"Show Me The Money"
The
Michigan District of Kiwanis
Fund Raising Idea Box

Michigan District of Kiwanis International

86th Annual District Convention
Saturday, August 23, 2003
Gaylord, Michigan

Presented by
Sue Petrisin
2001-2002 Governor
Dear Friends,

My sincere thanks to everyone who helped make this packet possible. From the Kiwanis members who participated in the Fall Leadership Conferences to those who submitted their club's fund raising projects, you're the best!

Good luck raising funds as we continue to "Serve the Children of the World".

In Touch With Kiwanis, I am,

Sue Petrisin
2002-2003 Finance & Fund Raising Chair
2001-2002 Governor

Go Green!

New Fund raiser Yes

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)
2 months

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

What did the project involve?
1. Obtaining the location (held at St. Paul's Parish (no charge) and plenty of parking)
2. Printing tickets & flyers
3. Selling tickets
4. Ordering ingredients (much was donated)
5. Baking desserts
6. Cooking chili and soups
7. Actual supper (includes set-up and clean-up)

What were the club's expenses in the project? List the items and $ amount.
$272.53 - most was food; we had many donations - mainly from club members

What problems did you encounter?
Small club but able to handle the project because of Circle K participants

What was successful about the project?
Members got to know each other better. Worked with some Circle K members from Ferris St. U and go to know them better. First food project.

Would you do this project again? Would you recommend it to other clubs?
Yes - Yes; know how to do it more efficiently

If you partnered with a company, list their contact information here.

* 7 Circle K members assisted

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

May - August

What did the project involve?
School Shop Class built house. Kiwanians sold tickets, moved playhouse around county to sell tickets

What were the club’s expenses in the project? List the items and $ amount.
Raffle license - $50
Construction material - $850
Tickets - free
Other prizes - $75

What problems did you encounter?
None

What was successful about the project?
Exposing Kiwanis name to more people

Would you do this project again? Would you recommend it to other clubs?
Yes - Yes

If you partnered with a company, list their contact information here.

New Fund raiser No
If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

  September for Peanut Week
  December for Gourmet Nuts
  September - October - Scrip (ongoing)

What did the project involve?
Making signs, having containers, making schedules, ordering nuts, finding places to have fund raiser, publicity on Scrip and Gourmet nuts and sending orders, receiving and distributing

What were the club’s expenses in the project? List the items and $ amount.

What problems did you encounter?

What was successful about the project?
Scrip is so successful because we need the scrip for ordinary day use. So it is an easy way to do since we will get a profit just for using these ordinary day use "coupons"

Would you do this project again? Would you recommend it to other clubs?
Yes

If you partnered with a company, list their contact information here.

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

  Contracting composition and printing February-April
  Selling Ads - October
  Distribution of papers - 2 days in December

What did the project involve?
  Selling ads
  Distributing papers

What were the club’s expenses in the project? List the items and $ amount.
  Printing - $500
  Composition - $120

What problems did you encounter?
  Meeting deadlines for ad sales

What was successful about the project?
  Profit

Would you do this project again? Would you recommend it to other clubs?
  We have done this project for a few years now and is one of our most profitable fundraisers.
  It is a lot of work, but very profitable.

If you partnered with a company, list their contact information here.

New Fund raiser
No - this is the first year Kiwanis - full sponsor

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

October 2003

What did the project involve?
Course layout - promotional mailing to runners - ad in running magazines - get sponsorship from local business - get prizes for drawing (20 prizes) - lay out work schedules

What were the club’s expenses in the project? List the items and $ amount.
Mailings
Timer rental - $600

What problems did you encounter?
Signs for 3.2 mile and 7.2 need to be clearer; also sign at trail where they split; computer software couldn’t handle 3.2 times

What was successful about the project?
The increase from 87 to 142 runners

Would you do this project again? Would you recommend it to other clubs?
Yes - Yes

If you partnered with a company, list their contact information here.

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

No

What did the project involve?
Purchase or donations of glasses; set up / repair of tables, coordinate pizza sales, organize volunteers

What were the club's expenses in the project? List the items and $ amount.
Glasses; lumber; pizza, pop, water

What problems did you encounter?
None

What was successful about the project?
Everyone had fun - community asked questions about membership in club; community involvement

Would you do this project again? Would you recommend it to other clubs?
We do this project every year for the Truck Show for 2 days and 1 day during the Canoe Marathon Week.

If you partnered with a company, list their contact information here.
We sell Little Caeser's pizza at the Truck Show Dime Toss Event. Jeff Knick is a Kiwanis member and helps organize this event.

New Fund raiser Yes

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)
Made pies 2 days total of 14 hours. Prep time 4 hours

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.
Only make apple pies for Thanksgiving week pickup

What did the project involve?
Planning / coordinating purchase of pie ingredients; making apple pies from scratch; freezing, wrapping, selling (presales), organizing pick up of pies

What were the club’s expenses in the project? List the items and $ amount.
Ingredients for pies - $409
Printing - donated
Advertising - donated by article in local paper

What problems did you encounter?
Space to freeze 125 pies was limited

What was successful about the project?
First time fund raiser sales were very good and word of mouth advertising will increase pre-sales for 2003.

Would you do this project again? Would you recommend it to other clubs?
It is time consuming to make pies but lots of fun. Everyone enjoyed participating. A dedicated club who works together - this project is great.

<tbody>
<tr>
<td>4</td>
<td>October 1</td>
<td>November 24</td>
</tr>
</tbody>
</table>

No# of members involved 60
Dollar Amount Raised $7300 - net $3600

New Fund raiser No - 7 years

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

- We have a 30-day Summerfest Travel raffle - best net - $3300
- We have a spaghetti supper in March netting about $1500

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

What did the project involve?

- Spaghetti supper involves 20 members, about 40 manhours
- Wreath & greens sales involve 60 of 76 members October 1 - November 24
- Summerfest project - several weeks of sales and 40-50 members at August 3 day event

What were the club's expenses in the project? List the items and $ amount.

What problems did you encounter?

- Selling tickets is not a strong point in our club, so we are concentrating on building the holiday greens project into a single annual event.

What was successful about the project?

- All projects are promoted with flyers, advertisements and we send 1500 flyers home with middle school children the day before the spaghetti supper (kids 10 and under are free)

Would you do this project again? Would you recommend it to other clubs?

- The fall project is our best and we have our best spaghetti supper this year. The Summerfest project is inconsistent and iffy. We recommend the other two as fun and profitable.

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)
About one month

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.
Project is held in November

What did the project involve?
Sales and delivery

What were the club's expenses in the project? List the items and $ amount.
$25 for fuel
$4108.47 for nuts

What problems did you encounter?
None

What was successful about the project?
The club earned approximately $2,000

Would you do this project again? Would you recommend it to other clubs?
Yes - we would do this project again and recommend it to other clubs

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)  
Planning, organization from October thru the event in March

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.  
Once annually, the 1st Saturday in March

What did the project involve?  
Soliciting sponsor  
Collecting, purchasing prizes  
Selling tickets, working the day and evening of the event

What were the club’s expenses in the project? List the items and $ amount.  
All expenses are paid from the proceeds of the raffle

What problems did you encounter?  
Since this was our 4th raffle, we have learned and overcome many problems. This project requires many people and a lot of organization.

What was successful about the project?  
Great community involved project. Lots of fun for guests. Lots of winners. Proceeds support many projects.

Would you do this project again? Would you recommend it to other clubs?  
This was our 4th very successful raffle. It will be an annual event. With adequate support, it is highly recommended as a fund raiser for other clubs.

If you partnered with a company, list their contact information here.

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

No

What did the project involve?
Finding a facility that has kitchen capabilities
Purchasing the food needed
Cooking the breakfast itself

What were the club’s expenses in the project? List the items and $ amount.
Buying food - approximately $1000
Timer rental - $600

What problems did you encounter?
No real problems although the weather certainly affects attendance

What was successful about the project?
Made a large profit with relatively little effort

Would you do this project again? Would you recommend it to other clubs?
Yes - we will do this every year. I think other clubs would also benefit from this project.

If you partnered with a company, list their contact information here.

New Fund raiser: Yes

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc)?

Month

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

What did the project involve?

Meeting with skating officials, posting flyers, distributing tickets and sending flyers to school.  
Held during Holiday Break.

What were the club's expenses in the project? List the items and $ amount.

Initial down payment of $350

What problems did you encounter?

None

What was successful about the project?

It helped us raise money to tide us over without a lot of work.

Would you do this project again? Would you recommend it to other clubs?

Yes

If you partnered with a company, list their contact information here.

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)
5 weeks from start to product delivery

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.
No, just November

What did the project involve?
Start end of October, orders in November, preparing order forms, pricing items, compiling case orders

What were the club’s expenses in the project? List the items and $ amount.
(35) folders, (35) manilla envelopes, pickup gas ($25), pizza ($25), ream paper - $100 total

What problems did you encounter?
Breaking case orders into members - sold orders and praying there was the correct number

What was successful about the project?
Product “gourmet quality” and sells itself once tested

Would you do this project again? Would you recommend it to other clubs?
We’re in year six and the profit has increased each year

New Fund raiser No - 3rd year

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

Tennis Tournament held once a year at the St. Johns Mint Festival, August 8-10

What did the project involve?
Obtained 7 sponsors (donated $1100)
150 player entries @ $15 - $2250
Send out applications to tennis players of previous year;
Record fees and players
Send for trophies, have t-shirts printed
Chair spends majority of weekend at the three-day tennis tournament

What were the club’s expenses in the project? List the items and $ amount.
$1600 = Chamber of Commerce ($100), Trophies ($256.30), T-Shirts ($874.50), Tournament help ($200) to set up players, Pictures ($29.50), Postage ($34.00), Tennis balls ($70), Incidental ($36.50)

What problems did you encounter?
None that I know of

What was successful about the project?
We got compliments on how well the tournament was run and gave Kiwanis a good name - it also added to the St. Johns Mint Festival activities

Would you do this project again? Would you recommend it to other clubs?
Yes - we’re doing it again this year; Yes - it certainly beats standing in front of Kroger selling peanuts!

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)

3 months - need to send in to get a license from the State of Michigan

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

What did the project involve?
  Get license from State
  Purchase tickets with license number
  Distribute and log tickets to members. Must account for all tickets at the end of the project
  Selling tickets
  Day of plop - after cow “plops”, draw ticket out until winning ticket is drawn. Must draw out all
tickets to account for them

What were the club’s expenses in the project? List the items and $ amount.
  Cow - $50; License - $50; Tickets - $104; Prizes $1150

What problems did you encounter?
  None - project went very well this past year. Previously we have had the cow “plop” before
  going on the field.

What was successful about the project?
The dollar amount raised for the amount of time spent to complete the project.

Would you do this project again? Would you recommend it to other clubs?
We have been doing this for approximately 15 years. I would recommend a fund raiser like
this.

If you partnered with a company, list their contact information here.

New Fund raiser No

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc?)
About a month of planning and advertising

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

What did the project involve?
The involvement on the school Band Booster program; providing cooking, cleaning and entertainment with our club.

What were the club's expenses in the project? List the items and $ amount.
Just the food items (corned beef, chicken salad bar items, rolls)

What problems did you encounter?
More coming at dinner at not as many for lunch and throughout the day.

What was successful about the project?
Co-partnering and splitting proceeds with a worthy organization

Would you do this project again? Would you recommend it to other clubs?
Yes, it's very easy if you have a facility that will work with you

If you partnered with a company, list their contact information here.

New Fund raiser Yes

If a one-time fund raiser, what time frame was involved in actually carrying out the project (week, month, etc)?

This was a one-time fundraiser. There was about 4-5 months of planning to prepare for the event. The event was held in one evening and that is when most of the labor was expended for the event.

Is this a fund raiser that is held throughout the year? If so, list the times the project is held.

The auction is held once a year, last year was our first auction, and we plan on holding our second auction this May.

What did the project involve?

We partnered with Marlin Art, who has worked with other Kiwanis clubs across the country to host an Art Auction and Evening out with Wine Tasting and Appetizers. Tickets were sold for admission to the event, which covered our expenses with some profit. We also conducted a silent auction of donated items that were solicited by club members.

What were the club's expenses in the project? List the items and $ amount.

The club's expenses were paying for the wine and appetizers and decorations for the hall that we held the event in. Some of the food was donated by local businesses. The hall was donated at our local community center. The total amount expended was approximately $700. Marlin Art does not require any fees from the club, the risk for the sales lie with them alone. If the Art Auction does not go well, we would just not make our planned profits, but we would not be out any expenses, except for the outlay for the food and wine purchased.

What problems did you encounter?

The biggest problem was getting the project moving as it was new to us as a club and many members weren't sure what to expect. Trying to sell tickets to individuals that are likely to purchase art and not just come for wine and appetizers. This is important, as most of the profits are generated by Art sales.
"Show Me The Money"

What was successful about the project?
The attendance was very good for our inaugural Art Auction and we met our profit goals. The individuals from the community all had an excellent time and many are looking forward to the second auction this year.

Would you do this project again? Would you recommend it to other clubs?
I think that this is an excellent opportunity for a Kiwanis Club assuming they can sell enough tickets to make the Art sales profitable. It is important to have at least 100-150 people attend the auction to make the Art sales profitable. We are doing the auction for a second year and hope to increase our profit.
