Dear Kiwanians,

I have a service project for all hands of the Carolinas Kiwanis Family to work on together as a team: a Large Scale Service Project that is inexpensive, provides for a flexible schedule, allows multiple layers of secondary opportunities including membership and promotion of Kiwanis. Saturday, April 2, 2011 for Kiwanis One Day, I would like our K family members to work together to provide a Spring Activity Basket to every child in every hospital within our states. I believe this goal is measurable, attainable and reasonable. There are 342 medical sites in North and South Carolina. Many of these sites do not offer children's services. Therefore the ratio of site per club should be less than one per club. All clubs could begin this process by contacting their local hospital and speaking to the person in charge of the pediatrics floor. Invite the new contact to a meeting, talk about this project and set up details like when to finalize basket decisions.

I have spoken to many clubs and have had positive feedback pertaining to the overall objectives and implementation. Many clubs have already made the contacts and set plans into motion. We can grow by building new clubs in new areas and by saving the clubs that are disbanding. Our club count in the future could grow by reaching out and targeting a market without Kiwanis. This project would extend our service level at an inexpensive cost plus provide us new exposure. A few phone calls to a local hospital where Kiwanis does not exist is a way to meet the President or director of the medical service providers, as well as their nurses and administrators who could potentially be members of a new Kiwanis club. The sponsoring club could make contact with the Mayor, the Fire and Rescue Squad, the YMCA, and the School Superintendent as well as a few retailers who could provide basket supplies, if the reception to a new club is warm. Please contact your Lt. Governor if you are interested in expanding this project to a hospital in an area outside your jurisdiction to help sponsor and build a new club.

Please focus on the teambuilding aspect of this project. I am requesting that every local Kiwanis club to work together with their service leadership programs (SLP's) to determine who could help and who would be responsible for the separate functions of the project for each medical site. Kiwanis Lt. Governors would coordinate hospital coverage and direct services as needed to cover new or open markets.

Kiwanis and SLP local clubs could divide the responsibility to serve each hospital and hospitals in adjacent areas where Kiwanis is not represented. Consult your Lt. Governo with issues. Trustees and Lt. Governors will consult and recommend options if necessary. There are 256 medical sites in NC and 86 medical sites in SC; many are VA's and addiction clinics and probably will not have any children to serve. To be clear: Lt. Governors will handle the divisional operational aspects of the oversight and implementation. Clubs would ensure baskets are made and distributed on April 2.

Please notify your Lt. Governor and inform the district what hospitals are being covered by your club. The Kiwanis One Day Committee will cross reference the list versus the overall states list and adjust accordingly. There are several clubs that committed to cover an additional hospital. I would like to finalize the listing during the forum being held Saturday morning of the Mid-Year Conference.

Thank you for your efforts in completing this project; our children in our communities will benefit.

WILL YOU be part of the success story? What part will you play? Make your story glorious to spread to future generations, much like our proud history of successful service projects; it is our foundation for progress.

**Membership**

**Improve your Club**

Changing the world may start with improving your own club. You can lead the way to a strong, vibrant club by deepening your members’ connection to the Kiwanis mission and preparing your club for sustainable growth. Children around the world have the need, and people right in your community have the desire. By creating a dynamic Kiwanis club, you can bring them together. These tools will help get you started.

**Achieve club excellence**

To know where you’re going, you have to know where you’ve been and where you are now. The Club Excellence Tool is a blueprint for identifying strengths you can build on and opportunities you have for improvement. Using the online version of the Club Excellence Tool, your club will have an honest assessment of club strengths and weaknesses—plus a list of tips and tools to improve in any areas that need attention. To use the Club Excellence Tool online, get your club’s login ID from the club secretary and have all members of the club take the survey within a given time period.

**Plan your club’s success**

Establish goals for the year, track club trends, and take steps to improve the club experience for your members. The Planning Your Club’s Success brochure includes easy-to-complete forms to help you outline your strategy.

**Get the resources you need**

People join Kiwanis to help children and improve the world. Give members what they want! Help your club right now with the Kiwanis Resource Booklet—a complete listing of free printed material for membership growth, member retention, marketing, public relations, and more. Check out these helpful resources, too:

- **Community Analysis** A guide to help you ensure your club’s projects and services are still needed and identify new initiatives your club can support.
- **Exit Interview** A questionnaire for departing members that will help improve your club.
- **New Member Survey** A questionnaire for new members to help improve the club experience.
- **Roster Analysis** A tool to help you focus recruitment efforts in your community.
