Dear K-Family Team of the Carolinas!

Summer is almost here, and that means lots of activity for many members of the Kiwanis Family! Along with three International Conventions, many of you are having club membership campaigns, and we continue to work on new club building throughout the District.

The Kiwanis International Convention is only six weeks away, so if you plan on attending, please make your reservations soon! We are looking forward to an outstanding convention with President Paul Palazzolo, General Colin Powell, Jay Leno and Kiwanians from around the world.

In July, the Carolinas District of Key Club will be heading to Memphis for the Key Club International Convention. Key Club Administrator Scott Johnson and his Key Club Committee will chaperone two bus loads of Key Clubbers to their International Convention. And in August, Administrator Tom Currier will be leading a caravan of cars full of Circle K’ers to the Circle K International Convention in St. Louis. So, if you sponsor a Key Club or Circle K, you might want to check in with them to see if they need any support for their delegates attending International Convention.

Now on to Membership Growth! First, a big thank you to all of the clubs that have committed to have a membership campaign during the months of March, April and May. I am excited that you are accepting the challenge to grow your clubs and look forward to announcing the contest winners in early June. And for all of the clubs that make this commitment, there will be a special event at the District Convention in August, so stay tuned for more information.

There are also a number of new club building activities throughout the District, and there are many Kiwanians working on site surveys, developing prospect lists, and recruiting potential members. We would love to increase the number of Kiwanians volunteering in this area, so if you would like to join our growth team and help build new Kiwanis clubs, please let me know. And in case you have friends or family in other parts of the District who might like to join the Kiwanis family, our new club building sites in South Carolina include Bluffton, Chapin, Goose Creek, and Mauldin, and our North Carolina sites include Ashe County, Brevard, Burlington (Brookwood and Twin Lakes), Eastern Wake County, Fayetteville (Young Professionals), Snow Hill, and South Brunswick-Little River.

As always, thank you for being a Kiwanian. As I have traveled the District, I am more aware than ever of the impact you have on your communities and the children whom you serve. And I am honored to serve with you.

Elizabeth Tegza
2009-2010 Governor

“A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove….but the world may be different because I was important in the life of a child.”
Goldfish, Hotdogs and Cream Pies

What do cream pies, goldfish and hot dogs have in common? They can all be elements of a successful effort to increase your club’s membership strength! The answer seems peculiar, but I’ll explain.

As we highlight MAY as MEMBERSHIP MONTH, I hope your club is already planning something special that encourages Kiwanians to sponsor new members. Anyone in the club – whether you’re a president, past president or recently joined – can take the initiative to get the club involved in a membership campaign.

Here are three elements that have proven to be helpful in a successful membership effort:

1. Focused time-frame –
   Whether it’s five weeks or ten weeks, a definite period allows your members to keep the goal in mind with a sense of urgency.

2. Focused goal –
   A challenging and specific target motivates and develops a spirit of teamwork.
   Constantly publicize and display the goal and the progress at each meeting during the time-frame.

3. Fun –
   This is where the answer to the above question comes in.
   • Club presidents can offer to receive a cream pie in the face from every Kiwanian in the club that sponsors three new members!
   • Until he or she sponsors a new member, a randomly selected Kiwanian cares for the club’s live goldfish mascot! (You can use as many live goldfish mascots as you wish to multiply the fun and the new member results.)
   • Portion the club into teams for membership recruiting purposes. The team sponsoring the most new members enjoys an exceptional meal at a celebration meeting while all others enjoy hot dogs!

There’s no peculiar answer to why we need to highlight MAY as MEMBERSHIP MONTH or why we must strengthen our Kiwanis Club membership. When we have more Kiwanians, we can provide more service – more Terrific Kids programs, more hands to work at our clubs’ fund raisers, more help to fulfill our responsibilities of Kiwanis Family sponsorship and more smiles on the faces of children in our communities and around the globe.

For this answer and for these reasons in your community, let’s plan now to make May 2010 the most successful KIWANIS MEMBERSHIP MONTH ever!

Yours in Service,

Paul Palazzolo
International President

Carolinas Membership Campaign
Three Steps to Win

Step 1: Organize a Membership Campaign for your club.

Step 2: Fill out the commitment form.

Step 3: Return the Membership Information Form for each of your new members (with the new member add fee) before May 31. (The Membership Information Form can also be completed from the Secretary Dashboard where there is an item called "Member Management (KI)". Click on that to add members online.)

As you may have heard, May is Membership Month for Kiwanis International. And here in the Carolinas District, we have encouraged each club to make a commitment to have a membership campaign during the months of March, April and May. Two clubs will have the opportunity to win $500 each to be used by the club’s delegate to the Kiwanis International Convention in Las Vegas this June ~ the club with the highest increase in membership from March 1 to May 31, and the club with the highest increase in membership as of May 31 as a percentage of their membership on March 1.

In order to be eligible for this contest, you need to fill out the commitment form. Our hope is that every club in the Carolinas District will accept this challenge to grow its membership so that we can have more Kiwanians providing more service to more children ~ across the Carolinas and throughout the world.

Thanks to the following clubs for making the commitment:

Apex Franklin Macon County High Point Salisbury
Camden Hampstead Kernersville Tryon
Columbia Northeast Hendersonville Lenoir Wake Forest
East Cooper, Mt. Pleasant

Kiwanis International Foundation historic campaign surpasses $750,000 goal

Kiwanis International Foundation announced Wednesday that more than $750,000 was secured through the New Beginning Campaign, a lively collaboration in which Kiwanis International matched, dollar for dollar, all unrestricted gifts to the foundation! This means more than $1.5 million will bolster the foundation’s grants and programs that help underwrite Kiwanis club and district projects worldwide. Thank you to the 547 clubs and nearly 4,000 Kiwanians from all U.S. states, the District of Columbia, and 14 nations who participated in this campaign!

"The generosity of Kiwanians and Kiwanis clubs never ceases to amaze me,” remarks Paul Palazzolo, International President. “There was such superb collaboration at all levels for the New Beginning Campaign. More than ever, Kiwanis International and its foundation are partnering to fulfill the Kiwanis mission of representing the least and last of society.”

The campaign comes at a juncture when Kiwanis and the foundation are preparing to launch Kiwanis’ next Worldwide Service Project, which will be revealed on Thursday, June 24, at the 95th Annual Kiwanis International Convention in Las Vegas.

Stay in the loop. Subscribe to receive email updates about the Worldwide Service Project!

New Member Add Fee Changed April 1

The International Board has adopted the following fee schedule for new members. The new rates went into effect on April 1, 2010. This means clubs will no longer pay a flat new member fee of $50 no matter when the new member joins. The new fee corresponds to the dues, magazine and insurance a current member pays. The fee will be based upon the date the new member is entered at KI. Again, this is not DUES - but the New Member Add Fee.

The Real Definition of Kiwanis

After nearly 50 years in Kiwanis Clubs - Key Club, Circle K, and Kiwanis - I have finally discovered the real definition of Kiwanis!!!! My definition is not "we trade" or "we make noise-we have fun." We certainly do all that and with gusto. I think Kiwanis means "Hands on Service."

The proof of this definition lies in the tremendous community service provided by Kiwanis all over the world. In addition to hands-on involvement in outstanding programs such as Young Children Priority One, Key Leader, Kiwanis One Day, Read Around the World, and Bringing Up Grades, Kiwanians are also involved in Kiwanis Kids, Builders Clubs, Key Clubs, Circle K, and AKtion Clubs. With all these programs to occupy their time, one would think that Kiwanians would be content, but that is certainly not the case!!!!

To strengthen my case for my definition let's take a look at a few clubs in the upstate of South Carolina. The oldest club in SC is the Greenville Club. For 71 years this club has sponsored the 4A golf tournament, and for the last 25 years they have sponsored in conjunction with the Red Cross the "Kiwanis Learn to Swim" event. This year 308 children were enrolled in the program.

The Main Street/Young Professionals Club is involved in the Frazee Dream Center and helps with at risk kids and also helps with repairs and maintenance of the center. They are also providing meals for the families at the Ronald McDonald House and have recently formed a partnership with the Boys and Girls Club.

The Eastside Club is the title sponsor for the Mauldin Miracle League, a baseball league for children with special needs. They also participate with Upstate Safe Kids and the Car Seat Safety program. The Anderson Golden K rings bells for the Salvation Army and has developed close ties with the police and sheriff’s departments and presents "Officer of the Year" awards. The Simpsonville Club has been involved with Special Olympics for over 25 years and also provides a Christmas dinner for underprivileged kids each year complete with Santa and toys for the kids.

But the club that proves beyond a shadow of a doubt that Kiwanis means "hands on service" is the Greer Club. While their membership has dwindled, they have continued to support Terrific Kids and Key Clubs, but in addition they have sponsored in conjunction with the Greer Police Dept and Greer Family Court a "Kiwanis Drug Awareness Program" and recently added a "Kiwanis Gang Awareness Program" that affected over 5,000 school children. In addition to this they hold food drives that benefit over 400 individuals.

When recruiting a potential member, please let them know that Kiwanis is not about meeting and eating. Kiwanis is about getting involved and providing much needed service in our communities. Kiwanis truly is "HANDS ON SERVICE!!"

Kiwanis Club of Myrtle Beach celebrates “Stuff the Bus” Food Drive

The Kiwanis Club of Myrtle Beach is celebrating the success of its “Stuff the Bus” Food Drive to benefit the Help-4-Kids Program located in Garden City.

According to a news release, 60% of the students in Horry County Schools are on the free and reduced meal plan. For many of the children, their meals for the day are the ones they receive from the school programs.

During the summer, the programs aren’t there for them. The Help-4-Kids Program delivers food to over 1000 kids every week of the year to feed these children, the release said.

On Saturday, April 10, The Kiwanis Club from Myrtle Beach teamed up with Help-4 Kids for a Kiwanis “One Day” of community service at the Lowes Food Store at South Strand Commons. Area residents helped “Stuff the Bus” with hundreds of grocery bags filled with non-perishable food.

Aktion Club of Sandhills adopts Pecan Sales Project

Five children’s charities received monies from the profits. On March 1st, the membership meeting was a celebration of success as each of the selected organizations spoke and then received a check. The Carolina Children’s Home, The Early Intervention Center at Epworth Children’s Home and the Child Life Department at Palmetto Children’s Hospital each received a check for $2,000.00. Their Best Foot Forward, a project that provides shoe vouchers for children who do not have shoes to wear to school received a check for $1,000.00. Sleeping Children Around the World, the worldwide service project of Aktion Club received $350.00 which means 10 children will have a bed to sleep in.

Kiwanis, Circle K and Key Club all gathered recently at the Boys and Girls Homes at Lake Waccamaw.

The ASU Circle K sponsored a Spring Fling with duck races, face painting and music. The Kiwanis Club of Boone and the Aktion Club of Boone attended.

Kiwanis Division 17 Honors Outstanding Kiwanians

GREENVILLE, NC - April 25, 2010 - The Kiwanis Clubs of Division 17 are pleased to announce that eight outstanding Kiwanis members have been nominated for the inaugural Les Garner Award. This award was created in memory of Leslie H. Garner and in honor of his contributions to the Kiwanis family and our community.

While no one will be able to fill Les’ shoes, the recipient of this award will possess some of his many characteristics and unselfishly offer contributions to Kiwanis and the community, including raising funds for children's charities, consistently attending Kiwanis meetings, functions, and conventions, visiting other clubs, bringing joy and integrity to Kiwanis, being a Kiwanis advocate, helping to recruit others to serve, and giving of his or her own time and resources.

According to Kathryn Lennox Lloyd, chair of the event, "It is hoped that in some small way this award will help to remind the community of how Les perfectly embodied the Kiwanis Spirit.”

The nominees are Clyde Alexander, an eight-year member of the Greenville Kiwanis Club; Ed Daughtry, a 38-year member of the University City Kiwanis Club; Bruce Gray, a 15-year member of the Ayden-Grifton Kiwanis Club; Lennon Hooper, a 15-year member of the Greenville Golden K Kiwanis Club; Judi Miller, a 22-year member of the Greater Greenville Kiwanis Club; Todd Siebels, a 14-year member of the University City Kiwanis Club and a past president of the Pitt County Professionals Kiwanis Club; Ernest Taylor a 21-year member of the Pitt Golden K Kiwanis Club; and Norman Worthington a 49-year member of the Winterville Kiwanis Club.

The award will be presented at the Les Garner Award Banquet and Raffle, a fundraiser benefitting the Les Garner-Kiwanis Teen Lounge at UHS Children's Hospital.

The event will be held at 6:00pm on May 21, 2010 at the Pitt County Shrine Club. For more information on the event, or to purchase tickets, please call Division 17 Lt. Governor Eric Loy at 252-321-5811 or visit www.ncdiv17.org

90th Anniversaries

March 10th marked the 90th anniversary (to the day) that the Kiwanis Club of Wilmington, NC, Inc. has served the youth of the Wilmington community. The Kiwanians celebrated the occasion with a luncheon at the First Baptist Community Center.

Since 1920 the Club has supported their mission statement which is to offer service and leadership opportunities to those who desire to serve the needs of children, youth and adults in our community. Some of the programs supported by the Club’s philanthropy and volunteering are: Cape Fear Community College Foundation, UNC-W scholarships (to date over $175,000. in scholarships have been awarded), Brigade Boys and Girls Club, Circle K Club, UNC-W, Key Club of New Hanover High School. Generous contributions have been made to Mother Hubbard’s Cupboard, Cribs for Kids Program and many other initiatives.

Marjorie Way, President, recognized special guests and then handed over the program to anniversary committee chair, Jim Stasios, who introduced 5 Kiwanians that gave an overview of Club history. They traced Club history from 1920 to the present and related significant and achievements over the span of 90 years. The Club has been supporting the Brigade Boys and Girls Club since 1920. During its early years club members played a public role in the development of the New Hanover Memorial Hospital, Wilmington College, later UNCW and the Azalea Festival. Presenter, Joe Reeves, stated that $200,000 was contributed in the support of the youth in our area from 1920 to 1950.

The Kiwanis Pancake Day began in 1971 and continues today as the club’s major fund raiser for its benefactors.

In 1994 Kiwanis launched its first worldwide service project in partnership with UNICEF to eliminate iodine deficiency disorders. The Wilmington Club has received the Kiwanis Internation Foundation Honor Club Award for contributing over $40K from its members to the project.

The cutting and serving of the Kiwanis anniversary cake, was a symbolic tribute, not only to the last 90 years, but offers a challenge to Kiwanians to continue serving the needs of children, youth and adults in the Wilmington community to reach a century of service --and beyond.

Builders Club Retreat = Success

The retreat, April 23-24 at Camp Weaver was a roaring success. The camp is beautiful and is undergoing considerable upgrading for our retreat next year, April 25-26. The builders had a great time participating in team building projects, a service project, "Beads of Courage", great meals, very modern cabins, meeting new friends, and just plain fun in the kayaks and on the zip line. You should have seen the teachers and parents who braved the zip line! I am including excerpts from a message from John Gibbs, Kiwanis advisor for Jamestown Middle School. Jamestown MS participated in every contest and was successful in winning in every category. Congratulations for a job well done.

Dear Kiwanis Family,

The Jamestown Middle School Builders Club attended the retreat at Camp Weaver, and we celebrated their achievements. The Builders Advisors, Faculty Julie Galuski, and Parent Donna McLamb were recognized among the group for their dedication to the Jamestown Builders by Clyde Alexander, Carolinas District Administrator. I want to add that in the third year of the JMS Club and under their influence and direction, the Builders have held more projects than any previous year and have been recognized as a Builders Club of Distinction, the highest level of recognition.

The Ronald McDonald House of Winston Salem was chosen as part of the Camp Weaver service experience. The supplies needed by family members staying at the house during their children’s hospitalization were given by District Builders Clubs, Gate City Kiwanis and the Jamestown Builders. The items are valued at over $400.

Jamestown Builders are blessed with many wonderful leaders. Twenty-five builders participated in contests for leadership development. This year they competed in every contest available and I am proud to say that the JMS Builders were awarded the District Winners in all five categories. The JMS Builders Publicity Committee submitted entries for "Scrapbook" and the "Builders Book" and were awarded the District winners.

The Builders will have completed 17 projects by year end. Sam McLamb, representing the JMS Builders Club, entered the contest for service to community. Sam and the club decided to submit the Builders project in support of Horsepower and their Ride-a-Thon competition for riders with disabilities and won.

This year JMS Builders had four enter the speech contest. 6th graders all, Iqra Islam, Madison Cottrell, Alex Stanco, Joshua White managed their time and entered this contest. I am pleased to announce that Madison Cottrell was named as the District winner. We are thankful to our great 6th graders who have an exciting future in service!

The final contest is for the Kiwanis International Foundation Leadership award. JMS is blessed to have many leaders who have become JMS nominees for this award. Sam McLamb was named the Carolinas District Leadership award recipient for the second consecutive year. We are extremely proud to have Sam represent JMS and the Carolinas District Builders at Kiwanis International Foundation awards later this year.

Sincerely,
John Gibbs, Gate City Kiwanis Service Leadership Advisor
