Youth Protection Guidelines Manager
Objectives:

- After this training, you will be able to:
  - Know why your club needs a policy,
  - Identify who needs a criminal background check,
  - Identify methods of obtaining criminal background checks,
  - Know the District Youth Protection Manager is your resource for questions.
Criminal history background checks

- Required of any Kiwanian working with SLPs
- Encouraged for all adults working or serving with Kiwanis youth
- Clubs should have a policy.
Applicability:

The clubs can choose who, besides the SLP Advisors, need criminal background checks. Use the list as a guide and follow the instructions.
Clear Check:

The Kansas District Board of Directors approved using the same crimes included in Kiwanis International Policy 197 when conducting District level checks.

Clubs may also use this policy as basis for determining clear checks and the policy should be attached to the club’s policy if it is used.
Service Provider:

Although each club can choose their own preferred provider, it is strongly recommended that everyone use Safe Hiring Solutions, which has a contract with Kiwanis International and is their provider.
If you select Safe Hiring Solutions, your options are as follows:

On the internet, use the following web site:
www.safehiringsolutions.com/kiwanis-international/. You will be given two options.
Option #1: Your club can open an account with Safe Hiring Solutions. You will have a couple of choices if you select this option.
**Option #2:** With this option, the member conducts a Self-Screening by opening an account themselves. They will fill out an online application and the results will be reported back to them. They will then be responsible for providing the report to the club representative. They will be responsible for the initial costs with this option.
Obtaining an individual's background check through Safe Hiring Solutions. That cost begins at $19.95 but could include additional fees based on where the applicant resides or has resided in the past.
If you choose another provider option, you are reminded of what you are trying to accomplish – safeguard the children, the club and the member. Use as broad a search provider as possible.

Option #2 is the suggested method of Kiwanis International.
Criteria:
Once the Club Secretary has completed his/her need for any documents with personal data of the member, they should return ALL documents to the member. This would include the authorization form and results in Option #1 and the results provided by the member in Option #2. This will alleviate the Club Secretary or the club of maintaining confidential information.
Costs:

Although the options are self-explanatory, if the club chooses Option #2 above, they will need to determine if the member gets reimbursed or not.

Background Checks – FAQ

Should the Kiwanis club secretary maintain a copy of the background check?
Kiwanis year 2013-2014 was an educational period. However, all clubs should have polices and criminal background checks completed by September 30, 2014.
Here are a few suggestions for obtaining these background checks:

- Check with the school or organization that hosts the Service Leadership club, program or activity. The cost will be determined by that school or organization. Some offer background checks for free.

- Connect with your local government office, police station or other vendor/provider of background checks.
