Last month I discussed telling others WHO WE ARE now let’s tell them WHAT WE DO. We help the children of our community, our state, our nation and the world. For our state and nation, we give scholarships to students to attend college or vocational schools, give funds to the Boy Scouts, Girls Scouts, YMCA programs and various youth camps. We give disaster aid to those in need. We package food for the hungry. This food is distributed locally, in our state, our nation and globally. We work on global programs to eliminate Iodine Deficiency and Maternal Neo Natal Tetanus.

We do many, many more projects that help the children. I am sure this list could go on for pages. Remember some of these when you explain to someone else WHAT WE DO. Tell others WHAT WE DO. If our friends do not even know WHAT WE DO as Kiwanis members how can we expect them to understand our goals and aims. Besides telling others WHO WE ARE tell them WHAT WE DO.

Tell everyone WHAT WE DO

And remember WE ARE KIWANIS

Fran Babbage | 2019-20 Governor-Elect

A few of the community events we do are:

- Designing and conducting programs locally such as reading to the students,
- School Backpack drives for the needy children,
- Distributing dictionaries to third grade students,
- Running Kids Day events with games, crafts and food,
- Building beds for the children,
- Helping build homes to shelter the children and making quilts for the preemies in hospitals.
February
1 Second District Board Meeting, 9:30 am Mason
8 Past LG Council Meeting
11 District Convention Planning Meeting
15 Deadline for ALL CLUBS filing IRS 990
28-March 1 Key Club- District Convention, Kalamazoo

March
1 Key Club- District Convention, Kalamazoo
7 Spring Divisional- Divisions 11-15
14 Spring Divisional- Divisions 10, 16, 17, 18
20-22 Circle K- District Convention- Grand Haven, Spring Lake
28 Key Club Fashion Gala - Dearborn

* indicates dates and events Club Presidents and Secretaries should note
We are through with the first quarter of the Kiwanis year... where has the time gone!? We have three main focuses of the year: to strengthen our members experience, streamline communication, and increase non-dues revenue. I am happy to say we have moved the dial on all three areas. However, we are nowhere close to calling the job completed on any of them, so please continue to work on all areas and share your skills with our district chairs.

It has been an exciting four months for the first gentleman, Junior Governor (Max’s self-proclaimed nickname) and myself, meeting so many of you. Our clubs in Michigan are doing some pretty phenomenal things. I am excited and intrigued to visit each club and hear of the unique ways you are each serving your community. A few standout service projects were Senior Citizen Sock Hop, all-inclusive playground, tutoring services, babysitting (by donation of a child’s winter coat) while parents did Christmas shopping), reading glasses for kids. This does not begin to tip the iceberg on the tremendous efforts happening in our Mighty Michigan District.

Haven’t seen the Governor at your club yet this year? INVITE ME! I make every effort to get to events/fundraisers/meetings that I’m invited to. So don’t wait for me to contact you, please contact me: Governor@MiKiwanis.org.

We rounded out quarter one with a trip to Michigan from our Kiwanis International President Daniel Vigneron and his beautiful wife Faby. President Daniel requested to do service while he was in town and boy did we deliver. During their 72 hour stay in Detroit, they participated in 5 service projects that impacted approximately 5,500 youth! Res, Non Verba is President Daniel’s motto for the year and it means Actions, not only words. I think all that met him can agree he is a true example of this motto.

Sarah Kew | 2019-20 Governor | Michigan District
Governor@miKiwanis.org
**Candidate for Governor-elect 2020-2021 | Serve the Children of the World**

**Honored to Serve the CHILDREN of THE WORLD**

**KRIER:** Today we are with our Distinguished Past President and current Lt. Governor Frank Palazzolo as he announces his run for Michigan District Governor-Elect. Welcome Frank!

**PALAZZOLO:** Thank you for the invitation!

**KRIER:** What motivates your desire to become Governor of the Michigan District?

**PALAZZOLO:** I believe that many of our State’s children currently are at risk from illiteracy, opioid abuse, sex trafficking, bullying and suicide. The Kiwanis family can help find solutions to those problems with the right leaderships - and that is what I believe I bring.

**KRIER:** What qualities and skills do you possess that you think would make you effective?

**PALAZZOLO:** In order to be effective, I believe you need vision, experience, and leadership skills. While I was Mayor of my hometown, I was selected to speak before the House Judiciary Committee (which was also broadcast on CSPAN - to possibly a million or more people), I also served on the I-94 International Trade Commission. In addition, while Mayor, I oversaw a $50 million Budget and a $32 million Pension Fund. I hold 2 undergraduate degrees from U of M, an MBA, and I worked in administration at the Henry Ford Health System for 19 years. I think that makes me “seasoned”.

**KRIER:** What have you accomplished just within Kiwanis?

**PALAZZOLO:** I have been a member for 32 years. While I was President of Detroit No. 1, I negotiated the contract with the District that created the Founders Day Celebration. But probably my biggest accomplishment has been convincing the Detroit Historical Museum to become the repository and archive of our Club’s earliest artifacts and documents, dating back to the very founding of Kiwanis. Many of the documents have now been digitized and are searchable through their website. I felt it belonged to everyone in Kiwanis and it was important to preserve it for future generations.

**KRIER:** What would you like to accomplish during your term as Governor?

Palazzolo: I am committed to our continued fight against illiteracy, but during my year as Governor I would also like to place special emphasis on suicide prevention. No community in the state is immune from it. Globally every 40 seconds someone takes their life. It is the second leading cause of death for those between the ages of 15-29. It is a public health issue that needs to be addressed so that “at-risk” persons can be identified early and interventions can be initiated. Since it often occurs during High School and we already sponsor numerous Key Clubs, I believe we have the means to address this issue.

**KRIER:** What about our continuing issues surrounding membership both in numbers and average age?

**PALAZZOLO:** Like the NFL owns Sunday, I would like Kiwanis to own a month, with each Club holding a publicized fundraising event, networking event, and Service project in that month - to saturate the local news cycles and bring focus to our mission in the eyes of the public. This will make recruiting easier.

**KRIER:** Anything else you would like to tell your fellow Kiwanians?

**PALAZZOLO:** The old Chinese proverb says that “a Journey of 1,000 miles begins with a single step”. I believe we are at the beginning of a renaissance for Kiwanis - and I’m excited to have a chance to lead it.

**EXCERPTS FROM AN INTERVIEW WITH DETROIT NO.1’S NEWSLETTER - THE KRIER**

We Are Kiwanis!!!
executive director || 4 Words 4 2020

WELCOME TO A NEW YEAR, DECADE (SOME MAY DEBATE WHEN THE DECADE STARTS) AND A NEW OPPORTUNITY FOR YOUR KIWANIS CLUB TO MAKE ADDITIONAL IMPACTS IN YOUR COMMUNITY. I WOULD LIKE YOU TO FOCUS ON 4 WORDS FOR THIS YEAR. FOR THE NEXT 4 BUILDER ISSUES, I WILL TACKLE EACH OF THOSE WORDS AND GIVE YOU SOME IDEAS OF HOW YOU CAN INCORPORATE THEM INTO WAYS YOUR CLUB THINKS AND TAKES ACTION.

COLLABORATE – The dictionary definition is: to cooperate with an agency or instrumentality with which one is not immediately connected; or Two or more people working together towards shared goals. How many of your current club service projects and fundraisers are in collaboration with another organization? These organizations can include your Service Leadership Programs, other Kiwanis Clubs, other service clubs, businesses in the community, non-profit organizations, entities in the community such as the Chamber of Commerce, fire department, police department, public schools, library, parks and recreation department or Kiwanis national partners such as Children’s Miracle Network, Jaycees, Boys and Girls Clubs, etc.

If you are already doing some of this, wonderful. You already know the benefits of working on a common goal, more hands to help, sharing the planning and expense. Consider other opportunities to develop more collaboration. Perhaps your Kiwanis club and another organization can jointly develop a brand new event to address an issue in your community.

If you aren’t currently collaborating on anything you are missing an opportunity to make a greater impact in your community. We are all about making a difference in people’s lives, especially children. Maybe you have been considering abandoning an event because the same people who have doing it year after year are getting burned out. If your event is benefitting particular organizations, ask them to partner and help out. That keeps the event going, it can reach more people and have a greater impact.

Collaborate is a word our Kiwanis clubs need to embrace to remain vibrant and grow.

Greg Smith | Executive Director | Michigan District
executivedirector@mikiwanis.org

COLLABORATE

4 Words 4 2020 and those words are: collaborate | participate | network | innovate

PARTICIPATE

USE IT, PUT INTO ACTION AND HAVE FUN WITH IT.
Hello everyone and happy 2020! I am very humbled to read about all the great service projects you are doing in your district. The impact many will feel because of the projects you do is impressive. Governor Sarah is leading by example and letting her actions speak louder than words. This is also President Daniel’s motto for the year “Res Non Verb” which means “Actions not Words”. President Daniel says lead by example, let your actions speak louder than words.

Governor Sarah is very proud of all of you and brags about the service and plans for growth for this year. Governor Sarah reminds us all to stand tall with pride for the impact you are making in your community’s. She reminds us of how proud we should be of our Service Leadership Program members and how much more we can do with them if we reach out to them.

In the words of John Lennon, “You may say that I’m a dreamer, But, I’m not the only one”. We can all inspire one another to talk about Kiwanis to others, invite them to service projects or your meetings. Remember what we get out of our clubs (our Kiwanis membership) will be directly proportional to what we put into it. Lead by example and engage in meaningful service.

This year’s international Convention is in Indianapolis, June 17-20. There are many new packages being offered this year. Kiwanis is serious business with a playful spirit. So that’s exactly what this convention will be — a union of grown-up commitment and childlike exuberance. Come to Indianapolis for leadership education with a playful twist.

Captain “Sully” Sullenberger is just one of the extraordinary speakers.

I really appreciate each and every one of you and what you represent. I am so proud to be serving the Michigan district. You are much more than a member of a club, you are a Kiwanian!

If there is anything I can ever do for you, please let me know.

Cathy Szymanski  |  Michigan’s 2019-20 International Trustee

cathy@szy.com
COME TO DCON 2020
FLINT AUGUST 20-23

Fun, Fellowship, Education

Don’t take our word for it, here is what one of our convention speakers has to say.
State Reps. Julie Alexander, of Hanover, and Sarah Lightner, of Springport, welcomed WWII veterans Herb Elfring and Lee Zimmerman of Jackson to the House floor on Wednesday. Elfring and Zimmerman were honored with state tributes and U.S. flags flown over the Michigan Capitol building.

Census 2020 will soon be upon us! And if you’re wondering if there is a place for KIWANIS – the answer is YES! Kiwanis’ call to action is that the most undercounted population group in a census is young children:

Another motivation: Michigan communities will lose approximately $1,800 per person per year in federal support for each person not counted. The census is for ten years: $1,800 x 10 = $18,000. That means for every 56 people not counted, Michigan communities will lose out on $1,000,000 in federal support over the next ten years. Does your club want to give your community more than $1,000,000?

Contact your local Census Hub

Brian Jackson
President, Kiwanis Club of Saginaw
The Kiwanis of Michigan Foundation recently received one of its largest donations ever in support of Michigan's hospitalized children and we want to give a clear and loud shout out to all 28 Members of The Club. Their $18,000 contribution is above and way beyond the annual requested contribution in support of our KFM Foundation of $45/Member and was a direct result of The Tri-Cities Club designating our Foundation as one of the benefactors of The Tri-Cities Club’s largest annual fundraising effort, their Annual Salmon Fishing Tournament. (The “Tri-Cities” are the following three communities in Western Michigan: Grand Haven, Ferrysburg and The Village of Spring Lake). Further, we would be remiss if we did not also note that the Tri-Cities Club Member who started this Annual Salmon Fishing Tournament quite a few years back and who was a true inspiration to The Tri-Cities Club in all of their endeavors passed away in early November.

With this said, I want to share with all of our Michigan Kiwanians some of our thoughts as to a number of ways that our Foundation is pursuing so as to better recognize the kinds of contributions we have noted above, all in support of Michigan’s hospitalized children:

• Dedicating a particular contribution to a particular Club or Club Member by having the contributed funds support a specific and most worthy project (for example The KMF Coloring Books we distribute through our four primary children’s hospitals in Michigan).

• A specific Kiwanis of Michigan Foundation Proclamation recognizing particularly noteworthy contributions of time, talents and funds. These would be presented each year at both our Spring Divisional Meetings and at our District Convention.

• And as part of a more comprehensive Club Recognition Program we are looking at sponsoring and providing to each given Club a Distinguished Kiwanian or Frank O. Staiger Award.

Finally, some more good news. At the end of our Kiwanis Year (about a month ago) your Michigan Foundation was able for the first time provide each of the four children’s hospitals and their Family & Child Life Services Departments with a 13th monthly support payment. We are particularly proud of this in that in past years we had to on occasion actually reduce these monthly payments to our partner hospitals. Our four (4) partner (children’s) hospitals in Michigan are: C.S. Mott’s Children’s Hospital (Ann Arbor), Mary Free Bed Rehabilitation Hospital (Grand Rapids), Detroit/Michigan Children’s Hospital (Detroit) and McLaren/Northern Michigan Hospital (Petoskey).

So as we wait for Winter to truly arrive, your friends at The Michigan Foundation wanted to share with you not only some good news but that we have also been hard at work planning for the new year and what we can do now to further support Michigan’s hospitalized children in need. Also, please let us know your thoughts and ideas as to how we can further the mission of your Michigan Foundation.

Thank You For Your Continued Support Of Our Kiwanis of Michigan Foundation.

Ron Hagen, President & Division 6 Trustee, The Kiwanis of Michigan Foundation
It has long been noted that the true longevity of any organization, especially those dedicated to community service and social progress, is found in the ways in which the organization passes the torch onto youth. An organization can only continue and survive by consistently and continuously courting and recruiting the next generation of its own ranks. Kiwanis is no different; the great and necessary work done by Kiwanis International through its Local Clubs can only continue to impact communities if the young among those communities rise up, join Kiwanis and make it their own to guide into the future.

Fortunately, these demands are being realized as the next generation of Kiwanians rise to the challenge, specifically in the Kiwanis Club of Woodhaven. Most notably, Brenden Hoy of Brownstown, MI (age 22) has made an example of himself by not only joining Kiwanis and consistently participating in events as an active member, but also by rising through Kiwanis ranks to take on leadership positions, even ascending to the position of Kiwanis Club of Woodhaven president in October 2019.

After joining Kiwanis in Summer 2017, President Hoy has always been an active member of the Kiwanis Club of Woodhaven; despite being both a fulltime college student at the University of Michigan-Dearborn majoring in statistics and economics and also keeping a part-time job Brenden has never let his full schedule take him away from Kiwanis participation always finding time to volunteer in both club fundraising events and community service events. In 2019 alone, Brenden took leadership positions on committees for two major Kiwanis Club of Woodhaven events: February 2019’s Kids Against Hunger food-packing drive and August 2019’s Chris Cassette Memorial Golf Outing. Because of his history of both enthusiastic engagement in Kiwanis and dedication to community service, when it came time for the Woodhaven Kiwanians to select a new leader in Fall 2019, Brenden was a quick and easy choice for the position of club president.

President Brenden has also heralded a reinvigoration of sorts of the Kiwanis Club of Woodhaven; in the two years since Brenden joined the club as one of its youngest members, several other young members have joined the ranks as well, with some even as young as age 18. While, with
a membership as varied in age and life experience as Kiwanis, some could expect some division of the club with the recent skew in age, the rapport among Woodhaven-Kiwanians has never been stronger, with senior members of the club welcoming with open arms the new, youngest members. Weekly meetings are always abuzz with constant conversation and jokes between older and younger club members, with hardly a dull moment ever to be had. In fact, more senior members of Kiwanis Club of Woodhaven have taken to jokingly saying that President Hoy, as well as his fellow young Kiwanians, have “youthanized” [sic] the club, with the humor of the wordplay present lost on no Kiwanian.

When asked about both his role as Kiwanis Club of Woodhaven president and as a Kiwanian in general, President Hoy had this to say: “Bringing out young people to volunteer with Kiwanis is something that I’m very passionate about; it’s important to get young people out to volunteer to make sure that there is always a strong cohort of Kiwanians to serve our community and its needs”. With President Brenden Hoy leading Kiwanis Club of Woodhaven, 2020 looks to be one of the club’s best years yet; in addition to record-breaking fundraising, both for Kiwanis itself and the Woodhaven-Brownstown community, in the months since Brenden’s election, 2020 also sees the 2020 Kids Against Hunger event on February 1st poised to be another successful effort.

With the youth of Kiwanis leading the way, the Kiwanis Club of Woodhaven looks forward to engaging the new year with energy and excitement and remains dedicated to serving the community, its needs, and its people.
Kids Need Kiwanians for all kinds of services and activities. These include the Children’s Miracle Network Hospitals and pancakes along with other fundraising activities. Additional events relate to character building and physical fitness with the Law Academy and Fellowship of Christian Athletes.

Children’s Miracle Network Hospitals® provide 32 million treatments each year to kids across the U.S. and Canada. Donations stay local to fund critical treatments and healthcare services. Children’s Miracle Network Hospitals’ partner with Kiwanis and conduct thousands of special events and grassroots fundraisers year-round. Circle K and Key Clubs hold Dance Marathons to help generate millions of dollars each year to provide the best care available to the tiniest of patients. One of the big fundraisers is with IHOP on National Pancake Day. This will be on February 25, 2020. Call your local IHOP and see how you can help invite their customers to donate.

Each summer, the Michigan State Police and the Michigan District of Kiwanis team up to provide a one week opportunity for students from 10th through 12th grade to experience a week of training that introduces them to many aspects of Law Enforcement. This year’s Academy will be July 19-24.

The Fellowship of Christian Athletes (FCA) has served as the “heart and soul in sports” for 60 years and counting. Michigan, FCA and Kiwanis have partnered together to make a difference for kids. Each summer in Michigan, FCA hosts a weeklong sports camp at Albion College and many Michigan Kiwanis clubs sponsor a local athlete to camp. These athletes learn leadership lessons, gain life purpose and return home with a desire to help others. The camp for this year is from June 29-July 2.

The FCA staff would love to speak to your club. If you would like to have them out, please contact Tyler Lucas at tlucas@fca.org. By speaking at your club, they will bring an encouraging message and inform you of local opportunities for further involvement.

APRIL 24 | 25 | 26

STUDENT SCHOLARSHIP
Cost = $260.00 per student for 2020

NEW for 2020 KEY LEADER HAS BEEN PUT UNDER THE UMBRELLA OF THE KEY CLUBS 501©3

Now is the time to start looking for that special student that you or your club can sponsor to attend The Key Leader weekend experience. There are so many places to look for that special student. First stop can be to your local high school counselor, talk to youth ministers at your local churches. Even in your own backyard, do you have a son or a daughter, niece, nephew, granddaughter or grandson who would benefit from this great program? Perhaps you have a neighbor who has a student. The ONLY criteria they need to attend Key Leader is that they attain the age 14 – 18 by April 24, and have transportation to and from camp... That’s it!

New for 2020 GREAT NEWS:
We have put Michigan Key Leader under the umbrella of the Michigan District of Key CLUB International Inc. This will possibly, allow your financial support/contributions to Key Leader to be tax deductible. The EIN number (Employer Identification Number) is #46-2392992. When submitting your checks for Key Leader sponsorships or contributions please make checks payable to THE MICHIGAN DISTRICT OF KEY CLUB INTERNATIONAL INC. In the memo section should read Key Leader.

Need More Information?
Please go to the Michigan District Website and download the 2020 Flyers. You will find on the flyer all the information for this year’s Key Leader Weekend to be held on April 24-26, Still have questions? do not hesitate to contact me, Carol Abadie, Michigan District Chair – Cabadie@comcast.net call or txt (734) 624-1190. You do it every day. You serve children and help them reach their full potential. Key Leader is one more tool you can use to show students how to effectively lead and make a difference in a young student’s life. When you and your club offer a student a scholarship to attend a Key Leader weekend, you give several gifts in one: knowledge about how to set goals and get involved in the community, tools for building self-confidence and friends to help along the way.
Michigan District Key Leader Camp – Contribution Form

Our goal is to help send as many young students, ages 14 to 18 from the entire state of Michigan to Key Leader. Below is a list of ways you or your organizations can help us bring this life-changing opportunity to the Michigan Kiwanis District Students.

No contribution is too small

- $10 Sponsor supplies for each student Facilitators bag – (need 8)
- $50 Sponsor Juice boxes for the weekend
- $150 Sponsor the snacks for 72 students for the weekend
- $700 Sponsor the T-Shirts for the camp – (need 72)
- $500 Sponsors one breakfast – (need 2)
- $600 Sponsors one lunch – (need 1)
- $750 Sponsors one dinner – (need 2)

- $125 Sponsors the cost for one student facilitator - (need 8)
- $260 Sponsors the cost of one student participant- (Max 72)

I/We wish to contribute $_________ that can be used for any necessary expense for Key Leader.
