August 2019

Welcome to the latest news from around our Minnesota-Dakotas Kiwanis District. In addition to articles by some of district leaders you will also find many interesting articles and photos from Kiwanis Clubs in our district.

As always we encourage clubs to submit news articles about their activities, service projects or fundraisers. To submit an article go the District News on our website and find “News-News Story Submission” page  http://mndak.portalbuzz.com/Page/1013

This document is a PDF summary of the latest news that can also be found on the district website. If you prefer you can also view all of our news articles directly on the district website. You can search by District, Division or Club and view or print each article individually or as a group. In addition the photos appear in a larger format on the website. Here is a link to the website  http://www.mndak-kiwanis.org/Page/1012

An archive of current and past MINNEKOTANS can be found on our district website  http://www.mndak-kiwanis.org/Page/1014

Are You Sure You Want to Do That - 7/31/2019
Submitted by: Dave Harms

This is the time of the year that we start thinking seriously about our futures. It is late summer and I have gotten 2 e-mails and one phone call from a Past Governor that they have clubs that are thinking about closing. Have they considered carefully what that will mean to the kids in their communities that have come to count on their Kiwanis Clubs, some of them for more than 50 years? I urge those that are thinking about hanging it up to reconsider. There are many things that can be done to save the clubs that members have enjoyed and been a part of, many of you for many years. I am aware that ageing out is an issue in Kiwanis and many other clubs. I also know that change and accepting change from what used to be is sometimes difficult. You have members who want to do things differently than we may be accustomed to. As much as we are proud of our accomplishments in Kiwanis, we need to be cognizant of the fact that at some point we have to willingly and graciously pass the baton to the next generation. We have done a great job recognizing and that is the first necessary step to ensure that Kiwanis survives into the future, but we have not done as well carrying out that plan. I believe we can and will, but it requires a big leap on our part in trusting the next generation to carry on in our absence.

I don’t want to have more clubs that are below charter strength, but I do also believe that if a club has members that would vote to close, it would be better to not close, and operate the club below charter strength until such time is that they can implement a plan for recruitment and that club’s future.

There are tools, i.e. ACE Program, and another tool that is under used is the Club Satellite program. I would encourage any club and club’s officers that are thinking about closing to ask themselves a couple questions:
1. What have we done and what will the community and the kids miss out on if we are not there?
2. Am I sure that I want to do that?
2. What have we done in and for our community and who will fill that gap?

There are Resources available to help in or near Every Division Please DON'T BE AFRAID TO ASK FOR AND GIVE HELP IF NEEDED. THAT IS STILL THE STRENGTH OF KIWANIS. AND PLEASE SHARE WITH OTHERS THE THINGS THAT WORK.

Last, I want to congratulate the Kiwanis Club of Rochester Daymakers on their 25th anniversary and it was an honor to join them at their 25th Anniversary Celebration.

August Update - 7/30/2019
Submitted by: Stephen K Handegaard

District Convention: Our District Convention in Fargo is just a few days away. Lots of preparation and planning has been happening to ensure that this will be another great convention. It will be a great opportunity to learn new ideas, meet new friends and enjoy great Kiwanis fellowship. I hope to see you there. Further information about the convention can be found on the district website. There is still time to register! https://www.mndak-kiwanis.org/(X(1)S(3jtqkzhquq32oa3mxrkwvvn))/Page/1010

Club Secretaries: Be sure that you have submitted all of your monthly online club reports for the 18-19 year. Remember that the September report (last report of the year) is due by October 10th, 2019. When you use the monthly online reporting system you
will not be asked to submit a separate annual report.

Thanks again to Club Secretaries for submitting the Annual Club Election Reports for 2019-2020. The reports were due June 1, so if you have not submitted your information online, please do so ASAP! We are still waiting for some club election reports! Please include email addresses whenever possible. It is very important that Kiwanis International and the District Office both receive this information in a timely manner so that directories and mailing lists can be compiled. When filed online the report automatically goes to both Kiwanis International and the District Office.

Don't get lost! The “Club Locator” https://www.kiwanis.org/clubs/find-a-club on the Kiwanis.org website is one of its most used functions. Prospective members and current members who are relocating use the search function to find a club in their area. But if your club doesn’t have a valid meeting location address, site visitors won’t be able to find you. Don't get left off the map! Club secretaries, make sure your club’s meeting location address is valid and up to date via your online Secretary dashboard.

Diapers, Diapers Everywhere - 7/30/2019
Submitted by: Peter Larson

For those of you attending the District Convention on August 9th thru the 11th, please bring diapers. Three agencies will be receiving the diapers, the YWCA, Churches United for the Homeless and the Rape and Abuse Crisis Center. They have special needs for diapers in sizes 3 to 6. Thank you for all the diapers you have given these past several years at the District Conventions, lets make this a banner year.

If you are not attending the convention, please send some diapers with others attending the convention to represent your club.

You can hardly imagine the thanks we have received each year from the agencies that have received the diapers. Lets make this the best year yet for these great agencies.

Youth Protection at convention - 7/29/2019
Submitted by: Peter Larson

While at the District Convention please stop by my table and try your luck with our plinko game. I will be there to introduce myself as your District Youth Protection Manager and to advise you on what that person does for you and your club.
We had an excellent training at the International Convention and I hope to pass some of that information along to you during my forum that I share with the District Risk Manager, Ken Kohler.

If you are not attending the District Convention, please give me a call or email so I can pass along the important Youth Protection Guidelines that Kiwanis has provided.

Peter Larson, 701-261-7012 or phlarson@midco.net

**Members Come in Cans - 7/29/2019**  
*Submitted by: Sharon Scudder*

For many months I have suggested that you use the power ASKING to gain new members for your clubs and many of you have taken my advice so do you believe members come in cans, YES I CAN DO THIS OPPOSED TO I CAN’T DO IT.

You will see the following people have changed their Can’ts to CANS and introduced a member to their community by bringing opportunity to others to serve and have a sense of belonging. I applaud all who are using the power of ASK to create members in your clubs.

I would like to apologize to the Fargo Club. I have failed to recognize their new members since September. We welcome them and would like to recognize them Now. If you find that I have failed to recognize any of your new members, please contact me.

Our new members and sponsors deserve to be recognized and are listed below. I have learned that some secretaries are submitting the sponsor’s name but do not show up on the information that is sent from Kiwanis International so they are marked unknown. So again, please contact me.

August Partnership Highlight - 7/29/2019  
Submitted by: Denis Cornell, Partnership Coordinator

With back to school right around the corner it’s time to think about the Kiwanis Warehouse!!

WHAT IS KIWANIS WAREHOUSE?
When your Kiwanis club is planning a service project, Kiwanis Warehouse is an important resource for discounts and buying power. Operated by our partner, DollarDays, this premier online wholesale distributor is a secret weapon for Kiwanis clubs looking for the kind of insider access typically available only to large enterprises. Kiwanis Warehouse offers more than 200,000 high-quality goods at wholesale and bulk prices, sold in small cases. The minimum order is only a case, giving even the smallest clubs the opportunity to purchase products well below retail. Kiwanis Warehouse’s inexpensive selection of quality wholesale merchandise is impressive. Your club can find the exact products you need, including backpacks, school supplies, socks, flip flops, toothpaste, fleece blankets, and health and beauty products to support your community service projects and outreach programs.

WHY CHOOSE KIWANIS WAREHOUSE?
• Free shipping* on all orders regardless of size or volume
• No minimum purchase requirement
• Selection of more than 200,000 products at wholesale pricing
• Dedicated sales and support team for product selection, site navigation, checkout process and more, just a phone call away
• Through the 5% Give Back Program, 5% of your order can be donated to any nonprofit organization, compliments of DollarDays
TAKE YOUR SIGNATURE PROJECT TO THE NEXT LEVEL.

Many Kiwanis clubs make a mark in their communities with a signature project. Some provide items and goods that families otherwise can’t afford. For other clubs, a signature project requires tools and equipment. Either way, Kiwanis Warehouse makes a signature project easier—and less expensive—by providing what your club needs at low prices.

Back-to-school. All of the school supplies a child could need, from pencils and paper to backpacks and glue. You can even purchase pre-filled backpacks and school kits.
Baby care. Clothing, baby wash, and lotion, baby bottles, socks, and bibs—all of this and more to benefit the babies in your community.
Food pantry. A wide variety of wholesale candy, snacks, discount coffee, inexpensive seasonings and spices, groceries and much more.
Arts and crafts day. From yarn to pipe cleaners to beads, all of the supplies you need for any project—in one place.
Games and toys. A wide variety, from baby games, novelty toys and outdoor games to fun items for science and math education.
Seasonal. Fleece blankets, socks, scarves, hats and gloves—and much more—for your seasonal service projects.
Kiwanis One Day. Whether you need landscaping items, tools, and hardware or painting supplies, we’ve got all of the items for your Kiwanis One Day projects.
Holiday supplies. From party supplies and costumes to gifts and decorations, you can find all of the items you need for a successful holiday event.

New School Year: Time to Think about Our Foundation - 7/29/2019
Submitted by: Bill Lardy, Past Governor

By the time the next Minnekotan is published on September 1st most schools in the District will have started the 2019-2020 school year. And Foundation secretary Jack Zierdt will be planning to send to high schools in the District application forms graduating seniors will complete to vie for the many scholarships the Foundation will award for the 2020-21 academic school year.

Most readers know that the funds for the scholarships come only from income the Foundation corpus generates each year. Thus market conditions and the total value of the invested assets determine the amount of dollars the are available to fund the scholarships each year.

The Foundation Board can’t control the market but it can influence to some extent the total value of the underlying portfolio. And speaking as a member of the Board we try to do that, which is my reason for writing. I write to encourage every Kiwanian in the District to contribute to the Foundation. If every member contributed $10, about $50,000 total would added to the corpus.

Make a commitment today to contribute $10, $15 or $20 each month or each calendar quarter to the Foundation. Every dollar is an investment in the future of our country. Students receiving the scholarships are the best and brightest in the District. They come from every Division in the District. Each one will make meaningful contributions to the nation and society at large. Play a part—make a gift to the Foundation today, and throughout the year ahead.

Are you up for a Challenge? Club Leader to District Leader - 7/29/2019
Submitted by: Loreena Luetgers
As some of you may know, our District is working hard to have members become a Lieutenant Governor. There are reasons for this. One is that we are repeating club presidents and they probably don't want to take on a newer position. Another is that our past presidents and secretaries don't know the job description. Another could be that they think that you have to have money to pay for all of your expenses.

Some of the divisions are lacking all three positions: Lieutenant Governor-Elect, Lieutenant Governor and Immediate Past Lieutenant Governor. Recently I have visited various clubs in search for division Lieutenant Governors. I want to share only one of the things that I have learned. I like to ask the members “What does a Lieutenant Governor get paid?” The answer is always the same: “Zero” with a disappointed look on their face.

Well, I challenge you to look on the District website and research under the tab “Education”. I have posted a sheet explaining the time commitment, some of the responsibilities and the reimbursement cost for the position. I could explain it here, but I want you to read it. After you understand it, ask yourself if this is something that you could or would want to do. It is the most fun and rewarding experience in Kiwanis, visiting and helping clubs. You get to make new relationships and friendships with people you wouldn’t have ever met before. Remember, no two clubs are alike, so you can obtain new ideas, etc. for your own club.

May your answer be “I believe this would be a good challenge for me.” We would love to work with you.

"Recycled" Leaders - 7/29/2019  
Submitted by: Loreena Luetgers

We recycle plastics. We recycle papers. We recycle clothing to a thrift store. We breathe recycled air every day in buildings. Leadership is even recycled in our Kiwanis clubs.

The only positive of this is: experience, whether good or bad.

The negative of this is many things. Let me expand. Members don’t get the experience of learning to be a leader or just to be a leader. Clubs can become stagnant with repeated leadership. Members aren't given the opportunity to give ideas and possible change to the organization. Members can become ineffective as vital assets to the club. Change within the club can almost become impossible if members aren’t given the chance to be challenged to grow and learn new skills. How do we know what capabilities our members have if we don’t give them that opportunity?

This leads me to “Succession Planning”. This is a forum that will be held at the District Convention. Come to learn how to develop a plan to get members into leadership positions. Our clubs can implement this plan to draw our new members into the club and draw established members “out” into leadership. Don’t underestimate the quiet member that attends every week.

So, I challenge you to attend the Convention. There will be so many new things to learn and experience.

Winona, Sunrisers Recognized - 7/28/2019  
Club: Winona, Sunrisers - Submitted by: Neil Broadwater
The Kiwanis Club of Winona, Sunrisers was recognized on July 11th at the Winona County Fair by the Winona County Extension Committee for conducting a 4-H'er of the Month Award program for over 30 years. Each month a county 4-H'er is selected by the County Extension Office, with nominations from county 4-H leaders. The selected 4-H'er attends the Kiwanis membership meeting on the 4th Wednesday, is introduced and has the opportunity to speak before the club. Then a recognition certificate is presented to the 4-H'er. A photo and news release is sent to the local newspapers and also put into the County 4-H newsletter. This has been a wonderful effort of cooperation over these many years. To recognize hundreds of outstanding 4-H'ers for doing outstanding work during their 4-H careers has been a privilege for our Kiwanis Sunrisers Club members and we are all proud to receive this award.

Pictured l to r: Luke Miller, County Extension Committee Chair; Conway Elton and Neil Broadwater, representing the Kiwanis Sunrisers Club; Lisa Dierks, U of MN Regional Extension Director, Rochester; and Kimberly Stehr, County 4-H Program Coordinator.

K-KIDS - LEADERS of the FUTURE - 7/28/2019
Submitted by: Theresa Looby

During the summer discussions concerning the growth of Kiwanis Membership were held at many meetings. The consensus of the discussions indicated that young children provide a future of leadership and membership growth. Children learn the principles of leadership and volunteering and enjoy the learning process.

A K-KIDS Club is one way to help children develop these skills. The goal of K-KIDS is teach Elementary age children leadership skills, respect for self and others and the benefits of volunteering. The children learn these skills through lessons taught at regular meetings and participating in community activities.

As we anticipate the beginning of a new academic year it is time for Kiwanis Clubs to consider sponsoring a K-KIDS Club. Information concerning sponsorship and responsibilities will be sent to Club Presidents and Lt Governors. Also included will be information about TERRIFIC KIDS and BUGS. These are programs that are included in K-KIDS that provide individual recognition of appropriate behavior and growth in academic skills. As Kiwanians we need to share with the Administrators of the Elementary Schools information about the value of K-KIDS Club on their campuses Therefore, we need to contact them and discuss the advantages K-KIDS Club offer to the children and teachers. I have found, through personal experiences, that Administrators realize the benefits of a K-KIDS Club and are very supportive of the Club and in many instances join the local Club.

During the next few weeks I will be contacting Lt Governors and Club Presidents to share with them information concerning sponsorship of a K-KIDS Club. I will also be asking their help in contacting school administrators to share with them information about K-KIDS and the positive influence the Club offers to the school community.

This new academic year offers the opportunity to increase the number of K-Kids Clubs in the MiinnDak District. It would be wonderful if we were to have a minimum of 7 new K-KIDS Clubs. That is one Club in each Division. This year 2 Divisions with the help of local Clubs sponsoring K-KIDS 2 new Clubs were chartered or are in the process of filing chartered. It can be accomplished with communication!

I am looking forward to working with the Lt Governors and Club Presidents to provide our young children the opportunities for learning and volunteering afforded them through K-KIDS!
CONVENTION GOLF TOURNAMENT - 7/28/2019
Submitted by: Ericka Schott-Juelson

We Are So Excited To Announce The District Convention Golf Tournament! Registration at NOON with Golf Scramble to Kick Off at 1pm Thursday August 8th! Sign Up As a Team Of Singles! We Have Room For Tournament Sponsors As Well! Registration and Questions Can Be Directed To Ericka Schott-Juelson 701-306-1631 or SellingFargo@Gmail.com

Children’s Fund - 7/27/2019
Submitted by: Kathy Welle

Are you ready for our District Convention in Fargo ND on August 9th to 11th?

Please bring all your K dollars collected since last October. This will also assist with reaching the President’s Challenge. (a check is okay if the amount collected is very high)

I’m reaching out to all of you to request your help. We still have time to meet the President’s Challenge during the next couple of months. This year the District Goal is $24,408 with 50% club participation, to be eligible for the 15% rebate. Last year the District received $4817.00 as a rebate. **Without the 50% participation, there will be no rebate.** Funds are used for education scholarships via the District Education Foundation. Another way all clubs can contribute to Education Scholarships.

As of June 30, 2019, the District is at 41% participation and $6,824 short from the Goal amount. Last December 2018, we were at 26% participation. We have made great progress!

Clubs, would you please consider sending in the annual contribution of $10.00 per member, before 9/30/19. An amount less than $10.00 per member is also helpful. It would help to meet the 50% participation. A special Kiwanis recognition award purchase would be added to the Children’s Fund also, to meet the goal.

**AND Special Note:** Please consider bringing a item for the raffle table at the District Convention to raise a few more dollars. Raffle tickets will be available for people to buy and choose which item they would prefer to win. Winners will be announced Saturday night after the banquet.

Looking forward to seeing you in Fargo, ND on August 9th to 11th, 2019.
Jamestown Kiwanis charters satellite club - 7/23/2019  
Club: Jamestown - Submitted by: Katie Ryan-Anderson

The satellite club meets once per month and in the evening. This accommodates members who otherwise could not attend the traditional weekly lunch meeting.

“Our satellite club is a great way to recruit and retain members,” said Lt. Gov Amanda Thrift. “People know kids need Kiwanis and they want to be a part of that. We’ve simply adjusted to their schedules.”

About 45 members belong to Jamestown Kiwanis’ traditional club. The five satellite members increased Kiwanis’ membership by more than 10 percent. In the few months since the satellite club’s inception, its members already organized a successful food drive and facilitated a Kiwanis family picnic for Kiwanis, Aktion Club and Key Club.

“We are fortunate to work with these individuals,” Thrift said. “They bring hard work, energy and enthusiasm to our Kiwanis family.” Thrift recommended other Kiwanis clubs consider a satellite club, saying clubs can grow if we can accommodate the schedules of new members.

To learn more, email JamestownKiwanis@gmail.com

Celebration of 90th Birthday - 7/22/2019  
Submitted by: Past. Gov.Lionel Muthiah

Past Governor(1995 -96) Lionel Muthiah was honored on Saturday July 20 at an Open House in the Auditorium of Friendsview Retirement Community (Quaker) with a 90th Birthday party sponsored by his four children, Lorene Coffey, Lora Helton, Robert Muthiah and Richard Muthiah.

The former Mayor Bob Andrews talked about the many contributions that Lionel has made to the City of Newberg including getting the Oregon State Legislature to designate Newberg as the Camellia City of Oregon, which is now on the three main entry ways to Newberg. He also thanked Lionel for establishing the Martin Luther King Jr Holiday Committee in 2011 which each year has grown in attendance. The current Mayor Rick Rogers also spoke of the many ways Lionel has participated in the community and raised funds for Habitat for Humanity and working for justice and equity in the community. He presented Lionel with a Key to the Community!!

Builders Club and You - 7/22/2019  
Submitted by: Nancy Cornell, Builders Club Administrator

The first service leadership program of Kiwanis was Key Club, started in 1925. This was the beginning of "student-led" clubs which now include Builders Club for middle and junior high students and K-Kids for elementary students. But what does "student-led" really mean? The first requirement is that the students elect their leaders, their officers. Even though students are leading other students, they do not have complete control. This is where the faculty and Kiwanis advisors come in who help guide but still leave
room for learning from mistakes and trying new ideas.

Students learn leadership skills from planning, public speaking, cooperation, time management, conflict resolution, respect for others, communication...everything that contributes to personal development. When students take the lead, amazing things happen.

There are 22 Builders Clubs in our district. Thank you to those Kiwanis Clubs who are helping students grow through being a part of a student-led club. Only about 15% of our Kiwanis Clubs sponsor a Builders Club. Let's bring that number to 20%.

Your Kiwanis Club is key in helping students do amazing things. They can not take part in Builders Club until you sponsor them. What is holding your club back? Check out www.buildersclub.org to learn everything about Builders Club; how to start a club, officer training, contests, project ideas, advisor resources, and much more. And contact me with any questions or concerns at nancyc2@centurytel.net

See you at the district convention in Fargo.

**Bike Safety Rodeo in Mitchell, SD - 7/16/2019**
*Club: Mitchell - Submitted by: Linda McEntee*

Mitchell, SD's club held their annual Bike Safety Rodeo in June in front of the World's Only Corn Palace! The club partnered with Ron's Bike Shop and Palace City Pedalers to do bike inspections, safety route, and helmet fitting. They gave away three bikes, many helmets and a good time! A local bank, Plains Commerce Bank also donated a bike for this event.

---

**Mitchell Cub Baseball Tourney - 7/16/2019**
*Club: Mitchell - Submitted by: Linda McEntee*

The Mitchell SD Club had its annual baseball tourney on the hottest weekend of the year but that didn't keep the volunteers, players and fans away. This fundraiser has always been a good one and this year they added a new element. Umpires ranked each team based on their sportsmanship. This included team members, players and fans. What an enjoyable event this ended up to be with most teams scoring the highest possible sportsmanship points for each game.

**WACOSA Receives Award for Forming Aktion Club - 7/15/2019**
*Club: Saint Cloud - Submitted by: Art Grachek*
The Life Enrichment Award was presented to WACOSA at the Aktion Club meeting on June 17, 2019 in St. Cloud. Julie Johnson, president of the Minnesota Organization for Habilitation and Rehabilitation (MOHR), presented the award to Steve Howard, Executive Director of WACOSA. Cathy Wogen, St. Cloud Kiwanis Club president, nominated WACOSA for the award.

WACOSA, a St. Cloud area day program serving people with disabilities, was selected to receive the award for its role in establishing the Aktion Club of St. Cloud, formed in cooperation with the Kiwanis Club of St. Cloud. The Aktion Club develops competent, capable, caring leaders through the vehicle of service.

“Community-based providers are at the center of Minnesota’s effort to help people with disabilities to live fuller lives,” said MOHR President Julie Johnson. “Excellent programs give people options to engage and thrive in their communities.” The MOHR organization represents more than 100 such day programs across the state of Minnesota.

“The Aktion Club meeting format is structured the same as a Kiwanis club meeting,” said Kiwanis of St. Cloud President Cathy Wogen. These are professional, offsite meeting environments where area speakers present, often for fundraisers, she explains. Kiwanis tools of the trade are used, including the bell, banners, podium and microphones.

WACOSA Fund Development Manager Carrie Peterson serves as chair of the Aktion Club. “Her energy and enthusiasm are truly what make this an excellent program,” said Wogen. “I have had the opportunity to join several meetings and the new members are genuinely excited to be there and really enjoy meeting off-site.” Peterson also serves as Vice President of the St. Cloud Kiwanis Club.

In addition to the award presentation, the Aktion Club heard from St. Cloud Mayor, Dave Klies who provided an update on activities and developments in St. Cloud.

Lake Agassiz Kiwanis Tour Water Treatment Plant - 7/2/2019

The Lake Agassiz Kiwanis have had some incredible speakers and tours lately, including a program about the Fargo AirSho and a tour of the brand new water treatment plant in Fargo. Club members are thankful for the opportunity to stay involved and learn more about what is happening in their community!
