On the cover:
What is your club doing THIS MONTH for the kids of your local community? Is Kiwanis truly your superpower? If not, why not? Truly think about this. If you know why not, please, please, please work on that why not and become the change your club needs to see in the world. There are hungry children in your community that need you.

April brings us to Spring and the midpoint of our Kiwanis year. It is time to take stock of our goals, what we have accomplished and what remains to be done. Our first goal is to develop a database of our Carolinas Clubs’ Signature Service projects. This database is to serve as a resource for clubs to go to for new service project ideas for their own communities. The database is now available on our Carolinas website and ready for clubs to input information about your club’s signature service projects. [Click on this link to check it out.]

Our second goal is to increase club sponsorship of our Service Leadership Programs (SLPs). Our targets for each SLP are 6 K-Kids Clubs, 6 Builders Clubs, 15 Key Clubs, 4 Circle K Clubs and 3 Akción Clubs. The following SLPs have been added during our first six months:

**New SLP**
- Cape Fear Christian Academy K-Kids
- Ed V. Baldwin Elementary K-Kids
- Southport Elementary K-Kids
- Lake Carolina Elementary K-Kids
- Elise Middle School Builders Club
- Lewis Chapel Builders Club
- Harnett Central Middle School Builders Club
- Pine Lake Preparatory Key Club
- Mountain Island Charter School Key Club
- A.C. Reynolds High School Key Club
- East Bladen High School Key Club
- Charleston Center School for Math & Science Key Club
- Beaufort High School Key Club
- Vernon Malone Academy Key Club
- Brunswick Community College CKI
- Queens University of Charlotte CKI

Sponsoring Kiwanis Club
- Coats
- Hope Mill Area
- Southport-Oak Island
- Columbia
- Seven Lakes
- Cape Fear, Fayetteville
- Angier
- Lake Norman
- Charlotte
- Asheville
- Elizabethtown
- Charleston
- Beaufort
- Raleigh
- Southport-Oak Island
- Charlotte

Kudos to the Southport-Oak Island Kiwanis Club which is the first club in our district this year to sponsor a SLP at every level: Key Club, Builders Club, Akción Club, CKI and two weeks ago they added K-Kids. Key Club Governor Katie McNiffe challenged us at our MidYear District Conference to be brave, to step out of our comfort zone and be an advisor to a Key Club or other SLP. Carolinas Kids need Kiwanis! I urge you to join the effort to bring service leadership programs to the schools in your communities. (If I missed a new SLP, please notify me.)

Our third goal is to increase Carolinas Kiwanis membership by building 8 to 13 new Kiwanis Clubs this year. To date, Kiwanians across our district have worked together to build the following five clubs:

**New Kiwanis Club**
- Kannapolis
- Craven County
- North Augusta
- McDowell County
- Shallotte-South Brunswick Islands

Sponsoring Kiwanis Club
- Charlotte & Salisbury
- Chapel Hill & Carrboro
- Aiken & Uptown Augusta (GA)
- Black Mountain-Swannanoa
- Southport-Oak Island

Six months down and six months to go! Given the dedication and determination of Carolinas Kiwanians we will achieve our goals and finish strong. Thank you for your continued commitment to improving the lives of our children and communities!

Mary Jo Brubaker, Governor
Larry Hewett Named Recipient of 2018 International Key of Honor Service Award

March 26, 2018 –Key Club International, the oldest and largest student-led service program for high school students, has announced that Larry Hewett of Whiteville, N.C. will be presented the Key of Honor award at the organization’s international convention this July in Chicago, Ill. Larry is a member of the Carolinas District Kiwanis Key Club Committee, which provides oversight and mentorship for the more than 12,000 Key Club members in North Carolina and South Carolina, and the Key2Kiwanis Kiwanis Club.

The Key of Honor is the most prestigious accolade bestowed upon an individual by Key Club International for his or her lifelong commitment to serving the children of the world. Since the organization was founded in 1925, the Key of Honor has been presented to 145 individuals around the world, eight of whom are from the Carolinas. Larry will be the ninth person from the Carolinas to receive the award.

Larry has spent his entire life mentoring young people – both professionally and in his years of volunteer work. Larry spent more than 30 years as a teacher, assistant principal and principal in Columbus County Schools before working as an executive at the Boys and Girls Homes of North Carolina in Lake Waccamaw, N.C. for more than a decade. At Boys and Girls Homes he led efforts to engage civic organizations like Kiwanis and ultimately became a Kiwanis member. Larry has been a volunteer with Key Club since 2001. During that time, Larry has mentored high school students throughout the Carolinas and continues to maintain close relationships with Key Club alumni throughout the country.
Cycling Out Child Poverty in Vietnam

By Megan Taylor  Published with permission from Forsyth Woman

Imagine being in Winston-Salem and still making a difference in a person’s life on the other side of the world? Well, that is exactly what students at Ronald W. Reagan High School in Pfafftown are doing. On Saturday, March 24th, the school’s Key Club hosted a cycle-thon at the Jerry Long Family YMCA in honor of the nonprofit, Children of Vietnam. This organization is committed to improving the future and lives of children in Vietnam, through education, healthcare, nutrition and housing. Children of Vietnam has two main goals, as stated on their website: assisting children, families and communities in breaking the cycle of poverty, ill health and homelessness; and providing immediate aid to children and families in crisis.

“Key Club supported Children of Vietnam last year through a loose change drive, where we collected $600. We worked with our club sponsor, the Twin City Kiwanis, to help raise money and spread awareness for the charity. We reached out again this year to see how we could help,” said Matthew Mottesheart, a senior at Reagan and Key Club’s president.

According to Rebecca Martin, English teacher and Key Club sponsor, the nonprofit has a “Cycling out Child Poverty” campaign. Cyclists travel through urban and rural areas in Vietnam and perform charitable actions. “Children of Vietnam encourages solidarity rides, so the students thought about ways they could do something here that would spread awareness in the community about the organization and tie into the campaign,” said Rebecca.

From there, the students brainstormed the idea of hosting a marathon. Then, they decided on a cycle-thon and things began to fall quickly into place afterwards.

“Once we established our team, we contacted someone at the Jerry Long Family YMCA which is wonderful to work with and were able to coordinate the event with them,” said Rebecca. “The YMCA serves as a community staple, and they went the extra mile to helping us get spin instructions and everything else.”

The event consisted of a two-hour spin class with 40 bikes. Breaks were included during the ride. The group had a goal to raise $1,000 which would provide for 30 kids in Vietnam. Within the weeks leading up to the event, Key Club members worked tirelessly gathering donations from the community and churches. People could make a pledge per the number of miles biked, meaning the hope is to bike 1,000 miles.

World Immunization Week

Kids are alive today because of the generosity of Kiwanians. And because #VaccinesWork. Help us celebrate World Immunization Week, April 24-30.

You can find assets your club can use to promote The Eliminate Project and World Immunization Week at kiwanis.org/vaccineswork, including social media posts, newsletter articles and an op-ed article that can be shared with local media.

2017-18 Club Coaching Days

Several similar coaching days will be offered throughout the district this year, bringing essential club excellence training to clubs to help them become stronger and more effective in providing service to their communities and to establish links between the clubs and individuals who can advise and assist them in their efforts.

This event is specifically designed to be:

- **Accessible** (located close to clubs within driving distance)
- **Affordable** (costing only a minimal amount for food and materials), and
- **Substantive** (offering high-quality information in an interactive format).

We intend this event, and those like it, to be the most valuable club strengthening activity of the year for **every club** in the Carolinas.

**Registration deadline for the Jamestown event is April 24!**

New! Any club that started the new Kiwanis year with 20 members or less will get one free registration ($25 value) to the Club Coaching Day of their choice. Simply email leahcdo@gmail.com which coaching day you would like to attend by the deadline to be registered.

This submission marks our fourth in a series of articles intended to keep you informed about the activities of your Carolinas District of Kiwanis Foundation. We plan to have one ready for every issue of the *Kiwanian* during the 2017-18 administrative year.

As we close out the second quarter, things have been somewhat quiet since Midyear. Tax filings, accounting conversion, new banking practices and general paperwork have taken up most of our time. That and watching the market go up and down. Without much new data to report since the last article, maybe it is time for a little Foundation trivia. Here are a few questions. The answers are located at the end of the article.

What year did we receive 501c3 status?
In what state were we incorporated?
What famous Secretary of State signed the incorporation papers?
How often do we meet?
What year did our initial planning begin?
What once popular Foundation shopping venue no longer exists?
What tax form are we required to file each year?
Where can you find a copy of this and other non-profit tax filings?
Can anyone donate to the Foundation?
How can I recognize an individual or club officer through the Foundation?

The annual club gift campaign continues and serves as the primary source of foundation funding. The campaign suggests a minimum gift of $5.00 per member and as in any campaign; the target is 100% participation. *You can view the letter by clicking here.* Thank you to the 32 clubs that have participated as of March 30, donating $7297.00. You can view a list of club donations by *clicking here.*

The CDKF Executive Committee meets again in June. All grant request should be received electronically thirty days prior. *You can use this link to access the grant application.* When submitting a grant request be complete, but concise. Know that the committee pays special attention to past club participation, number of children served or impacted, number of Kiwanians involved, the amount of dollars requested compared to the amount being invested by the requesting club, and project merit. If you have questions regarding your application, contact PDG and Foundation Secretary, Stan Perry, *via email.*

The Sponsored Leadership Program charter expense reimbursement request does not have a deadline. *You can access that link by clicking here.* Should you have a question for any of the committee members or officers, you can find their contact information on the Carolinas Kiwanis District website under Leadership.

At the Kiwanis Children’s Fund, we’re dedicated to serving the children of the world. In fact, it’s our mission. You're a Kiwanian, so you share that dedication. As your club's secretary, you can also help us spread the word.

Below are the top five messages of the Children’s Fund for April 2018. Share these items with club members — keep them informed and up to date on how we can be of service to your club.

Our next club grant deadline is fast approaching. If you’re interested in applying, submit your club's Letter of Inquiry online by June 1. Now is the perfect time to begin assessing your community’s needs and drafting your application.

Are your club members attending the 2018 Kiwanis International Convention in Las Vegas? Stop by our booth and attend our workshops on club foundations, fundraising, club grants and more. Read about all

our convention activities here.

It’s never too early to consider ways to recognize club leaders and notable members. Consider recognizing an individual with a George F. Hixson or Walter Zeller Fellowship gift to the Children’s Fund.

Did you know that The Eliminate Project is one of our five causes? We have raised over US$78 million in paid gifts of US$110 in pledges. But mothers and babies are still at risk in 15 countries. Together, we will finish the fight. If your club is new to The Eliminate Project, consider making a pledge to save lives. And if you have made a pledge, can your club increase its support?

Our Challenge

You may recall my article in the December-January edition of the Carolina Kiwanian when you were given dollar amounts that our district would have to contribute to the Children’s Fund for our district to receive a worthy grant for Key Leader and/or scholarships. Our return is 15% of our total contribution from clubs and individual gifts. It was a long battle to get the grant increased to 15%. Let’s take advantage of this great opportunity for our district to “earn” a huge return to support our Key Leader Program. We set a goal of $40,000 which would provide a grant of $6,000. As of February our contributions total $11,913. You do the math! We have five months to go to meet this figure. Let’s not waste this opportunity that pays good dividends. We are short some $28,000. We have a lot of “giving” to do, so let’s do it! Remember, we are the Great Carolinas District and when challenged, we come through—we are challenged!

It is requested that our clubs contribute $5, $6, $7 or more per member and that individual members give a minimum of $25, or better make The Children’s Fund one of your favorite annual charities.

Yours in Kiwanis Service

Doug Day, District Chair
The Kiwanis Children’s Fund
