Developing My Introductory Statement

What Are Our Club Strengths

- We are part of a large group:
  - Division, District, National and International Organization
- It fulfills an inner need to serve others (volunteering)
- Social ability and networking: meet people and be comfortable around people
- Develop leadership skills
- Outlet for your energy
- Searching out other people to help
- Learning to plan & execute projects.

Impacting Our Community

- Visibility in our community.
- Recognition in our community for:
  - High school scholarships
  - Distributing third grade dictionaries.
- Our involvement in the community may encourage other to become involved.
  - An opportunity to share our mission with others.
- We assist other local non-profits that also help the community with donations of funds or donation of our time.
- We are proud of what we do for the community and readily share it when we talk to others during the course of our daily contact with others.

Club Community Service

- Shoes for students
- Club for Boys
- YFS Girls Inc.
- Salvation Army
  - Thanksgiving Turkey Roundup
  - Christmas Bell Ringing
- Dictionaries for Third Graders
- Our involvement in the community may encourage other to become involved.
  - An opportunity to share our mission with others.
- We assist other local non-profits that also help the community with donations of funds or donation of our time.
- We are proud of what we do for the community and readily share it when we talk to others during the course of our daily contact with others.
