Greetings Friend and Carolina Kiwanian!

Get ready, get set… Here we go on the verge of another new Kiwanis administrative year. Our kids are going back to school, we have new club officers moving into their respective roles, and Governor Designate Mary Jo and your District leadership team are primed, trained and ready to go. The future for them, and the children in the Carolinas District, are looking very bright indeed. I’m thankful YOU are going to be a part of our very exciting productive year! Kids need Kiwanis, and Kiwanis needs you!

I ask you to do what you can for every youngster you encounter. Whenever possible, try to do just a little bit more than expected for each and every child, each and every day. You can be a hero to many, and an answer to a prayer for others.

There are a couple of carryover tasks from this year to next that beg your attention. First, remind your friends and fellow volunteers of the promises we’ve made. Our word is our bond and we have pledged to help rid the world of Maternal Neonatal Tetanus. So, let’s please keep those MNT pledge payments up-to-date. Secondly, and closer to home, we have made great strides toward the full funding of our Kiwanis Cottage Legacy Fund supporting the Boys and Girls Home at Lake Waccamaw. After the most recent tally, we have collected $66,500 toward our $100,000 goal for this most worthwhile project. Please continue this advocacy for the kids placed in our Kiwanis Cottage for their long term care and development. Through your generosity, the kids who have been taken from desperate circumstances and placed in the Kiwanis Cottage have an excellent chance of growing up happy, healthy, safe, loved and successful.

Thank you so much for living up to our promise!

Always remember, and be assured, the more you put into anything, the more you receive from it as well. Nowhere is that more true than performing altruistic service for others. So, don’t hesitate or be shy about stepping up and into new areas of service for kids and Kiwanis. Your District leadership team invites you to take full advantage of its Club Coaching Days, developed by our Governor-Elect Designate, Greg McDonald, that will make you and your fellow volunteers still more effective stewards of our kids’ futures. The rewards you, your kids and communities will accrue will be immense. That’s a promise you can take to the bank.

Kids need Kiwanis! In fact, kids need Kiwanis more today than at any time in our history. You truly can be their hero, and the answer to many a youngster’s prayer.

So, ready, set and GO! …for the kids of the Carolinas!

Thank you my friend, for being on the side of good, and being a Kiwanian.

Thank you for your respect, support, and cooperation this past year. I am proud to have known and worked along side each of you. Take care, God bless and be well.

Governor Designate’s Message

Mary Jo Brubaker, Governor-Designate

It's an honor for me to serve as your Carolinas Governor for the 2017-18 Kiwanis year. You might as well know that I am passionate about Kiwanis. I love it! I live it! and … I share it! Kiwanis is a big important part of who I am. For me Kiwanis is a perfect fit serving the children of our world.

In preparation for my coming year I decided on a theme to help us focus, set priorities and plan. It conveys what I believe is important. Very simply, the theme for our 2017-18 Kiwanis year is: “Carolinas’ Kids Need Kiwanis!”

With this theme in mind, I began studying our Carolinas strategic plan. I asked myself what items from that document would make a positive impact on the lives of kids in the Carolinas. From our strategic plan, I developed three goals that I believe are needed at this time, that are reasonable and achievable.

My first goal is to increase sponsorship of service leadership programs (SLPs) in the Carolinas. In the coming year, we want to add 6 K-Kids Clubs, 6 Builders Clubs, 15 Key Clubs, 4 Circle K Clubs and 3 Aktion Clubs throughout the Carolinas. We need Carolinas Kiwanians who are willing to devote their time and talent to be our SLP club advisors.

The second goal is to identify the signature service projects of our local Kiwanis Clubs, creating a database for clubs to use as a resource for service project ideas and development. A community often identifies their local Kiwanis Club with its signature service project. We want to put together a database of clubs’ signature service projects and make it available on the Carolinas Kiwanis website to all our clubs.

My final goal for the 2017-18 Carolinas year is to build 8 to 13 new Kiwanis Clubs throughout the Carolinas and to strengthen existing clubs. We have the population potential for several new clubs in our urban communities. I have been looking at the locations of our orphan Key Clubs, as well as communities where new high schools have been built, as potential sites for new Kiwanis clubs. We need you to step up and say “I’ll build a new club this year because I believe that “Carolinas’ Kids Need Kiwanis!”

In conclusion, I have a vision of Kiwanis service to kids from the Smokey Mountains all the way to our Carolinas coastline. I invite you to join with me and your fellow Kiwanians in the coming year as we continue working to improve the world, one child and one community at a time. Why? Because we know that Carolinas’ Kids Need Kiwanis!

Katie McNiffe
Key Club Governor

It was August of 2014 when my journey with Key Club and the Kiwanis family began. Upon entering my high school’s front doors for the freshman orientation and proceeding through the club fair, I immediately was drawn to the Key Club booth. There were several students already there, and those presiding over the booth had a certain energy and excitement that was irresistible to a ninth grader looking for a place to belong. I joined immediately, and fell in love with service as a club member. It would be another seven months before getting elected onto the Carolinas District Board as a Lieutenant Governor.

That year taught me a lot about service in other schools, and I was personally able to witness the success of the clubs I served. They all had fantastic advisors, club leaders, and members, and our division was able to thrive. At the following convention, I was elected to serve as District Treasurer, which gave me a very different viewpoint of service. The majority of the clubs I assisted with were ones that were struggling. These clubs lacked dedicated members and advisors, which became a problem when it came to dues collection. Every time, it was the sponsoring Kiwanis Clubs that would turn around the club. The Kiwanis Clubs would come in, generate club interest, help advisors with their duties, and, in some cases, pay the dues or the re-chartering fee.

When I was elected as Governor, I knew my vision for the year would be to combine the two different experiences I had had while serving on the Key Club District Board: Kiwanis Clubs serve an active role with Key Clubs, as they celebrated their successes, assisted with their struggles, and created a lasting familial bond.

Independently, Kiwanis and Key Club are two organizations that can do a lot of good for a community. Together, they are one family that can vastly change a community and make a lasting impact. When you factor in other SLPs like Circle K or Builder’s Club, the opportunity for change grows exponentially. One great event that can foster those relationships is Kiwanis Family Conference. Every year, Kiwanians from around the country gather for a weekend in the beautiful Black Mountain, NC. This year, the conference will be held November 3rd-5th. I hope to be able to see Kiwanis Clubs there with their sponsoring Key Clubs, as well as any Kiwanis Club that is interested in chartering a Key Club.

As always, thank you for the services you provide to the community, and allowing Key Club to serve alongside you.

Yours in service,
Katie McNiffe

District Life Member Status

Looking for a great way to honor a special club member at your annual end-of-year awards banquet?

Life Member Status provides a unique opportunity for acknowledging Kiwanians who qualify for special recognition. Individuals who achieve Life Member Status are those who perpetuate the Objects and objectives of Kiwanis International. Recipients must hold active membership and must have been a member of Kiwanis for at least three years.

Each member granted Life Member Status receives a plaque to display.

The cost of District Life Member Status is a one-time fee of $450 (15 times annual dues) payable upon application. Life Member Status is achieved and the plaque is forwarded when payment is received. (Please note: this amount is subject to change in the event District membership fees increase.)

Once District Life Member Status has been achieved, the member’s club will never again be required to pay District dues for that member. District Life Member Status has no effect, however, on payment of liability insurance, the subscription to Kiwanis Magazine, or club and international dues.

DIVISION PROJECT AWARD

The District designed this award to promote cooperation on service within a division with hopes that these projects will spark a club's interest to have close communications with the entire division throughout the year.

One division will be chosen as the winner. A plaque will be presented to the Lt. Governor with certificates given to each club that participated. The division will have the option to provide a feature article for the Carolina Kiwanian. Second and Third place winners will also be chosen and awarded certificates (to both the Lt. Governor and each participating club with the option of an article in a future issue of the Carolina Kiwanian. Deadline October 31. Click here to download the Division Project Award Form.

HERB HENNIG AWARD

The Herb Hennig Award is given to an outstanding club secretary. Clubs can nominate an outstanding secretary by sending a written explanation why they feel the secretary is deserving of the award.

Clubs should send to their Lt. Governor substantiating letters from Kiwanis leaders, such as past club presidents, and should also have letters from others in the community who could substantiate the secretary's service to the community and to Kiwanis. Lt. Governors are responsible to acquire nominations from the clubs in their division. The Lt. Governor then selects one out of all the nominations received and sends it to the District Office by October 31 of the next administrative year.

The District Achievement Committee then considers all nominees for the award and selects one. The chosen secretary is usually presented the Herb Hennig Trophy at the Mid-Winter Conference.

INTERCLUB AWARD

The Kiwanis Club in the Carolinas District having the best interclub visitation record during each administrative year will be recognized and will receive an award at the District Convention held during the next administrative year. The Achievement Committee will choose the winning club at the end of the Kiwanis year by evaluation of reporting done through the monthly reports. Note: If the evaluation of the reports results in a tie between two or more clubs, the largest number of member's participation in the visits to other clubs in the division will be the winner. Information will be taken from the monthly reports.

INTERCLUB PATCH

If a club completed an interclub with every club in its division, and completes the information on their monthly report forms, then the club will receive an Interclub Patch.
