Dear Kiwanians,

I can’t believe how time flies. It seems like only yesterday that we all got together in Cary, yet it’s been a little over three months. Since then I have been blessed to visit a number of clubs and attend a number of great events to celebrate the chartering of a new Kiwanis club, an awards night to recognize the great achievements of many Kiwanians, and the Boys and Girls home on NC to pick pecans. I also attended this year’s fall rally for Key Club and Circle K members where we had record attendance of over 2,200 students. I also attended my first Wooly Worm Festival in Banner Elk. If you have never been, I strongly recommend you put it on your calendar. Over 15,000 people racing over 3,000 Wooly Worms and raising over $50,000 for the Banner Elk Kiwanis Club to distribute to the community.

It’s now time for all of us to think about our MidYear Conference. This year it will be from Feb 15-17 at the Hilton Hotel in downtown Wilmington. I really hope everyone will make a big effort to attend. We are making significant changes to the event. I believe that we owe everyone that attends motivation, inspiration, education, recognition, and most importantly, fun. With that in mind, we are having a motivational speaker, some great forums, an opportunity to spend some time with our Key Club and Circle K board members, along with some other fun things. Most importantly, since this is the first time in a very long time since we have been to Wilmington, we have arranged the schedule to give everyone free time from 1:00 pm to 7:30 pm on Saturday to enjoy Wilmington. We will have tours scheduled along with an opportunity to go to the Boys and Girls Home of NC to see first hand what Kiwanis does for this great organization. We will also offer CLO training, absolutely free, on Friday afternoon.

I hope to see a lot of you there and I’ll do everything to make it worth your while.

Yours in Kiwanis Service,

Tom Currier
Governor
Kiwanis Club of Greensboro Delivers Dictionaries

In November, The Kiwanis Club of Greensboro delivered dictionaries to the 3rd graders of Washington Elementary School, and to 2,000 additional students at another 23 of the Guilford County elementary schools. It purchased the dictionaries through The Kiwanis Club of Greensboro Foundation, funded by club members.

The Kiwanis Club of Greensboro began this annual club project 11 years ago, by donating and delivering new dictionaries to individual 3rd graders in the Guilford County Schools. The project now serves all 5,500 3rd graders in the 71 Guilford County elementary schools, and requires the participation of 4 other local Kiwanis clubs.

This club literary project emphasizes to local elementary children the importance of reading and comprehending the English language, and encourages a wider vocabulary by providing each student with his own personal dictionary.

More Fun, More Service, More Members

Region 3 is celebrating the Governor’s visit on Saturday, January 5, 2013 at Guilford Technical Community College. Governor Tom Currier and Kiwanis International Area Director Rhonda Vrell will discuss ways to recruit new members, energize a club, make meetings both meaningful and entertaining, and make us all better Kiwanians.

The Lt. Governors of Divisions 5, 8, and 9 will have additional information to share with each club in the next few days. We would love to have at least one member of every club in the Region take advantage of this great opportunity.

The Clemmons Kiwanis Club met for their annual installation dinner on Friday, November 9. The club surprised Dick Winn of Clemmons with a “Distinguished Kiwanian” plaque for his numerous years of loyal service.

Sue Hendricks
Carolinas District Trustee, Region 3
It is with great pleasure that I announce my candidacy for the office of Governor-Elect. I first was involved with Kiwanis in the mid 1960’s when I played on the Kiwanis sponsored Little League baseball team in my hometown of Shelby. I joined the Kiwanis Club of Fayetteville in 1995 and am proud to say that I have had perfect attendance every year I have been a member. I am proud of this accomplishment because that means I have served the children of Fayetteville and Cumberland County. Those children are our future and it is important that they have every opportunity to succeed in life so they can make our world a better place.

I became active in our Club from the outset, served on the board, chaired various committees, was elected President Elect in 2001-2002, and became President in 2002-2003. At that time I began to attend Carolinas District and International conferences and conventions. I was amazed at the large scope of work Kiwanians do in the two Carolinas and all over the world. I realized that Kiwanis was much larger than the 223 members of our Club and even the 9,000+ members in the Carolinas District. I am still amazed at the amount of service Kiwanis provides to the children of the world and I am honored to be a small part of that service. I was fortunate to earn Distinguished President due to the support and commitment of our Club.

During my years as President Elect and President I attended and participated in Division 11 President Council meetings and activities. I met some of the most genuine and dedicated Kiwanians in the Clubs of our Division. At that point I was hooked. I was nominated as Lt. Governor Elect in 2005-2006 and was honored by their vote. I served as Lt. Governor in 2006-2007 with Governor Bill Yarborough. I had a wonderful experience as I learned much more about the inner workings of the Carolinas District and made a large number of true friends within the Division and District. Because of the high level of quality Clubs we have in Division 11 I was honored as Distinguished Lt. Governor. I was also selected as Lt. Governor of the Year, which was a total surprise, but one I cherish to this day because it was selected by the District leadership.

Since my year as Lt. Governor I have become more active in the Carolinas District serving as the chair of the Boys and Girls Homes Committee and the Finance Committee. I served on the Committee to Restructure the Board and served as the first Region 5 Trustee. I also chair the 50th Anniversary Legacy Fund Committee to raise money to sustain our Kiwanis Cottage at Boys and Girls Homes for years to come.

The Carolinas District is respected as one of the best within the Kiwanis International family but we continue to have our challenges/opportunities. The opportunities ahead of us are: membership growth, outreach to schools for more Service Leadership Programs and the chartering of more Aktion Clubs.

These are great opportunities, but with the continued support of you and others we can make these opportunities a reality. If I am elected, I look forward to working with each of you to continue to keep the Carolinas District moving forward.

Yours in Kiwanis Service,

Gary Cooper

Club Newsletter Contest
It is time once again to submit copies of your club newsletter to the district office for this year's grading and competition. Please mail at least one example of your club's newsletter for each quarter in 2011-12 (Quarter 1: Oct—Dec 2011, Quarter 2: Jan—March 2012, Quarter 3: April—June 2012, Quarter 4: July—Sept 2012) to the district office.

Grading will take place prior to the MidYear Conference and the winner will be announced during the conference. The district will evaluate newsletters according to this checklist.

INTERCLUB PATCH
If a club completed an interclub with every club in its division, and completes the information on their monthly report forms, then the club will receive an Interclub Patch.

OUTSTANDING PRESIDENT AWARD
Of all the Presidents in a division, this award will only be given to ONE OUTSTANDING President per division. These Presidents will be recognized at the MidYear following their year of service. Of all the OUTSTANDING DIVISION PRESIDENTS, one will be chosen as the OUTSTANDING CLUB PRESIDENT for the entire district and will be recognized at the District Convention following his/her year of service.

Criteria:
- Club must be distinguished
- Club had a net gain in membership
- Club had constant communication to members through a newsletter or email at least quarterly.

The President must have:
- Recruited two members
- Attended at least two div council mtgs

Once a Club and its President meets these criteria, an essay should be submitted to the Lt. Governor about the Outstanding Club President (in the event of more than one President achieving the five criteria listed above). Ideas to include in the essay:

Did the club begin a new service project that brought the club closer together under the leadership of the President?
Was there a "special event" this leader began?
What was special about this President?

The Lt. Governor will then submit the name of the Outstanding Club President to the District Office along with the essay so that one may be chosen as the OUTSTANDING CLUB PRESIDENT of the entire district.

HERB HENNIG AWARD
The Herb Hennig Award is given to an outstanding club secretary. Clubs can nominate an outstanding secretary by sending a written explanation why they feel the secretary is deserving of the award.

Clubs should send to their Lt. Governor substantiating letters from Kiwanis leaders, such as past club presidents, and should also have letters from others in the community who could substantiate the secretary's service to the community and to Kiwanis. Lt. Governors are responsible to acquire nominations from the clubs in their division. The Lt. Governor then selects one out of all the nominations received and sends it to the District Office of the next administrative year.

The District Achievement Committee then considers all nominees for the award and selects one. The chosen secretary is usually presented the Herb Hennig Trophy at the MidYear Conference.

Click here to download the Division Project Award Form.

Interclub Award & Patch
The Kiwanis Club in the Carolinas District having the best interclub visitation record during each administrative year will be recognized and will receive an award at the MidYear Conference held during the next administrative year. The Achievement Committee will choose the winning club at the end of the Kiwanis year by evaluation of the Interclub Report submitted by clubs. If clubs have submitted all monthly reports for the 2011-12 year, the information will be taken from them. However, a club may also download and submit this form if the reports were not completed.

INTERCLUB PATCH
If a club completed an interclub with every club in its division, and completes the information on their monthly report forms, then the club will receive an Interclub Patch.

OUTSTANDING PRESIDENT AWARD
Of all the Presidents in a division, this award will only be given to ONE OUTSTANDING President per division. These Presidents will be recognized at the MidYear following their year of service. Of all the OUTSTANDING DIVISION PRESIDENTS, one will be chosen as the OUTSTANDING CLUB PRESIDENT for the entire district and will be recognized at the District Convention following his/her year of service.

Criteria:
- Club must be distinguished
- Club had a net gain in membership
- Club had constant communication to members through a newsletter or email at least quarterly.

The President must have:
- Recruited two members
- Attended at least two div council mtgs

Once a Club and its President meets these criteria, an essay should be submitted to the Lt. Governor about the Outstanding Club President (in the event of more than one President achieving the five criteria listed above). Ideas to include in the essay:

Did the club begin a new service project that brought the club closer together under the leadership of the President?

What was special about this President?

The Lt. Governor will then submit the name of the Outstanding Club President to the District Office along with the essay so that one may be chosen as the OUTSTANDING CLUB PRESIDENT of the entire district.
Kiwanis International to recognize Sarah McLachlan with the 2013 World Service Medal

Music is a passion for international singer and songwriter Sarah McLachlan, and next year she’ll be honored as the 2013 recipient of the Kiwanis International World Service Medal for her dedication to music education. The medal will be presented in June at the 98th Annual Kiwanis International Convention in Vancouver, British Columbia.

The Sarah McLachlan School of Music in Vancouver provides music education to underserved and at-risk youth at no cost. The school is dedicated to helping young people build community and find their voice.

“When I was growing up, we had music in our schools. It was a given. These days, many of these programs are not available. I don’t know what I would have done without music in my life when I was growing up,” McLachlan says. “I was unpopular and picked on, but for me, music was my refuge and solace—the one thing I knew I was good at; it fed me and kept me going.”

During the convention’s closing session, McLachlan will accept the award, speak and sing for the convention attendees. Performing at a Kiwanis event is not new to McLachlan. In 1987, she took first place at the Nova Scotia Kiwanis Music Festival.

Sparked by the influence of music in her life, McLachlan dreamed of opening a music school for inner-city youth. Her dream first took shape with the creation of The Sarah McLachlan Foundation in 1999, and in 2002, she launched a free after-school music program. Since then, more than 700 students have received instruction in piano, guitar, percussion, choir, voice, songwriting, student bands and sound lab.

In 2010, her foundation received a donated building from the Wolverton Foundation, allowing the foundation to create a permanent music school, the Sarah McLachlan School of Music.

The World Service Medal is presented annually at the Kiwanis International convention, being held next in Vancouver. One medal is awarded each year to an individual or organization working to improve the quality of life for children. Previous winners have included actors and humanitarians Sir Roger Moore, Audrey Hepburn and Jamie Lee Curtis; First Ladies Nancy Reagan and Rosalynn Carter; and organizations Heifer International and Sleeping Children Around the World.

Carolina Kiwanian 11
Leah,

Thought I would update you on our Membership Drive Luncheon today. It was a great success!! We had six guests, which for a club of 23, is pretty respectable (26%). One of the guests was a repeat guest who arrived with his application and check in hand, an unexpected pleasure. And (oh, by the way) a Key Club alumnus. We are continuing our membership drive through the 31st of December when we'll tally up the scores of our teams and see which is the winner. We've randomly divided the club into two teams. We give the team one point for each member who attends the weekly meeting and a half a point bonus if he/she is wearing their Kiwanis pin. We award two points for each guest brought to a meeting and three points when a guest submits an application. Learned about this competition at the Membership workshop at the last District Convention. I added the half a point bonus just because we needed incentive to wear our pin and show pride in our organization. Seems to be working...when we started only 2-3 of us wore our pin. Now we are averaging 70%.

Our goal by the end of the year is to equal or better Governor Tom's stated goal for new membership (10% would be 3 new members since 2.3 would be frowned on). With our applicant today, which the Board has already approved, we are 1/3 of the way to that goal in less than 2 months of the year.

FYI - Attached is a copy of the program we followed and the details of the agenda.

Aktion Club Penny Drive Donates $750

November 27, 2012

Dear Mr. Rieke,

Thank you for your support and willingness to help The Salvation Army provide assistance to those in need in Charlotte, NC by providing $750 to our programs and services. We greatly appreciate your generosity.

The Salvation Army works hard to meet the needs of an individual, while you work hard to ensure that we have what is necessary to do that. The Salvation Army relies on individuals like you to ensure that we are able to continue to “fight the good fight.” You are truly the army behind The Army.

Thank you again for your support of The Salvation Army. God bless you.

Sincerely,
Hugh R. Mathis, Divisional Resource Development Director, North and South Carolina Division

KEY CLUB

Resolution: Save over 133,000 lives before New Year’s Eve

At Fall Rally a Kiwanian matched Key Club's MNT donation of $35,531.03.

Even after this great donation, for this school year, the bar has been raised. There is a perfect opportunity to raise over $200,000 saving another 133,000 lives, which is more than the population of Wilmington, NC or High Point, NC.

- If every Key Club would generate $10 per member for MNT by December 31, this would generate $120,000. In order to encourage this, generous Kiwanians have made it possible to have a drawing among every member of every Key Club that is successful in generating $10/member before New Years. The winner drawn will get a new I-Pad, and the president of the winner's Key Club will also get a new I-Pad.

- Also, all funds raised by the Key Clubs prior to Dec. 31, 2012 will be matched. That, potentially is another $120,000, giving us a total of $240,000.

- NEW: The president of the club that generates the MOST FUNDS for Eliminate before December 31 will also get an I-Pad.

Help your key club and close to a quarter of a million dollars would be raised saving many people.
We have exciting news to share about the status of The Eliminate Project in the Carolinas District. We have now exceeded over $1 million in gifts and pledges, and were the second District to reach that milestone. As you know, The Eliminate Campaign goal is to raise $110 million in gifts and pledges by 2015, and we are well on our way. Here are the current fundraising totals for Kiwanis and the Carolinas District:

If your club has not had an Eliminate Presentation and you would like to schedule one, please contact Tom Dimmock or Elizabeth Tezza, and we will forward that request to the appropriate Region and/or Division Coordinator. In addition, one of our goals is to have an Eliminate Club Coordinator, or contact, for every club in the Carolinas District. If your club does not have a coordinator, please consider appointing one and send the name and contact information to Elizabeth Tezza so that person can be added to our District mailing list.

District Coordinators:
