Happy Holidays from your Governor - 12/1/2016  
Submitted by: Peter Larson

I hope all of you have had a great Thanksgiving holiday with family and friends. I was lucky to have my sons here in Moorhead and then we visited my daughter's family in Burnsville. We are looking forward to celebrating Christmas and New Years before the end of the year. I hope each of you will enjoy your holidays according to your religion and traditions and have a wonderful new year.

I am announcing that our District has a new K-Kids District Administrator: Erin Atkins of Box Elder, South Dakota. She will be attending the SLP Training Conference in January. Thank you Erin for filling this important position that has been unfilled in recent years.

I am still in need of Lt. Governors in Division 1 and 6 and a Lt. Governor Elect in Division 2. Please consider filling one of these important positions. We will be having Lt. Governor training in Fergus Falls in April.

At the divisional meetings we discussed each club completing an I-Plan for their club and developing a signature service project. My intention during the winter is to visit as many clubs as possible to see how your I-Plans and Projects are proceeding. If you have any significant events occurring that I could attend please contact me at 701-261-7012.

Remember to invite others to attend your meetings and service projects. Membership in the Minnesota Dakotas District has fallen by over 5,000 members since 1991. To continue serving the children in our communities and the world, we need to bring our membership back up. Does your club need to make changes to allow young people to participate? As you work on the I-Plan think about why you joined Kiwanis and how you can bring others in to enjoy the fellowship and service we do in Kiwanis.

Again, I wish all your hopes for the coming year come true and that you enjoy good health.

Kiwanis Club Recognition Program 2016-2017 - 12/1/2016  
Submitted by: Steve Handegaard, District Sec/Treas
A couple of months ago Kiwanis International announced the details for the 2016-2017 Club Recognition Program. You can find a link to more details on the criteria at a link on our district website homepage.

Just this past month Kiwanis International has launched a supporting feature to this program. It is called the Club Recognition Program Tracker and can be accessed by the club secretary on their Online Club Secretary Dashboard. The new tracker allows clubs to enter the data as they achieve it throughout the year. It they enter an item on the online monthly club report and it applies to a recognition category it will automatically enter the number of points earned. Club secretaries also have the ability to print a PDF copy to share with the club board or members. Sharing that report would be great way to keep everyone in your club informed. If you click on the following link you can see exactly how the Club Tracker report appears.

Our Circle K and Key
Club District Boards are very busy and active. They need our financial support. Checks can be made payable to Kiwanis Outreach and mailed to me at the District Office.

The 2016 Kiwanis International Convention will take place in the 17th Arrondissement. Take note of an easy trick to know if an address you seek is nearby: if the zip code ends with a seventeen (such as 75017), then the destination is in our administrative district.
The *Arc de Triomphe* is located in the 17th district, less than one mile on foot from our convention area. For a small fee, you can climb the 40 steps to the top of the monument for a view of the city. After you return to the street, you can enjoy a two-mile tour along the *Champs-Élysées*. Included in the many sites on this road are stops for fans of the Mercedes-Benz and lovers of Louis Vuitton. Look for a wall plaque that notes where Thomas Jefferson lived during his 1785-1789 tenure as minister to France. The walk concludes at the *Place de la Concorde*, former home of the infamous guillotine that ended the lives of Louis XVI, Marie-Antoinette, and Georges Danton, among many others. The centerpiece of this site is the obelisk of Luxor, standing seventy-two feet high.

"Kiwanians Kares" - 11/28/2016
Submitted by: E. Chuck Schroder

SEPARATED BY ROUGHLY 80 MILES, TWO KIWANIS COMMUNITIES UNITE FOLLOWING A DISASTER.

Recent flooding in Baton Rouge, Louisiana hits home with club members in the New Orleans community. After Hurricane Katrina, many of the members experienced the devastation that comes after a natural disaster---from cleanup to the tremendous loss and grief that follows. Luckily, the Kiwanis Family was there to help.

Division 4A in Louisiana-Mississippi-West Tennessee, which includes New Orleans, decided it was their turn to provide support.

"The flood water receded to the point where families could return to assess what was left in their homes," says Cathy Simmons, Kiwanis Club of New Orleans secretary. "The Kiwanians in our division want to be there for these families at the beginning of what will be a long journey, just as they were there for us.

The New Orleans club received a disaster-relief grant from the Kiwanis International Foundation to help fund their "Kiwanis Kares" program. The seven clubs in the division will use the funding in addition to their own resources and donations from businesses to extend their impact in Walker, Louisiana on
October 22. The community suffered extensive flood damage and more than 60 percent of homes and business were affected.

The clubs plan to provide 1,000 hot meals and energy-to-go packs as well as 500 cases of water in conjunction with Kiwanis One Day. The energy packs include protein bars, mints, gum, baby wipes, and sport drinks.

"We will set up a home-base in a local church or school where families can stop by for a hot meal, relax and pick up energy packs" says Cathy. "our sponsored service leadership program clubs will entertain children with crafts and games." Remaining meals and energy-to-go packs will be delivered throughout the community to those who could not attend the event.

UNFORTUNATELY DISASTER RELIEF IS NEEDED YEAR-ROUND THROUGHOUT THE WORLD. YOUR GIFT TODAY CAN HELP OTHER KIWANIS CLUBS IMPACT THEIR COMMUNITIES WHEN EMERGENCY RELIEF IS NEEDED. MAKE YOUR GIFT---IT'S A SIMPLE WAY TO MAKE A BIG DIFFERENCE. YOU CAN GIVE ONLINE OR TEXT"AID" TO 50155.

WILLMAR KIWANIS CHARTERS TWO NEW KEY CLUBS - 11/3/2016

Club: Willmar - Submitted by: Maribeth Williamson

A good crowd of nearly one hundred persons gathered at the Willmar Conference Center on Monday night, October 24, to witness the chartering of two new Key Clubs by Willmar Kiwanis, the Dream Technical Academy and Willmar High School.

Key Club is the largest high school youth organization in the world, and provides its members with opportunities to serve their community and school, build character and develop leadership.

Willmar Kiwanis President, Rebecca Clayton, presided over the banquet, and she and Mayor Marv Calvin welcomed the many Kiwanians, Key Clubbers, and parents who attended. Pastor David Zylstra shared the Invocation.

Following dinner, Peter Larson, Governor of the Minnesota-Dakota District of Kiwanis International, was the guest speaker and shared his strong feelings on “The Importance of Key Club”. He said that he himself became a Kiwanian through the involvement of his own son in Key Club.

Sixteen charter members joined the Dream Technical Academy Key Club, and forty charter members joined the Willmar High School Key Club. School advisors for the Dream Technical Academy are Diane Norby and Katie Pederson, while Debbie Kliedon will serve as the Kiwanis advisor. Linda Saunders and Sheri Pederson are the school advisors for the Willmar High School Key Club, while Fran Hussong and Griffin Leitch will serve as Kiwanis advisors.

Rev. Dennis Hier, a Lt. Gov. in Division 6, installed the officers for the two clubs. Winona Kiwanis Sunrisers Club reaches “Model Club” status - 11/2/2016

Club: Winona, Sunrisers - Submitted by: Neil Broadwater

The Winona Kiwanis Sunrisers Club on October 26 celebrated the completion of a nearly five year effort to reach its goal of locally raising $21,750 for Kiwanis International’s ELIMINATE Project. In
partnership with UNICEF, Kiwanis International is committing to eliminating maternal/neonatal tetanus, a disease that kills one baby every nine minutes. The ELIMINATE project has been working in 29 countries in Africa, Asia and Europe, where there is little or no access to health care.

Kiwanis International has currently raised over $100 million of their $110 million goal to save the lives of 129 million mothers and their future babies thru immunization and other interventions that will boost maternal health and child survival among the poorest, most underserved women and children in the world.

Kiwanis International now considers the Winona Kiwanis Sunrisers Club a “Model Club” for reaching their goal. The club members reached their goal through local fund raising efforts and donations. The Winona Kiwanis Sunrisers Club meets every Wednesday at 7:00am at the Winona Family Restaurant. Kiwanis is a global organization of over 600,000 members in 89 countries that come together in fellowship and service to the community, with projects emphasizing children. New members are always welcome.

**Little Falls Kiwanis Club partner with the City to improve Play space** - 11/1/2016
*Club: Little Falls - Submitted by: Kristina Vonberge*

The Little Falls Kiwanis Club has increased their membership by 7 new people in the year 2016. They are widening their reach and opening their doors to the community.

The new Kiwanis President Jon Rademacher is also the Little Falls City Administrator and with that connection between the club and the community the club will be working with the City of Little Falls to start improving Washington Playground. The playground has not had new updated equipment for over 20 years. The playground is centrally located in the residential Little Falls area and directly kitty corner the Carnegie Public Library.

The focus will be toddlers and a playground that reaches out to younger children, as that is not available to parents in the community today.

The group fundraises throughout the year and would like to work on the local improvements with the energy of the new members and the experienced members. Keeping Kiwanis alive in Little Falls is a great opportunity to lead the Community Service groups into recruiting new members and improving one park at time.
The group will have a draft design of a few ideas for this park and will work with a couple of local groups, like the Little Falls KEY Club to make this purchase and community build become reality in 2017.

Community awareness for the Kiwanis and the KEY club is very important for the future of all service organizations and engaging the young parents and business people in the community.
