KIWANIS INTERNATIONAL MINNESOTA-DAKOTAS DISTRICT

101st Annual District Convention and Leadership Conference

Willmar Conference Center
Willmar, Minnesota
August 10, 11, & 12, 2018
It is with great pleasure that I welcome you all to the 101st Annual Convention of the Minnesota Dakotas District of Kiwanis International. We are very happy this year to be returning to the friendly and beautiful city of Willmar. The hospitality, the attractions, the dining, the fishing, the historical sites, and the Convention Center, all add up to make this an outstanding setting for a great Convention. I am confident that while you are attending our District gathering, you will have a wide variety of opportunities to grow as a Kiwanian.

Judie Rosendahl and her planning committee have done an outstanding job of putting together another great program for all of us. Through educational forums and keynote speakers, you will have a chance to explore many topics that will allow you to gather tools that you can use once you are back with your club. Among these topics are membership growth, service to the community, and enhancing your leadership skills. You will also have the opportunity to hear about where our organization is at and where it is going as current and future divisional, district, and international level leaders of Kiwanis share their thoughts and vision.

As Kiwanians, we are constantly looking for new ways to help children and communities. We can never lose sight of the fact that “Kids Need Kiwanis.” We need to look for new and relevant opportunities for service and we need to support and collaborate with our partners in the Kiwanis sponsored Service Leadership Programs such as Key Club, Circle K, Builders Club, K-Kids, and Aktion Club. This Convention will give you all of that.

It is important to keep in mind, Kiwanis conventions are not all about business. It is a great time to meet old friends and make new ones! While you are here, seize the opportunity to engage with others and exchange ideas with your fellow Kiwanians. The possibilities for learning and networking at the Convention are truly awesome.

I would like to thank all of you, the members and the clubs in the Minnesota-Dakotas District, for all of the great work you have done, are doing, and will do, to help make the lives and the futures of the children and the families in our communities so much better. I believe that through enhanced communication and the power of positive relationships, so much is possible. I have truly enjoyed my year as Governor and look forward to working with you as we extend the great legacy and tradition of Kiwanis in the Minnesota-Dakotas District. Have a great Convention!

KEYNOTE SPEAKER
Jay Vargas

“From migrant worker to college professor: Sociology instructor Vargas relates to students with humor, stories”.

This was the heading of an article in the local newspaper that describes Joel Javier “Jay” Vargas, a sociology instructor at Minnesota West Community and Technical College in Worthington Minnesota where his teaching is Diversity/Community Policing/Victimization, Introduction to Sociology, Race/Ethnic Relations, Social Problems, Drugs in Society, Family Violence, and Marriage and the Family.

Because of his passion for teaching sociology, he was named the Minnesota West Community & Technology College Campus Teacher of the Year for 2013-14. Despite having earlier worked in child protection, Jay came to realize that teaching would make a bigger impact and where students enjoy learning from his style of humor, stories and personal connection.

Mr. Vargas is a native of Weslaco, Texas, a town about eight miles north of the U.S./Mexican border. His professional affiliations are Alpha Kappa Delta, American Sociological Association, Gamma Sigma Delta and Golden Key International Honour Society.

Today, he has a collection of hard-fought degrees that would be impressive by any measure: a B.A. in sociology and an M.S. in sociology, both from the University of Texas-Pan American; an M.S. in ethnic and multicultural studies and a graduate certificate in cultural diversity, both from Minnesota State University-Mankato; a Ph.D. in rural sociology from South Dakota State University in 2010; and, most recently, a graduate certificate in child advocacy studies from the University of Wisconsin-Platteville in 2015. Those credentials are all the more extraordinary when we learn that Mr. Vargas is the son of former migrant workers, and notes that “we all have stories, and everyone’s story is important”, therefore he will be speaking about his life and working with young people in today’s society.

We want to reduce the pain and suffering caused by a lifetime of cavities. Through education and proper medical and dental care, cavities are 100% preventable.

Like the Kiwanis, the Minnesota Oral Health Project is dedicated to helping children, with a focus on children ages 0-6 in low-income communities.

We have the following resources that may be helpful to Kiwanis’ initiatives:

- **Bye Bye Germs**, a story book for preschool and kindergartners
- **CrushCavities.com/kids**, a website with games and videos that teach children about how to take care of their teeth
- **Training Tool Kits**, comprehensive free training programs for educators to use with preschooler/kindergartners and their caregivers

Please stop by at our booth so we can learn how to work together.

Thank You!
The Minnesota-Dakotas District would like to thank those individuals, organizations, and Kiwanis clubs who purchased paid ads for our convention booklet!

Thanks, too, to these people for their booth rental during our convention: Books 4 Kids, Landscape Structures, and Minnesota Oral Health Project.

Donations from the ads and booths help defray our convention costs and we really appreciate your support!
