DIAPERS MATTER IN A BIG WAY! The health and social consequences for babies and families who do not have sufficient diapers can lead to a whole mountain of problems. To help mothers and families in need, MNDAK Kiwanians are asked to bring diapers to our District Convention for our annual collection for the community.

All diapers size preemie to size 6 will be accepted and given to organizations in need in the Fargo-Moorhead area. Make an even bigger impact by holding a diaper drive at your own club before convention and bringing the diapers (or donations to purchase diapers) to the convention!
