

LaMissTenn Kiwanis AEDs: 6 lives saved...and counting

1

A 42-year old father picking up his son from Bon Lin Middle School in Shelby County, TN was saved by an assistant principal and a nurse, using CPR and the AED on site. (August 2009) This AED was one of many provided to Shelby County schools through the **Kiwanis Club AED Project**.

2

A mother of 3 attending a performance at Covington High School in Covington, LA was saved by a nurse on site, using CPR and the AED that was donated to the school by the **Covington Kiwanis Club**. (October 2010)

3

A football umpire on the sidelines of a football game at Lafayette High School in Lafayette, LA was saved by early CPR and the AED that was on site. (November 2010) All Lafayette Parish high schools have an AED through a joint effort of the **Lafayette area Kiwanis Clubs** and local businesses.

4

A freshman football player at a scrimmage at Breaux Bridge High School in Breaux Bridge, LA was saved by the coaches performing early CPR and the AED on site. (May 2011). The coaches, principals and nurses had an emergency plan in place and had practiced it several times simulating an incident during practice. This AED was provided by the **DePont Breaux Kiwanis Club**.

5

A contractor working on the air conditioning system at Martin Middle School collapsed in the cafeteria. The school nurse began CPR and shocked him twice with the AED before EMS arrived. (August 8, 2011). The AED used was the first of 16 AEDs purchased by the **Martin Kiwanis Club**.

6

A senior basketball player at Lafayette High School in Oxford, MS, was saved when the coaches performed CPR and used the AED to restart his heart. (January 13, 2012.) This AED was one of 7 AEDs that have been provided to area schools by the **Oxford Kiwanis Club**.

7

It's only a matter of time before another one of our **Kiwanis-supplied AEDs** is used to save another person's life. Has your club done what you can do at an area school to be certain that an AED is available if and when the time comes? If not, contact Pam Morgan - aed@lamisstenn.org and make sure your school has an AED. It's only a matter of time...
