

## **I-I DISTRICT CLUB WEBSITE AWARD COMPETITION**

The Internet has become an important tool for communicating with our members, promoting our club and inviting folks to learn more about Kiwanis. Many of the Clubs in the I-I district now have Club Websites. During the 2005-06 Kiwanis Year, the I-I District Website Award was developed. This award recognizes (with a banner patch) all Kiwanis Clubs who have developed club website and linked them to the I-I District website ([www.iikiwanis.org](http://www.iikiwanis.org)). - Accurate, current information promoting the objects and purpose of Kiwanis to potential members
- Use of graphics on the website in a creative manner (video clips, graphic art, etc.)
