

**DON'T FORGET TO BRING DIAPERS TO THE
CONVENTION AGAIN THIS YEAR!**

WE ARE PROVIDING SERVICE TO THE WATERTOWN COMMUNITY
THIS YEAR WITH CONTINUING THE DIAPER PROJECT !!

SERVICE is what KIWANIS is all about ! It is a privilege to help the less fortunate by helping organizations who provide the needs of young mothers in the areas we have our District conventions. Again this year we would encourage each club to bring diapers to the convention. We will give them to needy organizations in the Watertown area.

If you are unable to bring diapers please consider donating money to the cause and we will purchase the diapers for your club. It is such an inspiration each year to see the "wall of diapers " in front of the convention.

You are Kiwanis, we serve. You may not realize the impact this has on a community. The people who benefit from this project know that Kiwanis cares! Let's see how large we can make the wall this year.

AL VANDERLAAN , DIRECTOR OF SERVICE FOR THE MNDK DISTRICT

Don't forget- bring some diapers!
