Dear K-Family Team of the Carolinas!

“Summertime, and the livin’ is easy.” Well, I don’t know about easy, but it sure is busy! And summertime for a good number of us in the Kiwanis Family means exciting Kiwanis travel opportunities ~ two International Conventions down and one to go!

Earlier this month, two bus loads of Key Clubbers and Kiwanians took off for Memphis to attend the Key Club International Convention. Fifty-one Key Club members, 15 Kiwanians and two excellent bus drivers headed first to Atlanta, where we had a blast at Six Flags and took in a Braves game on the 4th of July. Next we visited the Jimmy Carter Presidential Library and the Georgia Aquarium. Then we arrived in Memphis, where we had some great barbeque at Neely’s, went to the Memphis Zoo, toured Graceland (no, Elvis was not home!), and visited the National Civil Rights Museum. And then ~ Convention! The Carolinas District was well represented and won a number of awards, including a Distinguished Governor award for Past Governor Turner Bowman. Will Robertson, a former Key Club District Lt. Governor, was elected to a second term as an International Trustee. International Convention is an exciting opportunity for our Key Club members, and we should be very proud of Governor Brinson Mitchell and the entire delegation for their participation in all of the workshops and sessions.

And in just a few weeks, Circle K Governor Jacqui Moskel will be leading a delegation to the Circle K International Convention on the campus of Washington University in St. Louis. In addition, Minerva Thai, VP of Duke Circle K, is serving as Chair of the Circle K Large Scale Service Project which occurs right before Convention and which will take place at sites all over St. Louis.

I continue to be amazed at the amount of service the younger members of the Kiwanis Family give to their communities as well as their dedication to our organization. As I travel the Carolinas and the country with our Key Club and Circle K members, I am convinced that they are some of the finest young people I have ever had the occasion to know. They are just as dedicated to service as we are, and they appreciate the leadership opportunities that Kiwanis provides for them. These young leaders are the best reason I know for Kiwanis to grow, so that we can continue to support them as they develop into the leaders of tomorrow. Building new Kiwanis clubs will give us the opportunity to build more Key Clubs, new Circle K clubs, more Builders and K-Kids clubs, and new Aktion clubs. And the time to get started is Right Now!

As always, thank you for choosing to be a Kiwanian.

2009-2010 Governor

Carolinas Membership Campaign
Three Steps to Win

We're in the final stretch of our membership contest for the District Convention -- but it's not too late to join in the fun! (All those that committed to the prior contest for the International Convention are automatically entered.) Same rules apply but the timeframe is June 1 through July 31. The winners of this stage will receive a $250 grant to our convention at the Spartanburg Marriott.

Step 1: Organize a Membership Campaign for your club.

Step 2: Email the District Office that you’re interested in the membership campaign contest.

Step 3: Return the Membership Information Form for each of your new members (with the new member add fee) so that Kiwanis International receives them by July 31. THIS DOES NOT MEAN POSTMARKED BY JULY 31. (The Membership Information Form can also be completed from the Secretary Dashboard where there is an item called "Member Management (KI)". Click on that to add members online.)

Don’t understand where to add the new members online? Download instructions here!

Kiwanis News

Lifetime Achievement Award

Melton McLaurin, a member of the Wilmington, NC Kiwanis Club, was recently presented the Star-News Media Lifetime Achievement Award. Dr. McLaurin, retired University of North Carolina - Wilmington professor, is a lifelong student of history. McLaurin, who grew up in the segregated South, brought his personal experience and passion for history into his teaching. His research into the 1898 Wilmington race riots, his account of growing up in a segregated town - “Separate Pasts: Growing Up in the Segregated South”, and his book and documentary of the Montford Point Marines – a unit of African-American Marines who served during World War II – shed light on these important pieces of North Carolina history and ensured that they will be shared with future generations.

The Star News also honored another Wilmington, NC Kiwanian with a Lifetime Achievement Award this year. Herb McKim Sr. was a noted architect, a former mayor of Wrightsville Beach, a proponent of desegregation and better race relations, a life-long volunteer and member of numerous community service organizations in the Wilmington area. He was a member of the Wilmington Kiwanis Club for fifty-five years. Mr. McKim passed away in March of this year.

New Member Add Fee Changed April 1

The International Board has adopted the following fee schedule for new members. The new rates went into effect on April 1, 2010. This means clubs will no longer pay a flat new member fee of $50 no matter when the new member joins. The new fee corresponds to the dues, magazine and insurance a current member pays. The fee will be based upon the date the new member is entered at KI. Again, this is not DUES - but the New Member Add Fee.

Carolina Kiwanian 5
Division 17 Presents Inaugural Award to Todd Siebels

The Les Garner Award was presented to Todd Siebels of the University City Kiwanis Club on Friday May 21 at the Pitt County Shrine Club. The award was part of the Les Garner Award Banquet and Raffle, a fundraiser benefitting the Les Garner-Kiwanis Teen Lounge at UHS Children’s Hospital.

The Garner Award is to recognize those who unselfishly offer contributions to Kiwanis and the community, including raising funds for children’s charities, consistently attending Kiwanis meetings, functions, and conventions, visiting other clubs, bringing joy and integrity to Kiwanis, being a Kiwanis advocate, helping to recruit others to serve, and giving of his or her own time and resources.

Among Todd Siebels achievements:

- Has been a member of the University City Kiwanis Club since 1996, is a charter member of the Pitt Professionals Club, and founder of the community Aktion Club
- He has served as Charter Vice President, President, and Board member of Pitt Professionals Club; Board Member, Newsletter Chair, and Partners-for-a-Day Chair of University City Club; Division 17 Lt. Governor; and Public Relations Chair for Carolinas District
- His other Kiwanis accomplishments include being a distinguished member of 2 clubs, Distinguished President with Pitt Professionals, Distinguished Lt. Governor, recipient of Hixson Award, and Kiwanian of the Year with University City.
- His service includes participation in the Aktion Club Heart Auction, Santa Project, Pancake Day, Peanut/Pecan Project, Kiwanis One Day, Special Olympics, Partners-for-a-day, and he is instrumental in photographing and videoeing Kiwanis events and projects.

Those who nominated him state that “Todd is quick to brighten a room with his warm laughter and even quicker to point out someone else’s positive attributes while downplaying his own. He is truly an ambassador for Kiwanis everywhere he goes.”

The other nominees included Clyde Alexander, an eight-year member of the Greenville Kiwanis Club; Ed Daughtry, a 38-year member of the University City Kiwanis Club; Bruce Gray, a 15-year member of the Ayden-Griffon Kiwanis Club; Lennon Hooper, a 15-year member of the Greenville Golden K Kiwanis Club; Judi Miller, a 22-year member of the Greater Greenville Kiwanis Club; Ernest Taylor a 21-year member of the Pitt Golden K Kiwanis Club; and Norman Worthington a 49-year member of the Winterville Kiwanis Club.

According to Kathryn Lennox Lloyd, chairwoman of the Garner Award, “It is hoped that in some small way this award will help to remind the community of how Les Garner perfectly embodied the Kiwanis Spirit.” Will Sneed, chairman of the Les Garner-Kiwanis Teen Lounge project, noted that since October of 2009 the Kiwanis division has raised around half of its $30,000 commitment to fund the Les Garner-Kiwanis Teen Lounge.

Key Leader Testimonial

I had a life changing experience in the fall of 2008, when I was suckered into chaperoning my first Kiwanis International Key Leader weekend at Camp Weaver. Since then, I’ve participated in Key Leader weekends at Camp Wiley and at Camp Caraway – and enjoyed suckering others to come along for the ride. For those that don’t know, Key Leader is a student/facilitator led weekend retreat that inspires young people to achieve great things through service leadership. The retreat centers on the core values of integrity, growth, respect, building community and the pursuit of excellence.

I’m continually humbled and inspired meeting the teens during these weekends. Teens like Dana, valedictorian of her class, unsure if she would apply for college until we talked to her about scholarships and ways to overcome financial obstacles (and I may be guilty of confirming her belief that App State is the best college ever). Teens like Steve, so scared of failing that he wouldn’t even try some if the icebreaker challenges – that is until I jumped in like an idiot and tried - and failed, three times, mind you - before accomplishing the task myself. I’ve met “privileged” teens, “at risk” teens, teens that had babies of their own – and despite all their differences, I’ve watched as each one has grown and walked away with a common set of leadership skills and core values that benefit them for years to come. You simply cannot walk out of a weekend like that unchanged!

Since its inception in 2005, Kiwanis International’s Key Leader has held over 226 Key Leader weekends, impacting over 11,000 teens in 38 US states, 4 Canadian provinces and 4 other countries. If your Kiwanis club sponsors a Key Club, please consider sending one or two students to the next Key Leader event in the Carolinas District.

KIWANIS INTERNATIONAL FOUNDATION
“OUR FOUNDATION”

Doug Day, District Chair, KI Foundation

As the fund raising arm of the Kiwanis family, the Kiwanis International Foundation is the source of funding that underwrites initiatives undertaken by Kiwanis around the world.

From the humble beginnings in 1939, the Foundation has become a catalyst and a conduit for grants to thousands of Kiwanis family organizations and programs. Each Kiwanian worldwide is a member of the Kiwanis International Foundation; the strength of the Foundation is linked to every person proud to be called a Kiwanian.

The Foundation’s primary source of income is philanthropic support from individual members and clubs of Kiwanis International. The Kiwanis International Foundation seeks to balance the meaningful philanthropic efforts of clubs and districts with broader and longer term perspective. The Foundation undergirds club and district efforts with endowments funds that provide a base of fiscal and organizational stability.

Kiwanis International’s on-going commitment to the world’s children is perhaps best reflected in its wide range of initiatives for youth, young adults and citizens with disabilities. Kiwanis serves the children of the world through the following: Key Club International, the world’s largest high school service organization; Circle K International is among the largest university service organization in the world; Builders Club provides junior high students to help others, serve the school and community and build a positive future; Aktion Club, made up of adults who live with a disability develop initiative and leadership skills as they serve their community and prepare for useful citizenship; K Kids are children 6-12 and can incorporate the BUG (Bring Up Grades) program, and Terrific Kids, a goal oriented program.

The Key Leader program was founded in 2004 for high school students to give them an exciting, intensive weekend leadership experience and world education projects. Each year thousands of educators, students and administrators across the globe seek to meet educational needs through philanthropy. Such needs include computer equipment in Romania, educational operational program funds in Switzerland, student scholarships in Japan and the United States, classroom renovation and construction in the Philippines, books and classroom in Africa and class room teacher salaries in Latin America.

There are other critical projects throughout the world that need and receive our assistance, both operational and monetarily.

All of this proves that we can change the world, one child and one community at a time.

With The ELIMINATE Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of 60,000 innocent babies and 30,000 mothers each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth by 2015, 129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take $110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.

Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders, achieving one of the most significant public health successes of the 20th century. Now, they are eliminating MNT from the face of the Earth. And in doing so, the project will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families.
