Kiwanians,

We have an International Trustee assigned to Michigan each year. Our trustee this year is Gary Levine, an extremely knowledgeable person of Kiwanis and The Formula, opening and strengthening clubs. One of Gary’s contribution for us is developing a number of Kiwanis moments to help all of us become stronger Kiwanians in our clubs and help us to provide more service to our children and families in our communities. Here is Gary’s first Mighty Minutes. You will also see his videos on our website, social media and other vehicles to spread his information.

Our Michigan District was honored to host the Aktion Club Training & Leadership Conference at Camp Michindoh in Hillsdale Michigan. The weather was exquisitely beautiful all weekend, allowing Aktion Club members, advisors, and leaders from Pennsylvania, New York, Indiana, and Michigan many opportunities for hiking and laughter-filled hayrides across charming rolling hills and wetlands. Lovely sleeping cabins, situated beside a stunning spring-fed lake, were shared among various Aktion Clubs, letting members have the ability to develop new friendships with sister clubs. It was a weekend filled with learning, leadership, love, and laughter.

Our Aktion Club Mission, “to provide adults with disabilities an opportunity to develop initiative and leadership skills and to serve their community,” was certainly present throughout the weekend. The event began with a motivational speech by keynote speaker Anthony Ianni. Anthony Ianni is the first known athlete with autism to play Big 10 basketball. He inspired our members to dream big and never give up on those dreams, even in the face of adversity.

Michigan 58th District Represented Eric Leauthueuser, Hillsdale Mayor Scott Sessions, and Past President of Kiwanis International, Sue Petrisin, provided uplifting welcomes at the opening session. The evening concluded with roaring bonfires and a stargazing event for members’ enjoyment. Circle K volunteers directed the community bonfire activities with s’mores and scary ghost stories. Campfire songs were led by Lansing Kiwanian, Bob Nelson. Dr. Timothy Dolch, assistant professor

Are Your Goals
Realistic and Obtainable?

Clubs are now underway with the goals you have developed to have your individual clubs achieve a successful year. It is time to check that your goals are realistic and obtainable.

Are new leaders identified and leading in club projects? Is your club working towards bringing in new members? Using a variety of marketing tools? Are more members volunteering and more projects available for members to participate in your community?

The year will go by fast! Please seek assistance from your District leaders to help you. Inside the Michigan Builder, we are providing everyone a Directory of all Lt. Governors, District Chairs, Executive Committee and words of wisdom from our International Trustee Gary Levine. A phone call or email will get you in touch with people to be speakers, help you with your goals or just give ideas that will move your club forward. I know each club is unique and we want to offer assistance to your club and its uniqueness.

The Executive Committee: Governor Marian O’Higgins, Governor Elect Larry Memmer, Immediate past Governor Dee Hudson, Executive Director Greg Smith, and Co-Chair Lt. Governors Kelly Dougherty and Sarah Kew have ordered and are in the process of distributing 50 personalized trifolds, unique to your club, to help assist in your search to recruit new members. Any additional (in groups of 50) are free from Kiwanis International by clicking on the red button for more information.

Please also plan on attending our Leadership Forum in February, 2018 (click here for this article in this newsletter). If you are interested in moving forward in your club, or in any part of your life’s interest, THIS IS FOR YOU! It is new, different and unique. Mark your Calendars.

As this season of Christmas approaches, PLEASE remember to thank all who help you, in your Family, Club, and wherever you go and give back to your communities. The best Christmas gift a person can give is the giving of yourself.

I want to extend my heartfelt wishes to you, your families, friends and all in your life for a season of Health, Happiness and Continued Success and Appreciation. Each day is a gift given to us, seize the day, enjoy it to the fullest and Share with all!

MERRY CHRISTMAS!

Are Your Goals
Realistic and Obtainable?
of physics at Hillsdale College, described the stars in the Michigan skies as members viewed the stars with powerful telescopes provided by the college.

Members awoke on Saturday morning to a wellness yoga session with instructor Theresa Griffin, followed by a busy day of leadership training led by District Leadership Development and Education Coordinator, Preston Abadie, and Michigan Circle K officers and volunteers. Michigan Aktion Club Governor, Simone Taylor spoke about the joys of becoming an Aktion Club member. Thomas Kouros gave an energizing presentation after lunch with a fun dance session, followed by a discussion on the importance of health and wellness for people living with disabilities.

Aktion Club members poured their hearts and energy into the afternoon service projects, decorating and filling sunshine boxes for the Victim Services Unit in Hillsdale County with items to help console people whose lives have been affected by traumatic events, and Christmas boxes for Operation Christmas Child to be sent to children in need around the world.

The County Western dance, organized and led by Circle K and Key Club Volunteers, was the highlight of the evening. Members, advisors, and volunteers were able to dance the night away after Hillsdale Kiwanian, Joan VanArsdalen, taught a line dance class to everyone’s delight.

Michigan District Governor Marian O’Higgins started the day off Sunday with an inspirational speech thanking members of all their service in their communities the past year and encouraging them to continue with their good works in the upcoming year. Members displayed their leadership skills as they presented highlights of their clubs’ best service projects and fundraising events during the past year. The conference ended with inspired members sharing personalized reflections about the conference. Building new friendships topped the list!

A heart filled thanks to all the Host Committee, Kiwanis International and Michigan District leaders, advisors, Kiwanians, and Kiwanis Family of Circle K and Key Club members who showed up in force. The conference successes were a result of your never-ending enthusiasm and thoughtfulness. Thanks to all volunteering that organized the event, provided leadership training, and led activities. The conference gave Aktion Club members a unique opportunity to develop initiative, leadership skills and serve their community over the weekend event.

See you next year, September 14-16, 2018 for the next Michigan District Aktion Club Convention at Rock Lake Christian Assembly Camp in Vestaburg, Michigan.
I just returned from the Governor Elect training conference and the message is loud and clear that our focus must be on growth and membership. Poly Lat, 2017 – 18 International President Elect is continuing the membership theme of opening new clubs and mentoring our existing clubs.

Over the past year, there have been two initiatives: The Formula, a system of support and strategies for opening clubs, and mentoring existing clubs; Eye of the Tiger created to provide support above and beyond existing efforts to strengthen membership. Michigan strategies need to continue the successful support of the membership and engagement as a priority. We need to continue the efforts and momentum of the Formula under the leadership of Andre Laubach and the Formula Team.

**FORMULA 2017-18 INITIATIVE:** When you love something – when something really matters to you – you want people to love it with you. You want it to be part of your life.

**EYE of the TIGER 2017-18 INITIATIVE:** What we can achieve together greatly exceeds what we can do individually.

**2016-2017 Update**
Over the past year, Michigan opened 7 new clubs. This was achieved by an army of dedicated Michigan Kiwanians. We have done well, but we must continue to work hard because this year’s goal is to open 12 new clubs!

Opening new clubs was only part of the picture. Thanks to all your efforts to invite members to join Kiwanis, we added 663 new members to the Michigan District. We thought we were on the road to finish with a net gain for the year. Unfortunately, at the end of the Kiwanis year, we had 5 clubs close, and members deleted from existing clubs to create a total loss of 54 members.

Although this is only a 1.2% loss, the lowest in many years, it was still a disappointment.

To have more accuracy in our numbers, and know what the district is really doing, it is important that clubs keep rosters up-to-date throughout the year, instead of waiting until the end of September. From September 1st till October 10th, there were 389 deletes.

With the call to action to open 12 clubs this year, we are going to need lots of help. Look around you, notice communities near your club. Would this be a good community to add another club? Are there people you know in your community that would be a good Kiwanian? Think about ways you can help the Michigan District continue to grow. Call your Lt. Governor to share your ideas. Volunteer to help with a club opening. Let your Formula team know if your club needs some help! We are a good, strong district, and together we can make a difference! Remember as your Governor-Elect, I am opened minded and here to help the Michigan District achieve our goals. If you need anything let me know.

**GOAL: Build, retain and support a growing membership base.**

“Greatness is not a function of circumstance. Greatness, it turns out, is largely a matter of conscious choice, and discipline.” – Jim Collins, Author of the book “Good to Great and the Social Sectors”.

Larry Memmer  
2017-18 Governor-Elect  
Michigan District  
Governor-elect@mikiwanis.org

**MAKING A DIFFERENCE TOGETHER**

It is with great enthusiasm that I announce my candidacy for 2018-19 Governor-Elect of the Mighty Michigan District, with the unanimous support of my home club, Downriver West Kiwanis and Division 5. I have served as: a distinguished club secretary, distinguished club president, multiple committee chairperson positions, worked with the Formula team in various capacities on the opening of more than a half dozen clubs, as a club counselor, as an adult facilitator for Key Leader, 2 years as the District Chair for Marketing and public relations, and as the Lt. Governor class chair for the last 2 years. Now I aspire to continue my growth and provide leadership for the Michigan District.

“Individual commitment to a group effort- that is what makes a team work, a company work, a society work or a civilization work”, acutely stated by Vince Lombardi. The past several years we have seen a momentum developing towards progressive goals. Goals that drive us to be more effective in our communities, encourage more meaningful fellowship in our clubs and enriching our own lives. Working hand in hand with the last several Governors, I have observed the amount of commitment it truly takes for these leaders to propel our district to where we are today.

Every Member, Every Club! That is what I’d like to focus on. Every member, in every club has an asset that can take us to previously unchartered territory. Every member, in every club has a passion for Kiwanis that could spread like wild fire. Every member, in every club deserves to have a leadership team that is working for them. Every member, in every club should feel valued and respected. Every member, in every club should have fun!

One of my favorite leaders in history is Martin Luther King Jr. and he said, “Life’s most persistent and urgent question is, ‘What are you doing for others?’” To that I would answer: I’m running for Governor-Elect to serve Every Member, in every club of the Mighty Michigan District.

Respectfully yours,

Sarah Kew

Announces Candidacy for Governor - Elect

Every Member, Every Club! That is what I’d like to focus on. Every member, in every club has an asset that can take us to previously unchartered territory. Every member, in every club has a passion for Kiwanis that could spread like wild fire. Every member, in every club deserves to have a leadership team that is working for them. One of my favorite leaders in history is Martin Luther King Jr. and he said, “Life’s most persistent and urgent question is, ‘What are you doing for others?’” To that I would answer: I’m running for Governor -Elect to serve Every Member, in every club of the Mighty Michigan District.

Respectfully yours,

Sarah Kew

Lt. Governor, Division 5
2017 – 2018 is the Eye of the Tiger = Focused, Confident and Determined = New Clubs and Members = More Service for our Children

Larry Memmer
Governor-Elect
262-227-5583
lmemmer@mikiwanis.org
I am focused on preparing for being Governor in 2018-2019. Focused on membership growth of new clubs and retention of membership.

Dee Hudson
Immediate Past Governor
616-293-3111
immedpastgovernor@mikiwanis.org
My responsibilities this year are as Finance Committee Chair, as well as to mentor the Governor and Governor-Elect when and if needed.

Greg Smith
Executive Director
586-530-5174
eXecutivedirector@mikiwanis.org
The Executive Director supports and is a resource for Kiwanis Clubs and is responsible for getting the name of Kiwanis out to the general public.

Lori Stillwell
LG Division 3
586-295-7957
Lori2547@yahoo.com
As the CKI Administrator I oversee 15 colleges and over 500 students. As a LTG in Division 3 I oversee 15 clubs. As the Foundation Trustee I educate the clubs in Division 3 on the 4 hospitals the Foundation supports.

Susie Grizzle
LG Division 4
734-856-6855
susiegrizzle@outlook.com
As lieutenant governor I will be working with existing clubs and opening new clubs. Help strengthen clubs. Working with my clubs leaders to ensure they feel supported, help them with information to improve their clubs, building a stronger Kiwanis family all together.

Sarah Kew
LG Division 5
586-531-5505
SarahKew@Ymail.com
As a Lt. Governor, it is my job to serve as the liason between the Michigan District and clubs in my division. I do so by attending club meetings, projects, and planning divisional gatherings.

Jacki Otto
LG Division 6
734-368-2251
jackiotto@yahoo.com
As the Lt. Governor of Division 6, Kiwanis is my superpower and together as clubs, we serve our communities and I serve and support other clubs. We accomplish so much more when we serve together - together we grow stronger as Kiwanis!

Kelly Dougherty
LG Division 7
248-961-0307
kellyjdougherty@gmail.com
As Lt Governor, I work with all of the clubs in my division to help them increase their impact in their communities. I work with them on everything from membership growth ideas and marketing techniques, to new service project opportunities and joint club events.

Bruce Rayce
LG Division 10
989-859-7109
Bmrayce@aol.com
Lt. Governor and Chief Cheerleader for Div. 10
Bonnie Bartlett  
LG Division 11  
517-768-0963  
grandmabutterfly@comcast.net  
I work with the 10 clubs in division 11 that are amazing and we are working on our goals that were set for the Division and the District.

Vacant  
LG Division 12

Pat Lynch  
LG Division 13  
269-760-3732  
plynchrph@yahoo.com  
My main objectives for this year are to get each club to designate a social media specialist to help us all to better learn to use this tool to reach out and to recruit new members.

Ellen Eich  
LG Division 14  
616-502-0902  
e_eich@yahoo.com  
Member retention and involvement, recruitment of new members and providing a source of inspiration, fun and guidance for Division 14 is what I see are the priorities of the Lt. Governor position.

John Allen  
LG Division 16  
517-881-0933  
allen-john@comcast.net  
As Lt. Gov for Division 16, I am a resource for my clubs. I assist them with recruiting new members, education, and keep them updated on developments in the Michigan District and Kiwanis International.

Tod Sorensen  
LG Division 17  
810-691-0754  
tods1960@gmail.com  
As Lt. Governor my primary responsibility is to further the vision of the Executive Director of the Michigan District of Kiwanis, by being a liaison, a mentor, and a support mechanism for the clubs of Division 17 is accomplishing their club goals."

Cheryll Warren  
LG Division 18  
989-277-3106  
cheryllwarren@gmail.com  
Lt. Governor for Division 18 which includes the Kiwanis clubs of Chesaning, East Lansing, Haslett, Owosso, Shiawassee-Owosso, St. John's and Williamston

Duane Miller  
LG Division 19

administrator@mikeyclub.org  

Dear Greg,  
Thank you for your patience in waiting for this communication. Please find the requested picture, along with the informational blurb.

Greetings to all my name is Larry Kirby and I am honored to serve as the Human and Spiritual Values Chairman for the Michigan District. I have been a Kiwanis member for four years. My wife Sharon has been involved for about 12 years. We love this organization and are pleased to serve in this capacity. Please feel free to communicate with me regarding any Spiritual and Human Values related issues that you see in your club. This will help us determine the direction the Spiritual and Human Values responsibilities will develop into over the next few years. For any help that you may need or any input that you may have please feel free to contact me at 989-464-2649 or email me at ldkirby02@charter.net.
Thank you for your patience in waiting for this communication. Please find the requested picture, along with the informational blurb.

Dear Greg,

Greetings to all my name is Larry Kirby and I am honored to serve as the Human & Spiritual Values Chairman for the Michigan District. I have been a Kiwanis member for four years. My wife Sharon has been involved for about 12 years. We love this organization and are pleased to serve in this capacity.

I am responsible for the leadership education and development for the Michigan District of Kiwanis. These functions are primarily performed during CLE, FLE, Midwinter Growth, and District Convention, and apply to all Kiwanis members.

Please feel free to communicate with me regarding any Spiritual and Human Values related issues that you see in your club. This will help us determine the direction the Spiritual and Human Values responsibilities will develop into over the next few years.

Thank you for your patience in waiting for this communication. Please find the requested picture, along with the informational blurb.

Sincerely,

Larry Kirby
Human & Spiritual Values
989-464-2649
ldkirby02@charter.net.

Please feel free to communicate with me regarding any Spiritual and Human Values related issues that you see in your club. This will help us determine the direction the Spiritual and Human Values responsibilities will develop into over the next few years.
Justine Arvizu  
Public Relations & Marketing Coordinator  
989-928-9216  
justinearvizu@gmail.com  

As the public relations coordinator I am responsible for helping publish news to our members and to grow the Michigan Kiwanis brand. I am also a resource available for all clubs who may need help with public relations.

David Goodwin  
Risk Manager Chair  
734-507-0326  
DGoodwin@GLAinsurance.com  

As District Risk Manager, I am the local liaison between Michigan District members and the International Office for information and input about the Insurance and Risk Management programs of Kiwanis International in the US.

Hayley Thomsen  
Service Chair  
734-276-9154  
haileylynn1010@gmail.com  

The service chair is a new role in our district focused on bringing neighboring clubs together for joint service projects. By collaborating, more can be accomplished for a larger impact on the communities we serve.

Stan Nelson  
Steering Committee Chair  
989-255-4856  
sjnelson04@gmail.com  

The Steering Committee is comprised of the current District Executive Committee, 2 representatives of the Past Governor’s Council, current/past International officers, trustees, or committee chairs. They research and offer opinions relative to resolutions, amendments, and candidates that will be addressed during the International Convention's delegate session.

Alanna Harvey  
Strategic Planning Chair  
517-896-0488  
alannawh@aol.com  

The strategic planning committee develops and monitors the long range goals of the district. We review, revise and approve the Vision and Strategic initiatives to ensure a strong future for our district and provide continuity as leadership changes.

Wendy Brys  
Young Children Priority One Chair  
517-673-0564  
wendybrys@gmail.com  

Focuses on children prenatal through age 5. Early Child development.

Alex Brace  
Youth Protection Chair  
517-253-0729  
alex.brace24@gmail.com

Engage your Service Leadership Programs as part of the Michigan Kiwanis Family

“Thank you for supporting your district Service Leadership Programs by your club gift of $3 or $5 a member which helps cover our travel and other expenses. And do invite us to be a program for your club meeting. We love to share how K-Kids, Builders Club, Key Club, Circle K, Aktion Club, and Key Leader are providing service to local communities and building leadership skills.”

You Need To Know

During a three-day leadership weekend, Key Leader inspires young people to achieve their personal best through service leadership.

You will make new friends, experience small and large group discussions, and engage in team-building and leadership development activities.

Since 2005 there have been over 30,000 Key Leader graduates at nearly 600 Key Leader weekends.

Now is the time to start recruiting for our 2018 Key Leader Event

Who can Attend?

• Any student 14 to 18 years of age

How much does it cost?

• US$250 Non Key Club Members registration cost
• US$225 Key Club Members registration cost
• Cost includes all meals, lodging and program materials for the weekend.

Financial assistance?

• Some districts have scholarships available.
• Check with your local Kiwanis clubs, school, local businesses or other community organizations to see if they can help.

Questions?

Faholo Conference Center located in Grass Lake, MI - Visit their Website at www.faholo.org

Registration will be available late January early February
**PACK YOUR BACK** is a nonprofit organization that is committed to enhancing the educational experience for underprivileged students. It is our mission to facilitate a variety of events throughout the year that help students and teachers get the supplies they desperately need in the classroom.

As **PACK YOUR BACK** continues to grow, we are always developing programs to help students reach their fullest potential. This year, we are partnering with the Kiwanis International Michigan District to launch a program titled, “**TOTES FOR TEACHERS**.”

“**TOTES FOR TEACHERS**” will allow Michigan teachers to get the supplies they need to make their classrooms function, such as Kleenex, white board markers, etc. These supplies will be delivered to teachers each quarter after the **PACK YOUR BACK** team determines what schools are in need, based on funding and nominations.

As we launch this program, through the partnership of MI Kiwanis & **PACK YOUR BACK**, funding is needed to help facilitate this program. In return, your club will be featured on a letter inside the tote bags and recognized on the **PACK YOUR BACK** website. Additionally, the funds your club donates will go directly towards teachers surrounding your club.

There are different levels of sponsorship, and we are humbly accepting any amount donated to support this program.

To gain more info on **TOTES FOR TEACHERS**, and how to donate, or have a teacher in your club area schools nominated, please visit: www.packyourback.org/totes-for-teachers. There you will find the application to be completed by a teacher. Totes will be delivered to the teachers in selected schools in the following waves:

- **JANUARY 2018**
- **MARCH 2018**
- **SEPTEMBER 2018**
- **NOVEMBER 2018**

If your club would like to support this initiative, please contact Galen Miller at gmiller@packyourback.org or via phone at (877) 932-5277 Ext. 701.

We hope you are able to support this endeavor and look forward to answering any questions you may have.

Sincerely,

Galen Miller

Sorry I cannot attend but I would still like to contribute to the cause: __________________________
"Kids at Christmas" is the annual Signature Project for GR North Kiwanis for more than fifty (50) years. The purpose of the project is to help children, who are at risk of not having "Christmas" (no toys, no gifts, etc., etc.).

The project has evolved over the years. We have always used the Kent County Access program to help find families. In recent years, we were not satisfied that we were reaching enough very needy children, so we reached out to the local inner-city grade schools, where we have members who tutor, and we have "Terrific Kids" programs in place.

We surveyed the teachers, first to see if there were kids who are "underserved" and most likely would not have much of a "Christmas".

The process is that we deliver nomination forms to the four inner-city grand schools- Palmer, Coit, East Leonard and Aberdeen on October 1st. We collect these three weeks later. We take the next week to find the 100 neediest kids.

At our board meeting in October, we passed a budget of $8000, $2000 of which would be donated to St Alphonsus Church NE Pole Toy Store, and the remaining $6000 would buy other gifts for the kids. We also set a goal to help 100 kids.

St Alphonsus Church is a partner. The church (located in the core neighborhood of most of our needy kids) asks its parishioners and community partners to donate new toys and money so that they will have $75,000 worth of toys.

In the church gymnasium, they set up a toy store. They post three 2 hour shopping times. Any family registered in the food pantry data base, can come in and buy new toys at 10% of the retail cost with a maximum of retail value of $150 per family- volunteers help people shop for the toys and then wrap the toys before the parent leaves. The Toy store serves all of the needy in NE Grand Rapids.

We divide the club into teams of two- we give each team an equal number of children and a budget of $60 per child (plus any other donations). Members contact the parent or contact person (three families had an interpreter for the parents), verify the number of children, address, contact info, etc.

Christmas 2016 was the best ever, as we served 100 very needy children- we had three homeless families, and three refugee families (non-English speaking). The teams first set up for the family to shop at the NE Pole Toy Store- 80 of the 100 kids had gifts from the Toy Store- The teams then find a time to go shopping with the parent for the rest of the gifts. The parents can take the gifts home and wrap them or the teams can wrap and deliver to the home.

We had two other partners besides St Alphonsus- Meijer and Walmart- Meijer donated $960 in gift cards, and Walmart donated $300 to our foundation which covered the cost of families buying the toys at St Alphonsus.

This project brings out the very best from our members. Every able bodied available member is involved and spends time helping. 26 members worked on the project with the total hours being 350.

This year's project was significant as it helped us gain two new members. Kurt and Kelly Lang came to two of our noon meeting the weeks prior to the NE Pole store at St. Alphonsus, and asked if they could help at the store. Needless to say they joined and then also helped with a family.

We work at using the Kiwanis brand as St Alphonsus had use of the logo for their publicity, as well as the four schools. We also make good use of our website and Facebook page.
Kiwanis Club of Garden City encourages partnerships

Our Club has had a long term relationship with the Garden City Rotary Club. The main partnership has been a joint sponsored Christmas party for disadvantaged Children in the Garden City School system. It has all the elements of a Christmas party (Santa, presents, food and entertainment). Serving around 200 children, it has been a success. We also assist and support each other in other events. Recently our club has joined with the Westland Area Jaycees (Westland, Garden City and Wayne) in painting fire hydrants in Garden City. Our involvement with the Jaycee project led to discussions with the Jaycees about projects that each club has and that might better be served by joining forces. Traditionally the Westland Area Jaycees have had an event called “Touch A Truck” at which children could climb all over various types of trucks and mechanical equipment. Traditionally our Garden City Kiwanis Club has had a “Kids Day In The Park” that we sponsor at which we have inflatable equipment that the children can climb on, bounce on and slide on. We also have face painting, finger printing, cookie decorating etc. and entertainment including balloon animal making. Normally we get approximately 200 children and their parents/grandparents at our event. By joining our project with the Jaycees project, the number of children attending rose to over 600 plus the adults. We are making good friends within both clubs which can lead to a more positive future for our club.

At present we are a club of about 60 members in a town of around 25000 residents. Our newest joint project is with the Garden City library and the Garden City Hospital. We started an informational project called “Books For Babies” with the help of our Library Director who found appropriate material to give to the hospital for distribution to new Garden City mothers. Included in the material is a book and a number of pamphlets explaining the advantages of reading to babies pre and post birth. Also included is the babies first library card. Below you can see pictures of these partnerships.
Woodhaven Kiwanis Teams up with the Community

Celebrating life of Flat Rock teen Activist, Ryan Sergent, on the 20th Anniversary of his passing, the Kiwanis Club of Woodhaven teamed up with An Apple for Ryan and schools throughout the Downriver Community, to deliver 7,000 pounds of nonperishable food to eight local pantries on Saturday, October 7th. This was An Apple for Ryan and the Kiwanis Club of Woodhaven’s nineteenth consecutive annual delivery.

Schools from Flat Rock Public School, Gibraltar Public School, Southgate Public Schools joined with all eight Woodhaven-Brownstown Schools to collect food the first week of October. Porter-Clark Chiropractic office also served as a collection location for both food and financial contributions.

Kiwanian Paul Elsey, said, “Kiwanians were concerned about picking up 336 cases of purchased food from Aldi’s on Thursday evening.” The Woodhaven High School Hockey team stepped up and the food was moved within an hour.

Saturday morning, a team of 44 community volunteers met at Bates school at the early hour of 7:30 am to load four buses with food. Once the buses were loaded, our crew was off to deliver food. Starting with Our Lady of the Woods in Woodhaven, next Faith Lutheran Church in Brownstown, Community Lutheran Church in Flat Rock, Gibraltar Food Pantry in Gibraltar, Southpoint Community Christian Church in Trenton, Downriver Food Pantry at St. Patrick’s in Wyandotte and finally to the Downriver Salvation Army in Wyandotte. Volunteers return to Bates about 11:00 am tired, fulfilled and knowing they kept Ryan Sergent’s spirit of Community Service alive in our community.
This year, like every year, the Kiwanis Club of Woodhaven celebrated Veteran’s Day by preparing breakfast for the residents of Piquette Square. Piquette Square is a 150-unit apartment project in Detroit to house and care for homeless veterans. Piquette Square offers support services to help the veterans become self-sufficient and re-enter into the community.

Meeting early in the morning, Kiwanians and friends, carpool down Brush Street in Detroit. Once there, the preparation begins. The grills are set up, pancake batter prepared, sausage put in the oven, and coffee pots are perking. In short order, under the direction of Kiwanis Mike Gyolai, breakfast is prepared and veterans from the Piquette Square join Kiwanis for breakfast in the community room. The tables are decorated with placemats made by the fifth graders at Bates Elementary School in Woodhaven.

The real fun begins after breakfast with raffles are held and prizes distributed. Under Kiwanian, Rosemary Robbin’s, leadership, Kiwanians make pillows representing the branches of the armed forces. Woodhaven Senior Citizens make quilts and blankets for the veterans. However, the most important part of the day is the conversation and story swapping that goes on between residents and Kiwanians.

Cheryl Allen, Manager of Volunteer Services, at Piquette Square thank all the Kiwanians for taking the time to honor our Country’s veterans.
Small but Mighty – Kiwanis Club of Whitmore Lake

For the Kiwanis Club of Whitmore Lake, 2017 earmarks the 70th Birthday of the club. Throughout the club existence, Whitmore Lake has been honored to serve the Michigan District with Lieutenant Governors and Past Governors. Club President, George Brown, was the first ambassador and a major proponent of the life-changing event, Michigan Key Leaders.

While the Kiwanis Club of Whitmore Lake is a small club with seventeen members, the club is mighty. Our members have passion to support children – it’s vital for us that we build better, stronger, civic-minded leaders within our community. As Kiwanians, we work together by uniting resources and responding to the needs of our community. As forward thinkers and different makers, Kiwanis is a mighty force in Whitmore Lake to improve the lives of others.

Our club sponsors two service leader program: Key Club and Builders’ Club. Whitmore Lake High School has over 70 Key Club members! Key Leader has made such an impacted in the high school that honor society students are required to be members of Key Leader. Eric Kobeck, Whitmore Lake High School Science Teacher, is the Key Club Sponsor. Kiwanis works with the Whitmore Lake Elementary School to support Builders Club for Sixth Graders. This year’s club theme is “Building a Better Community”. Aimee Taylor, Whitmore Lake Elementary Physical Education and 5th/6th Grade Teacher, is the Advisor, and champion, for Builders Club.

Nothing puts smiles on faces like children and family-filled events. The Whitmore Lake Club sponsors numerous fun-filled events and community gathers throughout the year from the Community Easter Egg Hunt and the 4th of July Parade to the Elementary School Pumpkin Carving Contest and Community Trunk or Treat event. With Kiwanis, each event is geared to bring the community together and keep children first!

How does the Whitmore Lake Club make it happen? The Annual Christmas Tree Sales, 5K/10K Run, GoFundMe and Corporate Sponsorships are fundraisers that support the Annual Kiwanis 4th of July Parade. The Kiwanis Rummage Sale Store helps the club raise funds to sponsor many children programs such as the Dictionary/Thesaurus program, children sports activities, High School Service Clubs, Student Scholarships, the weekend backpack food program, Feeding His Sheep.

There is nothing wrong with being small. At the Kiwanis Club of Whitmore Lake, big things are completed in mighty ways! Small but mighty…that’s the Kiwanis Club of Whitmore Lake. www.kiwanisofwhitmorelake.org

Downriver Club hopes to launch new clubs

Kiwanis hopes to launch new clubs in Lincoln Park and Taylor to join the eight existing Downriver clubs. “Many of the Downriver Clubs focus on their specific areas,” While Kiwanis is worldwide, they make a significant impact Downriver. Kew said last year more than 94,000 children Downriver benefited in some way from a Kiwanis program, and the eight Downriver clubs put in more than 23,500 hours of community service.

A major project of the Allen Park Kiwanis, is the Harold Duda Tot Lot, which has handicap accessible play equipment. “They spruced up an existing park that was there,” Kew said. “It’s an amazing park and it is always packed with kids – they just love it.”

She said the Allen Park Kiwanis Club received a generous donation of more than $1 million through a member’s will, with the only stipulation being that the money be used to help people with impairments, which led the club to create an accessible playscape.

“They have all kinds of equipment over there that is wheelchair friendly – there are hands-on, motor skill things, so that is really their baby,” she said.

The club sponsors several school leadership programs that promote volunteerism and teach team-building. “A huge focus for us is service leadership programs, for every age, from elementary through college, which is unique to Kiwanis,” she said. “None of the other organizations meet the whole spectrum, so we really work on building leaders from the time they are starting school all the way through college until they are ready to step out into the adult world.”

She said she sent a young man from Flat Rock High School to a Kiwanis leadership weekend, and by the end of the weekend he was eager to start a Key Club at his high school.

“The switch in his motivation was incredible,” she said. “When he went back to school on Monday he found a teacher that would agree to sponsor the club, he went to his principal and got permission and he had 33 students signed up by the end of that first day.”

Kew said Dearborn’s Fordson High School Key Club went to Flat Rock High School and helped launch its Key Club and taught the students what they needed to know.

Kew said she helped create the Greater Gibraltar Club last year because she saw what she considered a gap in coverage. It meets at 6:30 p.m. Tuesday at the Gibraltar Community Center, 29340 S. Gibraltar Road, Rockwood, and is currently building a wheelchair ramp for a young girl in Lincoln Park.

“They have been chartered now since May,” Kew said. “They just hit the ground running. They are doing amazing service within that community, and they are a club that is willing to reach out of their community.”

CLUBS PAID MEMBERS

Kiwanis Michigan December 2017/January 2018

Wednesday April 25, 2018 | Lambton Inn, Sarnia, Ontario

On behalf of the members of Sarnia-Lambton Golden K, I wish to extend this invitation to you, your fellow members and partners to join us for this annual bi-national celebration and banquet.

This is a preliminary notice of this event and I will provide more details regarding our keynote speaker, ticket price etc. in due course. Bobby Moo Young, District Governor of the Eastern Canada and Caribbean District has confirmed that he will be one of our honoured guests that evening.

April 25, 2018 will mark the 30th Anniversary of this banquet and we are looking forward to a wonderful night of food, fun and fellowship as Kiwanians when we will celebrate and affirm the special bond of friendship that members in both countries cherish and enjoy.

Please share this advance notice with fellow Kiwanians and do not hesitate to contact me if you have any questions.

Sincerely,

Allan McKeown
