Re: FCA/Kiwanis Camp Scholarships

The Fellowship of Christian Athletes continues to provide a world class experience for athletes who want to reach their potential through comprehensive athletic, spiritual and leadership training. What is this experience?

Michigan FCA Multi-Sport Camp at Albion College

“STRONG” is the 2018 Camp Theme!

For nearly four decades Kiwanis and FCA have teamed to change the lives of young people through a week of “inspiration and perspiration”. We would love to see each Kiwanis club to provide this opportunity for a young person from their community.

The Michigan FCA Multi-Sport Camp at Albion College will be held July 9-13, 2018 and will host athletes from a variety of sports. Athletes must be between the ages of 12-18 or in grades 7-12. Each club would select a candidate from their community and provide the scholarship that covers all on-site expenses. If the club desires, FCA would help in the selection process by contacting the area schools. The cost for this life-changing week is only \$395 (if registered by July 3)!
