One Can Make a Difference.

OPPORTUNITIES
to contribute

The Kiwanis International Foundation is committed to raising funds to advance the many programs developed by Kiwanis International. It is the philanthropic support of generous Kiwanians that allows the Foundation to serve children worldwide.

US$35 Million Endowment campaign
The Foundation is building up the endowment, which, once the US$35 million campaign goal is reached, will begin to generate US$1.75 million annually to provide grants and aid to children and youth. The “You Can Make A Difference” endowment fundraising campaign will ensure the future growth of Service Leadership Programs, provide grants to clubs and districts, and provide funding for future needs. There are many ways you can help financially.

ANNUAL DONATIONS

Kiwanis Children’s Fund
Kiwanis members can distinguish themselves annually by making one gift, or a series of gifts, totaling US$100 or more to the Kiwanis Children’s Fund. Such gifts help fund the needs of children around the Kiwanis world through the Foundation’s grants program.

Skip-A-Meal
Kiwanians and non-Kiwanians send the cost equivalency of one meal to help provide grants that directly benefit children through the Kiwanis Children’s Fund.

Kiwanis Leadership Society
This program provides Kiwanis clubs, divisions, and districts an opportunity to recognize deserving individuals for leadership accomplishments and service to the Kiwanis family through a US$100 contribution.

Children are at the heart of the Kiwanis International Foundation. Its mission is to assist Kiwanis International in serving the children of the world.

The Kiwanis International Foundation was established in 1939. At the time, Kiwanis International, which was founded in 1915, was preparing to celebrate its 25th anniversary.

Kiwanian Walter Zeller envisioned a strong Foundation, so he kicked off the Foundation’s first fundraiser by donating 25 silver US dollars. The auction of those coins netted US$625 for the new Foundation, which today has grown to a multimillion-dollar organization that helps Kiwanis clubs around the world.

The Kiwanis International Foundation was established in 1939 to assist Kiwanis International in serving the children of the world. The Foundation strives to improve children’s lives by providing grants and aid, such as:

- Kiwanis Club of Stuttgart, Arkansas; Kiwanis Backpacks for Kids! This program provides food for schoolchildren in need for the weekends when they do not have access to lunches. The children receive backpacks filled with nutritious, easy-to-prepare foods each Friday.
- Kiwanis Club of Riverside Arlington, California; The NineZero Project: Fetal Alcohol Spectrum Disorders (FASD), caused by prenatal exposure to alcohol, is the leading cause of intellectual and many other disabilities in the U.S. and the Western world, yet is 100 percent preventable. NineZero, which stands for nine months — zero alcohol, provides education to young people to help them avoid this hazardous behavior.
- Kiwanis Club of Des Plaines, Illinois; Shoe/Boot Project: The Kiwanis Club has provided shoes or boots at no cost to more than 600 local schoolchildren over the past 6 years. This grant will allow the club to continue to support this growing program.
- Kiwanis Club of Jeremie, Haiti (photo background); School for Street Children: This project will sponsor 100 children in Jeremie, Haiti to attend elementary school. This grant provides teachers, a daily meal, and school uniforms.
- Kiwanis Club of Twin City, North Carolina; Children of Vietnam Mending Hearts: Children of Vietnam has a waiting list of more than 200 children who need heart surgery because of life-threatening heart conditions. COV assists in arranging medical exams and surgery, coordinates with medical personnel, makes a post operation visit to the home of each child, and assists in bringing in the child for checkups.
- Disaster Relief to assist people recovering from earthquakes, hurricanes, floods, tornadoes, and other devastation.
