fifteen years I have been a dedicated Kiwanian in the Chapel Hill-Carrboro club and it is now time for me to expand my services for children. I have given much thought and consideration about serving as governor and the responsibilities this position carries. If elected to the position of Governor-Elect in August of 2010, I will dedicate my time, my ability and my expertise for the next four years (and beyond) to the Carolina District Kiwanis. I have been in a leadership and management position most of my insurance career, and I am ready to share this knowledge and experience as governor.

I joined the Chapel Hill-Carrboro club in 1994 and served as president for the Kiwanis years 1996-1997, 2002-2003, and 2008-2009. In my first year as president we were a Distinguished Club with a Distinguished President. We won the KI Newsletter award for clubs with membership from sixty to ninety. In 2002-2003 I was awarded the club’s J. Myron Saunders (Past Governor from Chapel Hill) prestigious award for club services. For 2008-2009 we anticipate our club becoming a Distinguished Club with a Distinguished President. Over the years, I have also chaired every committee within the club, and some several times.

In my first year as president we chartered a Builders Club, and in the past two years I was very active in the chartering of two Key Clubs in the East Chapel Hill and Carrboro High Schools. We now sponsor three Key Clubs.

On the division level I served two terms as Lt. Governor (division 13) from 2005-2007, and currently a member of the Past Lt. Governor’s Council. I was division secretary and goals chair.

For our district I have chaired the finance committee and served on the reorganization committee to restructure the board. I have co-chaired Kiwanis One Day, and currently serve as District Risk Manager, having contributed five articles to the Carolina Kiwanian on General Liability and Directors and Officers/Crime coverage. I serve on the TAG committee, am a Certified Club Leadership Instructor, and I am a member of the CDKF 1200 Founders Circle. On the Kiwanis International level, I am the District Chair for the KI Foundation, and as mentioned before, District Risk Manager. I am a Hixson Ambassador.

I have several goals that I hope we can meet if I become governor. These include: (1) Promoting new initiatives for inactive clubs with emphasis on involvement in the district and division activities, (2) Increasing membership by enlarging our image (or brand) and promoting a more diverse and inclusive organization and (3) Encouraging more pro-active efforts to meet the challenges of our great organization. We want the public to know about Kiwanis, who we are, what we do and finally, “want to be a Kiwanian.”

On a personal note, I am married to Barbara, a professor in the School of Education at UNC. We have one daughter, Susan Douglas Day-Brooks who is a teacher, and Son-in-Law Bill II, an engineer. We have one three year old grandson, William III, a Thomas the Train Expert. Our family includes nine God children and eight Grand God children.

Carolina Kiwanian 7
Selection process under way for next Worldwide Service Project

Kiwanis International received more than 200 proposals from all over the world for the next Worldwide Service Project. A special committee now has the difficult task of reviewing the proposals, selecting the finalists and making a recommendation to the Kiwanis International Board of Trustees.

Kiwanis International's first Worldwide Service Project virtually eliminated iodine deficiency disorders worldwide. Working with the United Nations Children's Fund (UNICEF) and the U.S. Fund for UNICEF, the entire Kiwanis family joined together to raise almost US$100 million.

Register now for the 2010 Kiwanis Convention

Need to register for the 95th Annual Kiwanis International Convention in Las Vegas? Looking for updates on workshops, sessions, speakers and ticketed events?

Check out the 2010 Kiwanis International Convention microsite at www.KiwanisOne.org/convention for all this information and more! And don’t miss out on early-bird registration.

Register before January 31 and save $55.
Key Leader

Change a life.

You meet them every day. Young people with potential. With promise. You can tell they would excel if they were given the opportunity—the chance to be noticed, to be part of something important, to lead. Now you have something to offer them; A Carolinas Kiwanis Key Leader weekend for emerging leaders. Key Leader weekends take place across the United States—and around the world. The next one in the Carolinas will be November 13 – 15 at Camp Caraway outside of Asheboro, NC. In three action-packed days, high school students from diverse backgrounds come together to learn about themselves and each other. They build self-confidence through experiences from workshops to ropes courses. They work with others to create a sense of community. Moreover, they learn what true leadership is all about—helping others succeed.

The difference can be seen in the answers to the pre- and post-camp self-evaluation survey. Survey highlights from the last event in the Carolinas are shown below.

Here is how you can get involved in Key Leader.

Sponsor a student - Your club can make a difference by sponsoring a teen at a Key Leader weekend. High school students ages 14 to 18 can take part. For $175, (Key Club $150) you can inspire a student to achieve his or her personal best through service leadership.

Reach out - Let people in your club and community know about Key Leader and the good it is doing for teens, and invite them to take part. Key Leader is a Kiwanis-family program, but membership in Key Club or other service programs is not required. Join us - Volunteering at a Key Leader weekend gives you a chance to network with your fellow Kiwanians, get in touch with the younger generation, and reinforce your own leadership values. Sign up at www.key-leader.org.

Remember next event in The Carolinas District of Kiwanis is November 13 – 15, 2009 at Caraway Conference Center, in Asheboro, NC. Questions, contact Site Coordinators Tim Horner (910) 328 – 7251, hornet@charter.net or Emily Johnson (704)883 – 8690 ejohnson@yahoo.com, Want a program for your club? Contact District Chair, James R. Johnson (704)883 – 8690 jamesjohnson@statesvillekiwanis.net.
Key Club all week

Capitalize on Kiwanis Family Month by chatting up Key Club

Do your part to make sure Key Club Week—November 2–6—starts Kiwanis Family Month with a bang. Join other Key Clubs from around the world by following these suggestions:

MONDAY, NOVEMBER 2
Show your K in every way—Show people what Key Club is all about! Spread the word by wearing Key Club gear and publicizing Key Club Week in local stores, your school Web site, community newspapers—even on the radio. Refer to the Key Club public relations manual at www.keyclub.org for examples of news releases, public service announcements and media advisories.

TUESDAY, NOVEMBER 3
Kudos to the Key players—Personally thank all the Key Club supporters you know—teachers, advisors and other Key players. Write thank-you notes, host an appreciation dinner or do something uniquely your own style to recognize the contributions of these special people.

WEDNESDAY, NOVEMBER 4
Connect the Ks—Key Club is the largest high school service organization in the world and is a member of the Kiwanis family. Celebrate the entire family of Kiwanis by getting the whole gang involved. Connect with local Kiwanis, Circle K International, Builders, Kiwanis Kids or Aktion clubs and team up for a joint service project.

THURSDAY, NOVEMBER 5
Bring a friend to Key Club—More members = more service. Increasing the amount of service Key Club performs increases the impact Key Club has on the world. Bring a friend, or two, or more to your next Key Club meeting. Download recruitment resources at www.keyclub.org.

FRIDAY, NOVEMBER 6
Your way—This is your club’s chance to do its own thing and make its mark. Pick a project, plan a recruitment party or combine activities from the other Key Club Week days. Whatever idea you choose, take it and run with it.
Great Youth Service Projects with Boys and Girls Clubs

Carolinans Kiwanians! When Governor Elizabeth asked me to serve as Youth Services Chair, I couldn’t have been more excited! As you all know Kiwanis has formalized our relationship with the Boys and Girls Clubs of America, and we are blessed in our District to have many of those organizations throughout North and South Carolina!

If you don’t already have a relationship with your local B&GCA, consider establishing one! My home club routinely volunteers at our local club!

Have you considered establishing a Builders Club at your local Boys and Girls Club! Several clubs in Division 21 are working towards that goal!

Here are some other examples of projects that Kiwanis Clubs have done with B&GCA:

1. Kiwanis Club of New Iberia held a “Quiz Bowl” for Boys & Girls Clubs of Acadiana. It involved 68 participants ranging from ages 9 to 16. Over 60 prizes were given, including Go Phones, MP3 Players, and gift certificates from Game Stop, Walmart, McDonalds and Pizza Hut. The event started at 2:00 p.m. with awards presented at the finale. Over 200 youth were present. Eighteen members of the local Kiwanis Club coordinated the event. Over 300 questions were submitted and called out by fellow Kiwanians. Soft drinks and popcorn were free to everyone at the event. Two local TV stations were present and later did a segment during their news broadcast. The event even made front page of the local newspaper!

2. Boys & Girls Club of Troy has been fortunate enough to have an over 30-year relationship with the Kiwanis Club of Troy. When the Boys and Girls Club started operating in 1977, Kiwanis designated 50 percent of the annual Kiwanis Dinner Gala to support their Club’s operations. Even though fundraising has become more difficult during these tough economic times, the same commitment remains this year. The Kiwanis Club has contributed over $400,000 during the 32-year relationship. At least one member of the Kiwanis Club has also been a member of their Board of Directors or staff for nearly all of those same years. Shortly after one of the Boys and Girls Club of Troy’s employees was hired, he was invited to become a member of the Kiwanis Club. During his 13-year membership, he assumed additional leadership roles including five years as Treasurer and President last year. Civic groups are starting to meet many challenges, including aging memberships. That Boys and Girls Club Employee turned Kiwanian firmly believes the strong relationship of the Boys & Girls Club has helped his local Kiwanis Club generate new younger members and remains one of the largest Clubs in his division. The relationship between the Kiwanis Club and the BGC is not always about money. In lieu of their weekly lunch meeting, the Kiwanis Club hosted the annual Hot Dog Day at the Boys & Girls Club this year. The money spent for their lunch meetings was used to purchase hot dogs, chips and drinks for over 250 Club kids and staff. Besides doing the cooking, the Kiwanians served up the food to everyone. This event gives them an opportunity to positively interact with our diverse population and personally understand the many challenges the kids live with day to day. In return the kids appreciate the Kiwanis Club members -- even more so when the ice cream truck arrives. The photos of the event also end up in the local paper nearly every year, making this a beneficial event for both organizations.

In addition to the Boys and Girls Club, I will be gathering information about working with the YMCA.

Please contact me if you need any assistance or Boys and Girls Club information, and thanks for all you do for the children of our community!

Rusty Pickett
Youth Services Chair
caryouthserve@bellsouth.net

Carolina Kiwanian 11
Kiwanis International Foundation

KIF and You

We have two major Kiwanis Foundations, the Carolinas District Foundation (CDKF) and the Kiwanis International Foundation (KIF). It is not the intent of either foundation to compete with the other. The combined funds from all Kiwanis Clubs to the KIF enable the KIF to conduct national and international projects on behalf of every Kiwanian worldwide that normally would be impossible for an individual club or any district to accomplish. The funds contributed to KIF normally benefit considerably more people. Our goals are the same, however, “to serve the children of the world.”

One direct way that districts benefit from the KIF is through scholarships. Districts are awarded up to five scholarships based on the per capita giving to the Annual Club Giving (ACG) campaign. These scholarships go to both Key Club and Circle K.

Here is the way the formula works:
Districts with a minimum of $5 per capita giving to the ACG campaign receive FIVE matching scholarships for both Key Club and Circle K; A minimum of $4 per capita to ACG campaign receive FOUR matching scholarships; A minimum of $3 per capita giving to ACG campaign receive THREE matching scholarships; A minimum of $2 per capita giving to ACG campaign receive TWO matching scholarships, and a minimum of $1 per capita giving to the ACG campaign receive ONE matching scholarship. Districts with less than $1 do not qualify.

Where does the Carolinas District stand in reference to being awarded scholarships?

Our past six year history:
Kiwanis year 03-04 = $3.24 per capita and 3 scholarships
  04-05 = $3.67 per capita and 3 scholarships
  05-06 = $3.81 per capita and 3 scholarships
  06-07 = $3.54 per capita and 3 scholarships
  07-08 = $4.29 per capita and 4 scholarships
  08-09 = $3.54 per capita and 3 scholarships
(Data provided by KIF)

First, we appreciate contributions by each club in the past. Second, for those clubs that did not give this past year, please consider making your annual gift to KIF a priority goal for Kiwanis year 2009-2010, and give as much as you can. For all clubs, please take a look at the table above and try to meet the $5 minimum so our district can claim the maximum number of scholarships, something we have not done in recent years.

*****

The Kiwanis International Foundation provides opportunities for donors to financially assist the Kiwanis Family in serving the needs of children locally and around the world:

* Matching grants for club and district projects that serve children. Past projects have helped provide clean drinking water, immunizations, accessible playgrounds, and pediatric medical care.
* Leadership training for youth; college scholarships.
* Disaster relief locally and globally. Past grants have assisted children who are victims of hurricanes, 9/11, tsunamis, earthquakes, and floods.

*****

On behalf of the KIF, we extend our appreciation to all of you for your efforts in serving the children of the world.

Doug Day
District Chair
Kiwanis International Foundation
We can make a difference!
Dougday1038@gmail.com
