HAPPY NEW YEAR!!!! I hope everyone enjoyed their time with family and friends during the holidays.

I am so excited about 2015 and all the milestones that will happen this year. Kiwanis turns 100 years old and 13 of our Clubs will celebrate their 95th birthday as well as 34 other Clubs will be celebrating significant birthdays that end in 0 or 5. On January 26th we will officially charter our newest Club, the Kiwanis Club of Roanoke Island. But based on the due diligence of our Regional Trustees and Lt. Governors we have the opportunity to charter many more new Clubs this year. Where will our next new Club be - Goose Creek, Brevard, Clayton, Pleasant Garden, Morehead City or Yadkinville? We owe it to the children in these communities to make sure we have Kiwanians to serve their needs. As a reminder here are our goals to achieve this year.

Cultivate – Help us establish new Clubs in areas we currently do not serve. Give yourselves a 100th birthday present by finishing the year at least +1 in membership. Volunteer to be a part of the Formula Team. Love It. Share It. Live It.

Eliminate – If you have not pledged to rid the world of Maternal/Neonatal Tetanus please do so NOW because we want to complete our $3.5 million goal by the MidYear Conference.

Celebrate – Plan a special 100th Anniversary fundraiser, service project, banquet or all three. Strive to be a Distinguished Club as a present to yourself for our great milestone.

Liberate – When each Club contributes at least $500 to the Kiwanis Cottage 50th Anniversary Legacy Fund Campaign we will make sure that the Kiwanis Cottage is operational for perpetuity. Click here for the brochure.

I hope you have signed up for the MidYear Conference being held February 6-8 at the Embassy Suites in Myrtle Beach. If you have not, do so now because we have special entertainment for Friday night: the 82nd Airborne Division All American Chorus from Fort Bragg. If you have never heard these great Americans, they are absolutely fantastic and put on a GREAT show. If you have heard them, you know how special they are and to be able to hear them again is a blessing. We are also planning a District Service Project for Saturday afternoon to honor our 100th Anniversary.

Make plans now to join Debbie and me in Indianapolis from June 25-28 for the 100th International Convention that will be the convention of all conventions. Stan Perry is currently planning a special evening for the Carolinas District dinner so WE can get together to dine and fellowship and enjoy the beauty and ambiance that Indianapolis has to offer.

TOGETHER we can make a difference in our communities, the world and in the lives of the children we serve. While we serve, always remember to have FUN.

As always, thanks for all y’all do for Kiwanis and the youth we serve.

Yours in Service,
Coop
HIGH POINT — In 1924, about $850 was collected for the first Christmas Cheer toy giveaway. [On Saturday December 13], 90 years later, about $30,000 was spent on toys for more 1,350 children of High Point.

The Christmas Cheer Fund, which has been organized by the Kiwanis Club for the past 19 years, gives gifts to children in need who have been identified by the Guilford County Department of Social Services. Parents and guardians were invited to pick up bags of toys, customized by certain gender and age, on Saturday at Mount Vernon Baptist Church.

The Kiwanis Club has been researching and buying toys, talking to vendors and working to raise money since the beginning of the year, said Ed Thomas, one of the co-chairs of the club.

“One of the things we have to do in the beginning of the year is tally up the vouchers that get turned in for toys,” he said. “We tally up the girls and boys and the age groups and we use that as a template to buy for for the next Christmas. It’s the most accurate compilation we have of how to buy. We’re not just guessing.”

Books were the most popular gift the club put in each bag this year.

Thomas said the club gave out more than 4,000 books, ensuring each child received three. Many of those books were from Scholastic book sales, said Wiley Stockton, the other co-chair of the club.

Joan Campbell, a volunteer working Saturday morning, said she was giving out extra books when a group of six moms asked her to help them pick out books that would be interesting for them to read to their children.

Campbell said they told her that Communities in Schools, a group dedicated to keeping kids in school, advised parents to read to their children for 20 minutes a day.

The donors who made the fund possible are serious about their contributions, Thomas said. Many of the 550 regular donors give money in memory or honor of somebody. Their funds allow the Kiwanis Club to give back to the community, said club President Claire Robinson.

“It’s how we can make a difference for a child around Christmastime,” she said.

One of the volunteers, Carissa Spencer, 18, has been volunteering for the Cheer Fund toy giveaway since she was 9 years old. She is a member of the Key Club, a service-leadership program that often partners with Kiwanis Clubs, at High Point Central High School.

“These people (in the club) are like my family now,” she said. “It’s great to see the impact you make, and it’s instant to know that these kids are going to get something when they wake up on Christmas day because you were here helping.”
WENDELL - The 40 plus members of the Raleigh U.S. Army Recruiting Company joked with each other and eastern Wake County community members while keeping a focused and consistent pace with hundreds of boxes of food on Dec. 19. Despite the weather dropping below 40 degrees, around 75 volunteers, including both soldiers and civilians participated in the 18th annual Knightdale Kiwanis Club food drive and delivery.

Although the recruiting company worked for nearly six hours of sorting and delivery, transporting boxes of dried goods to nearby families in their personal vehicles, club members spent evenings for more than a month preparing for the event. Kiwanis Vice-President Lesia McKenzie said that among other donations, she had received sponsorships to buy 104 turkeys to deliver along with the boxes. “It’s important. Every year it seems like more and more people need the food,” she said. “The club’s focus is helping children and obviously if they’re not getting the proper food in homes, that’s a big part of it. So we wanted to make sure for Christmas that the families had enough food.”

The club develops a list of families in need through recommendation by school principal’s offices and guidance counselor offices in addition to direct requests from families. No one is guaranteed food, but McKenzie expects club members reached all the families on the list this year.

Among other businesses, Edward Jones Office, Food Lion, Hicks Landscaping, Knightdale Family Medicine, KS Bank, McKenzie Digital Fab, Neuse River Veterinary, The Total Connection and Vardy HPC contributed either with volunteers or much-needed resources.

Starting around 2 p.m., volunteers lined up in a warehouse along Old Wilson Road in Wendell assembly-line style to pack sorted food like macaroni-and-cheese, Ramen noodles and pretzels into family-size boxes. The soldiers then placed the boxes into dozens of cars lined up outside the warehouse ready to deliver around Knightdale, Wendell and Zebulon.

The recruiting company has done similar acts of service. Many of them traveled to Atlanta earlier this year to volunteer with Toys for Tots. “The event is a good thing for the community,” said Cpt. John Thomas, who has led the event for the last three years. Suzanne Parker directed the proper number of boxes for each vehicle. She has been a part of the Kiwanis Club for three years. “This event is why I got involved,” she said.
WOW, Winston-Salem!

The Winston-Salem Kiwanis Club was organized on November 25, 1919 and was the fourth Kiwanis Club in NC. They have sponsored twelve Kiwanis Clubs in the Winston-Salem area as well as the first Kiwanis club in South America.

Some of the great accomplishments of service began as early as the 1920s when the club financed the construction of the first three public swimming pools in their area. In 1953, they were the recipient of the “Golden Boy” trophy for its special services to the boys of the army’s Red Shield Boy’s Club on behalf of the Boys Clubs of America.

On March 16, 1996 the World’s Biggest Kiwanis Meeting (alluded to in The Kiwanis Magazine’s 100th Anniversary issue) was hosted by them (Governor Bob Prongay being a member of the Winston-Salem Club) where all of North and South Carolina Kiwanis Clubs decided to forego their regular weekly meeting and interclub in Charlotte, NC. One thousand Hixsons (a Kiwanis award costing $1,000) were presented during this meeting by Kiwanis International President Eyjólfur “Eddie” Sigurðsson and the Carolinas District was the first district in the world to reach their pledge of $2 million to the world service project for IDD.

In 1998, Ed Mulvey began working with Easton Elementary School on the “Birding Project” where he was active in building bird feeding stations which eventually led to the Winston-Salem Kiwanis Club tutoring the students in reading and math. This club has been serving Easton Elementary School since the 1998 date.

However, the club believes one of its most important activities is sponsoring Service Leadership Programs. Over the years, the Club has sponsored one K-Kids, two Builders Clubs, five Key Clubs and one Circle K.

Tobaccomland Rings

Long time members of the Kiwanis Club of Tobaccomland Bill Self, left, and Bill Cole ring their bell for donations for the The Salvation Army kettle in front of Sam’s Club at South Square on December 2, 2014. Self and Cole were among fourteen Kiwanians who participated in the seven-hour bell ringing for the Salvation Army.
Kiwanis One Day: Think you won’t make a difference? Think again. Whatcha doin’ on April 11, 2015?

Region 5 Trustee Becky Horton is fully prepared to answer that question on her behalf and many of the Kiwanians of Region 5 (Divisions 10, 11 and 26). AND on behalf of many members of their sponsored Service Leadership Programs!

Becky is in the process of putting final touches on the Region 5 recognition of Kiwanis One Day of Community Service at the Boys and Girls Home at Lake Waccamaw with an added nod to Kiwanis’ 100th Anniversary!

I would like to know what your club has planned in connection with the preparation of a future article to appear in a District publication. Please email me at charliebowie@atmc.net.

- Charlie Bowie, District Chair, Community Service

Each year, Kiwanis clubs around the world join in a day of service.

**In 2015, Kiwanis One Day is April 11.**

It’s a global effort, but it’s made of personal commitments.

After all, Kiwanis One Day consists of the involvement of Kiwanis club members around the world. It begins with your club’s participation. It extends to the impact you have on your community. And it results in an international spirit of service that inspires people worldwide.

There will be no limit to what you can do—and no boundaries on your spirit of fellowship. In fact, your efforts will be echoed by clubs in communities all over the globe.

**Start planning today for Kiwanis One Day.**

**Proclaim our milestone: 100 years proud**

The Carolinas District is working hard to have both our North and South Carolina State Governors proclaim January 21, 2015 as Kiwanis Day.

Governor Cooper would love it if each and every club would have their mayor proclaim January 21, 2015 as Kiwanis Day in their town too.  
**Click here to download the proclamation with instructions.**

What is your club doing to celebrate our 100th anniversary? **Use this sample media release to invite your community to your event.**

We are also working hard to have this letter to the editor in each of our communities’ newspapers the week of January 21. Why not add your own local story to ours and send it to your local newspaper editor?

**Button sends anniversary greeting to members**

“Happy 100th anniversary,” says 2014–15 Kiwanis International President John Button. “The list of our accomplishments is long. The number of lives the Kiwanis family has impacted is immeasurable.”

In a video message, Dr. Button looks at Kiwanis' rich history and its next century of service. Stream or download the video, available in all Kiwanis languages, for your next club event. Visit [www.kiwanis.org/kiwanis100/resources/videos](http://www.kiwanis.org/kiwanis100/resources/videos) to see and share his message today.

Editor’s Note: Mack McLeod is also a candidate for Governor-Elect. His bio is in the last issue of the Carolina Kiwanian (Vol 95 no 2).
Years ago, Les heard it said, “Children of today are our leaders of tomorrow.” Having witnessed how significant that truth is, Les is seeking to become Governor of the Carolinas District of Kiwanis to make a major contribution to the story of a whole new generation of children, helping them become the best possible leaders they can be.

Les, and his wife Connie, are residents of Surf City where Les is a member of the Topsail Island Area Kiwanis Club. They came to us from Pennsylvania where they both had successful careers in education. As an educator, Les designed award-winning curriculum and taught children K-12 for the Boyertown Area School District. He taught physics and astronomy before accepting an assignment as a junior high school principal. During his tenure as an administrator, Les was recognized with the Pennsylvania Governor’s award for high academic improvement. The average student in his school advanced to the 82nd percentile nationally. It was also during this period that Les was awarded the “Dissertation-of-the-Year” Award from Lehigh University upon receiving a Doctorate in Education in 1992.

Les was born in Sharon, Pennsylvania, graduated from Sharon’s public schools, then enlisted in the United States Navy as an Electronics Intelligence Specialist, 1962. Following his military experience, he attended and graduated from the Pennsylvania State University with B.S. and M. Ed. Degrees. It was in 1970, that Les migrated to Eastern Pennsylvania and began his career in education. During those years, Les served as Director on the Board of Directors of the United Way, as a Councilman for the Borough of Boyertown, PA, and as an active member and Chair of the Consecration Committee of the New Hanover United Methodist Church.

Working along side us in North Carolina, Les has broadened his public service. Having joined the Topsail Island Area Kiwanis Club, a “Model Club”, in 2000, Les progressed through the chairs becoming a Distinguished Member, Kiwanian-of-the-Year, Distinguished Club President, Division 18 Lieutenant Governor, and Region 6 Trustee (3yrs). Locally, Les has chaired the Kiwanis Golf Tournament, instituted a literacy program in the local elementary schools, taken a key role in youth mentorship, has chaperoned/facilitated five Carolinas District Key Leader weekends and assisted in the development of the Hampstead Community Youth Gardens.

Les holds Hixon, Charter Zeller, and Hyatt Fellowships. He has served our District as the Public Relations Chair, and currently serves as a multi-divisional coordinator for Project Eliminate. Les is the District Chair for Education and Leadership Development conducting Club Leadership Orientation (CLO) at our mid-winter conferences, annual conventions and for new clubs. He has developed a “Social Media” forum to help clubs publicize Kiwanis. Additionally, Les has attended and represented our District at numerous international conventions including San Antonio, Las Vegas, Orlando and New Orleans.

Hence, Les has a unique combination of educational preparation, successful leadership skills inspiring others to excellence, and experience in managing large organizational budgets that he will use to lead our District if chosen as your Governor Elect.

Editor’s Note: Mack McLeod is also a candidate for Governor-Elect. His bio is in the last issue of the Carolina Kiwanian (Vol 95 no 2).
