Making a difference in our community and the world.
Who we are

Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time. To ensure that the mission of service is carried forward, Kiwanis has created award-winning programs for people of all ages and abilities. Every local Kiwanis club is committed to doing service that is close to its heart and crucial to its community. Kiwanis clubs and members also join in global projects to effect change in communities around the world.

Why join us?

It feels good.

Fellowship.

It’s an opportunity to get together and network with like-minded people.

A chance to lead.

Take the lead on service projects or opportunities within your club or district. Grow from the experience of motivating others.

In life, helping others makes us happier and more satisfied.

There is no better feeling than serving your local community and bringing hope and opportunity to families, neighbors and friends. Research shows that helping others makes us happier and more satisfied.

Family. The departures at the hospitals.

The Kiwanis Foundation also provides art therapy with the children and their families to assist them through their stressful times. The Kiwanis Foundation supports family advocates who work with the children and their families to assist them through their stressful times. The Kiwanis Foundation also provides art therapy with the children and their families to assist them through their stressful times.

Through our Kiwanis of Michigan Foundation, we provide funds necessary for programs at each of these hospitals that would not otherwise be funded and currently are not reimbursed by insurance.

The Kiwanis of Michigan Foundation also provides art therapy to children receiving dialysis, various therapies to physically and emotionally challenged youth, and supplies (books, games, toys, etc.) to the child and family.
