NOTES:

- A. Grants from our foundation are intended to improve or increase the reach of each funded project by filling a financial gap. Our foundation does not have the capacity to fund projects almost entirely on behalf of the applicant. Before submitting a grant application, consider your Kiwanis involvement in the project, including contributions of time, labor and financial resources by your Kiwanis members, and/or businesses, individuals, or other Kiwanis clubs in the area. This involvement is an essential part of each successful, grant-funded project.
- B. The District Foundation Board may assist with projects that either (a) need “seed money” to start up the project, or (b) need one-time funding for an enhancement of an existing project.
- C. No Kiwanis club will be awarded more than one (1) Community Service Grant during any Kiwanis Administrative Year. Nor will any Kiwanis club be awarded Community Service Grants for more than two (2) consecutive Administrative Years.
